ABOUT THE REGISTRANTS

We are a global manufacturer and distributor of products for commercial, industrial and consumer markets. Most of our businesses share important characteristics, including leading market shares, strong brand names, broad product offerings, established distribution networks, relatively high operating margins, relatively low capital investment requirements, product growth opportunities and strategic acquisition opportunities. We believe that a majority of our 2010 net sales were in markets in which our products enjoy the number one or number two market position within their respective product categories. In addition, we believe that in many of our businesses, we are one of only a few manufacturers in the geographic markets where we currently compete.

Our principal executive offices are located at 39400 Woodward Avenue, Suite 130, Bloomfield Hills, Michigan 48304. Our telephone number is (248) 631-5450. Our web site address is www.trimascorp.com. The information on our website is not part of this prospectus.

RISK FACTORS

Investment in our securities involves risks. Prior to making a decision about investing in our securities, you should consider carefully the risk factors, together with all of the other information contained or incorporated by reference in this prospectus and any prospectus supplement, including any additional specific risks described in the section entitled “Risk Factors” contained in any supplements to this prospectus, as well as any amendments thereto reflected in subsequent filings with the United States Securities and Exchange Commission (the “SEC”), which are incorporated herein by reference in their entirety. The risks and uncertainties described below are those that we have identified as material, but are not the only risks and uncertainties facing us. Additional risks and uncertainties not currently known to us or that we currently believe are immaterial may also impact our business operations, financial results and liquidity.

Risks Related to Our Business

We have a history of net losses.

While we generated net income of \$45.3 million for the year ended December 31, 2010, we incurred net losses of \$0.2 million and \$136.2 million for the years ended December 31, 2009 and 2008, respectively. The loss in 2008 principally resulted from pre-tax, non-cash goodwill and indefinite-lived impairment charges of \$166.6 million, included in continuing operations. The losses in 2009 and 2008 were also impacted by losses from discontinued operations of \$13.0 million and \$12.1 million, respectively. In addition, interest expense associated with our highly leveraged capital structure, non-cash expenses such as depreciation and amortization of intangible assets and other asset impairments also contributed to our net losses. We may experience net losses in the future.

Our businesses depend upon general economic conditions and we serve some customers in highly cyclical industries; as such we are subject to the loss of sales and margins due to an economic downturn or recession.

Our financial performance depends, in large part, on conditions in the markets that we serve in both the U.S. and global economies. Some of the industries that we serve are highly cyclical, such as the automotive, construction, industrial equipment, energy, aerospace and electrical equipment industries. We may experience a reduction in sales and margins as a result of a downturn in economic conditions or other macroeconomic factors. Lower demand for our products may also negatively affect the capacity utilization of our production facilities, which may further reduce our operating margins.

Many of the markets we serve are highly competitive, which could limit the volume of products that we sell and reduce our operating margins.

Many of our products are sold in competitive markets. We believe that the principal points of competition in our markets are product quality and price, design and engineering capabilities, product development, conformity to customer specifications, reliability and timeliness of delivery, customer service and effectiveness of distribution. Maintaining and improving our competitive position will require continued investment by us in manufacturing, engineering, quality standards, marketing, customer service and support of our distribution networks. We may have insufficient resources in the future to continue to make such investments and, even if we make such investments, we may not be able to maintain or improve our competitive position. We also face the risk of lower-cost foreign manufacturers located in China, Southeast Asia and other regions competing in the markets for our products and we may be driven as a consequence of this competition to increase our investment overseas. Making overseas investments

[Table of Contents](#)

can be highly complicated and we may not always realize the advantages we anticipate from any such investments. Competitive pressure may limit the volume of products that we sell and reduce our operating margins.

Increases in our raw material or energy costs or the loss of critical suppliers could adversely affect our profitability and other financial results.

We are sensitive to price movements in our raw materials supply base. Our largest material purchases are for steel, copper, aluminum, polyethylene and other resins and energy. Prices for these products fluctuate with market conditions and we have experienced sporadic increases recently. We may be unable to completely offset the impact with price increases on a timely basis due to outstanding commitments to our customers, competitive considerations or our customers' resistance to accepting such price increases and our financial performance may be adversely impacted by further price increases. A failure by our suppliers to continue to supply us with certain raw materials or component parts on commercially reasonable terms, or at all, could have a material adverse effect on us. To the extent there are energy supply disruptions or material fluctuations in energy costs, our margins could be materially adversely impacted.

We may be unable to successfully implement our business strategies. Our ability to realize our business strategies may be limited.

Our businesses operate in relatively mature industries and it may be difficult to successfully pursue our growth strategies and realize material benefits therefrom. Even if we are successful, other risks attendant to our businesses and the economy generally may substantially or entirely eliminate the benefits. While we have successfully utilized some of these strategies in the past, our growth has principally come through acquisitions.

Our products are typically highly engineered or customer-driven and we are subject to risks associated with changing technology and manufacturing techniques that could place us at a competitive disadvantage.

We believe that our customers rigorously evaluate their suppliers on the basis of product quality, price competitiveness, technical expertise and development capability, new product innovation, reliability and timeliness of delivery, product design capability, manufacturing expertise, operational flexibility, customer service and overall management. Our success depends on our ability to continue to meet our customers' changing expectations with respect to these criteria. We anticipate that we will remain committed to product research and development, advanced manufacturing techniques and service to remain competitive, which entails significant costs. We may be unable to address technological advances, implement new and more cost-effective manufacturing techniques, or introduce new or improved products, whether in existing or new markets, so as to maintain our businesses' competitive positions or to grow our businesses as desired.

We depend on the services of key individuals and relationships, the loss of which could materially harm us.

Our success will depend, in part, on the efforts of our senior management, including our chief executive officer. Our future success will also depend on, among other factors, our ability to attract and retain other qualified personnel. The loss of the services of any of our key employees or the failure to attract or retain employees could have a material adverse effect on us.

[Table of Contents](#)

We have substantial debt and interest payment requirements that may restrict our future operations and impair our ability to meet our obligations.

We continue to have indebtedness that is substantial in relation to our shareholders' equity. As of December 31, 2010, we have approximately \$494.7 million of outstanding debt and approximately \$112.3 million of shareholders' equity. After consideration of our interest rate swap agreements, approximately 10% of our debt bears interest at variable rates. We may experience material increases in our interest expense as a result of increases in interest rate levels generally. Our debt service payment obligations in 2010 were approximately \$47.7 million and, based on amounts outstanding as of December 31, 2010, a 1% increase in the per annum interest rate for our variable rate debt would increase our interest expense by approximately \$0.3 million annually. Our degree of leverage and level of interest expense may have important consequences, including:

- our leverage may place us at a competitive disadvantage as compared with our less leveraged competitors and make us more vulnerable in the event of a downturn in general economic conditions or in any of our businesses;
- our flexibility in planning for, or reacting to, changes in our business and the industry in which we operate may be limited;
- our ability to obtain additional financing in the future for working capital, capital expenditures, acquisitions, business development efforts, general corporate or other purposes may be impaired;
- a substantial portion of our cash flow from operations will be dedicated to the payment of interest and principal on our indebtedness, thereby reducing the funds available to us for other purposes, including our operations, capital expenditures, future business opportunities or obligations to pay rent in respect of our operating leases; and
- our operations are restricted by our debt instruments, which contain material financial and operating covenants, and those restrictions may limit, among other things, our ability to borrow money in the future for working capital, capital expenditures, acquisitions, rent expense or other purposes.

Our ability to service our debt and other obligations will depend on our future operating performance, which will be affected by prevailing economic conditions and financial, business and other factors, many of which are beyond our control. Our business may not generate sufficient cash flow, and future financings may not be available to provide sufficient net proceeds, to meet these obligations or to successfully execute our business strategies.

Restrictions in our debt instruments and accounts receivable facility limit our ability to take certain actions and breaches thereof could impair our liquidity.

Our credit facility and the indenture governing our senior secured notes contain covenants that restrict our ability to:

- pay dividends or redeem or repurchase capital stock;
- incur additional indebtedness and grant liens;
- make acquisitions and joint venture investments;

[Table of Contents](#)

- make capital expenditures.

Our credit facility also requires us to comply with financial covenants relating to, among other things, interest coverage and leverage. Our accounts receivable facility contains covenants similar to those in our credit facility and includes additional requirements regarding our receivables. We may not be able to satisfy these covenants in the future or be able to pursue our strategies within the constraints of these covenants. Substantially all of our assets and the assets of our domestic subsidiaries (other than our special purpose receivables subsidiary) are pledged as collateral pursuant to the terms of our credit facility. A breach of a covenant contained in our debt instruments could result in an event of default under one or more of our debt instruments, our accounts receivable facility and our lease financing arrangements. Such breaches would permit the lenders under our credit facility to declare all amounts borrowed thereunder to be due and payable, and the commitments of such lenders to make further extensions of credit could be terminated. In addition, such breach may cause a termination of our accounts receivable facility. Each of these circumstances could materially and adversely impair our liquidity.

We have significant goodwill and intangible assets, and future impairment of our goodwill and intangible assets could have a material negative impact on our financial results.

We test goodwill and indefinite-lived intangible assets for impairment on an annual basis as of October 1, and more frequently if we experience changes in our business conditions that indicate an interim test may be required, by comparing the estimated fair values with their respective carrying values. We estimate the fair value of our goodwill and indefinite-lived intangible assets utilizing a combination of a discounted cash flow approach, which is based upon management's operating budget and internal five-year forecast, and market-based valuation measures that consider earnings multiples (for goodwill testing) and royalty rates (for indefinite-lived intangible asset testing). We test goodwill for impairment by comparing the estimated fair value of each of our reporting units, determined using a combination of the aforementioned techniques, to its respective carrying value on our balance sheet. If carrying value exceeds fair value, then a possible impairment of goodwill exists and further evaluation is performed. We test indefinite-lived intangible assets by comparing the estimated fair value of the assets, determined based on discounted future cash flows related to the net amount of royalty expenses avoided due to the existence of the trademark or trade name, to the carrying value. If the carrying value exceeds fair value, an impairment charge is recorded.

The utilization of a discounted cash flow approach in the impairment test for both goodwill and indefinite-lived intangible assets requires us to make significant estimates regarding future revenues and expenses, projected capital expenditures, changes in working capital and the appropriate discount rate. The projections also take into account several factors including current and estimated economic trends and outlook, costs of raw materials, consideration of our market capitalization in comparison to the estimated fair value of our reporting units determined using discounted cash flow analyses and other factors that are beyond our control.

At December 31, 2010, our goodwill and intangible assets were approximately \$365.8 million and represented approximately 39.6% of our total assets. Our net loss of \$136.2 million for the year ended December 31, 2008, included \$166.6 million of pre-tax charges for impairment of goodwill and indefinite-lived intangible assets in continuing operations, and \$0.9 million of such charges in discontinued operations. If we experience declines in sales and operating profit or do not meet our current and forecasted operating budget, we may be subject to future goodwill impairments. In addition, while the fair value of our remaining goodwill exceeds its carrying value, significantly different assumptions regarding future performance of our businesses or significant declines in our stock price

[Table of Contents](#)

could result in additional impairment losses. Because of the significance of our goodwill and intangible assets, any future impairment of these assets could have a material adverse effect on our financial results.

We may face liability associated with the use of products for which patent ownership or other intellectual property rights are claimed.

We may be subject to claims or inquiries regarding alleged unauthorized use of a third party's intellectual property. An adverse outcome in any intellectual property litigation could subject us to significant liabilities to third parties, require us to license technology or other intellectual property rights from others, require us to comply with injunctions to cease marketing or using certain products or brands, or require us to redesign, reengineer, or rebrand certain products or packaging, any of which could affect our business, financial condition and operating results. If we are required to seek licenses under patents or other intellectual property rights of others, we may not be able to acquire these licenses on acceptable terms, if at all. In addition, the cost of responding to an intellectual property infringement claim, in terms of legal fees and expenses and the diversion of management resources, whether or not the claim is valid, could have a material adverse effect on our business, results of operations and financial condition.

We may be unable to adequately protect our intellectual property.

While we believe that our patents, trademarks and other intellectual property have significant value, it is uncertain that this intellectual property or any intellectual property acquired or developed by us in the future, will provide a meaningful competitive advantage. Our patents or pending applications may be challenged, invalidated or circumvented by competitors or rights granted thereunder may not provide meaningful proprietary protection. Moreover, competitors may infringe on our patents or successfully avoid them through design innovation. Policing unauthorized use of our intellectual property is difficult and expensive, and we may not be able to, or have the resources to, prevent misappropriation of our proprietary rights, particularly in countries where the laws may not protect such rights as fully as in the U.S. The cost of protecting our intellectual property may be significant and have a material adverse effect on our financial condition and future results of operations.

We may incur material losses and costs as a result of product liability, recall and warranty claims that may be brought against us.

We are subject to a variety of litigation incidental to our businesses, including claims for damages arising out of use of our products, claims relating to intellectual property matters and claims involving employment matters and commercial disputes.

We currently carry insurance and maintain reserves for potential product liability claims. However, our insurance coverage may be inadequate if such claims do arise and any liability not covered by insurance could have a material adverse effect on our business. Although we have been able to obtain insurance in amounts we believe to be appropriate to cover such liability to date, our insurance premiums may increase in the future as a consequence of conditions in the insurance business generally or our situation in particular. Any such increase could result in lower net income or cause the need to reduce our insurance coverage. In addition, a future claim may be brought against us that could have a material adverse effect on us. Any product liability claim may also include the imposition of punitive damages, the award of which, pursuant to certain state laws, may not be covered by insurance. Our product liability insurance policies have limits that, if exceeded, may result in material costs that could have an adverse effect on our future profitability. In addition, warranty claims are generally not covered by our product liability insurance.

[Table of Contents](#)

Further, any product liability or warranty issues may adversely affect our reputation as a manufacturer of high-quality, safe products, divert management's attention, and could have a material adverse effect on our business. In addition, the Lamons Gasket business within our Energy reportable segment is a party to lawsuits related to asbestos contained in gaskets formerly manufactured by it or its predecessors. Some of this litigation includes claims for punitive and consequential as well as compensatory damages. We are not able to predict the outcome of these matters given that, among other things, claims may be initially made in jurisdictions without specifying the amount sought or by simply stating the minimum or maximum permissible monetary relief, and may be amended to alter the amount sought. Of the 8,200 claims pending at December 31, 2010, 40 set forth specific amounts of damages (other than those stating the statutory minimum or maximum). 28 of the 40 claims sought between \$1.0 million and \$5.0 million in total damages (which includes compensatory and punitive damages), 9 sought between \$5.0 million and \$10.0 million in total damages (which includes compensatory and punitive damages) and 3 sought over \$10.0 million (which includes compensatory and punitive damages). Solely with respect to compensatory damages, 30 of the 40 claims sought between \$50,000 and \$600,000, 7 sought between \$1.0 million and \$5.0 million and 3 sought over \$5.0 million. Solely with respect to punitive damages, 28 of the 40 claims sought between \$1.0 million and \$2.5 million, 9 sought between \$2.5 million and \$5.0 million and 3 sought over \$5.0 million. Total defense costs from January 1, 2010 to December 31, 2010 were approximately \$2.9 million and total settlement costs (exclusive of defense costs) for all asbestos cases since inception have been approximately \$5.8 million through December 31, 2009. To date, approximately 50% of our costs related to defense and settlement of asbestos litigation have been covered by our primary insurance. Effective February 14, 2006, we entered into a coverage-in-place agreement with our first level excess carriers regarding the coverage to be provided to us for asbestos-related claims when our primary insurance is exhausted. The coverage-in-place agreement makes asbestos defense costs and indemnity insurance coverage available to us that might otherwise be disputed by the carriers and provides a methodology for the administration of such expenses. Nonetheless, the Company believes it is likely that there will be a period within the next three years, prior to the commencement of coverage under this agreement and following exhaustion of the Company's primary insurance coverage, during which the Company likely will be solely responsible for defense costs and indemnity payments, the duration of which would be subject to the scope of damage awards and settlements paid. We also may incur significant litigation costs in defending these matters in the future. We may be required to incur additional defense costs and pay damage awards or settlements or become subject to equitable remedies that could adversely affect our businesses.

Our business may be materially and adversely affected by compliance obligations and liabilities under environmental laws and regulations.

We are subject to federal, state, local and foreign environmental laws and regulations which impose limitations on the discharge of pollutants into the ground, air and water and establish standards for the generation, treatment, use, storage and disposal of solid and hazardous wastes, and remediation of contaminated sites. We may be legally or contractually responsible or alleged to be responsible for the investigation and remediation of contamination at various sites, and for personal injury or property damages, if any, associated with such contamination. We have been named as potentially responsible parties under CERCLA (the federal Superfund law) or similar state laws in several sites requiring clean-up related to disposal of wastes we generated. These laws generally impose liability for costs to investigate and remediate contamination without regard to fault and under certain circumstances liability may be joint and several resulting in one responsible party being held responsible for the entire obligation. Liability may also include damages to natural resources. We have entered into consent decrees relating to two sites in California along with the many other co-defendants in these matters. We have incurred substantial expenses for each of these sites over a number of years, a portion of which has been covered by insurance. In addition to the foregoing, our businesses have incurred and likely will continue to incur expenses to investigate and clean up existing and former

[Table of Contents](#)

company-owned or leased property, including those properties made the subject of sale-leaseback transactions for which we have provided environmental indemnities to the lessors. Additional sites may be identified at which we are a potentially responsible party under the federal Superfund law or similar state laws. We must also comply with various health and safety regulations in the U.S. and abroad in connection with our operations.

We believe that our business, operations and facilities are being operated in compliance in all material respects with applicable environmental and health and safety laws and regulations, many of which provide for substantial fines and criminal sanctions for violations. Based on information presently known to us and accrued environmental reserves, we do not expect environmental costs or contingencies to have a material adverse effect on us. The operation of manufacturing plants entails risks in these areas, however, and we may incur material costs or liabilities in the future that could adversely affect us. There can be no assurance that we have been or will be at all times in substantial compliance with environmental health and safety laws. Failure to comply with any of these laws could result in civil, criminal, monetary and non-monetary penalties and damage to our reputation. In addition, potentially material expenditures could be required in the future. For example, we may be required to comply with evolving environmental and health and safety laws, regulations or requirements that may be adopted or imposed in the future or to address newly discovered information or conditions that require a response.

Our growth strategy includes the impact of acquisitions. If we are unable to identify attractive acquisition candidates, successfully integrate acquired operations or realize the intended benefits of our acquisitions, we may be adversely affected.

One of our principal growth strategies is to pursue strategic acquisition opportunities. Since our separation from Metaldyne in June 2002, we have completed fifteen acquisitions. Each of these acquisitions required integration expense and actions that negatively impacted our results of operations and that could not have been fully anticipated beforehand. In addition, attractive acquisition candidates may not be identified and acquired in the future, financing for acquisitions may be unavailable on satisfactory terms and we may be unable to accomplish our strategic objectives in effecting a particular acquisition. We may encounter various risks in acquiring other companies, including the possible inability to integrate an acquired business into our operations, diversion of

management's attention and unanticipated problems or liabilities, some or all of which could materially and adversely affect our business strategy and financial condition and results of operations.

We have significant operating lease obligations and our failure to meet those obligations could adversely affect our financial condition.

We lease many of our manufacturing facilities and certain capital equipment. Our annualized rental expense in 2010 under these operating leases was approximately \$15.4 million. A failure to pay our rental obligations would constitute a default allowing the applicable landlord to pursue any remedy available to it under applicable law, which would include taking possession of our property and, in the case of real property, evicting us. These leases are categorized as operating leases and are not considered indebtedness for purposes of our debt instruments.

We may be subject to further unionization and work stoppages at our facilities or our customers may be subject to work stoppages, which could seriously impact the profitability of our business.

As of December 31, 2010, approximately 28% of our work force in our continuing operations was unionized under several different unions and bargaining agreements. If our unionized workers were to engage in a strike, work stoppage or other slowdown in the future, we could experience a significant disruption of our operations.

[Table of Contents](#)

In addition, if a greater percentage of our work force becomes unionized, our labor costs and risks associated with strikes, work stoppages or other slowdowns may increase.

On July 10, 2009, we reached a mutually agreeable settlement with the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union ("Union") regarding the duration of a neutrality agreement we have with the Union. The agreement commits us to remain generally neutral in Union organizing drives through the duration of the agreement. On August 17, 2009, the Union began an organizing drive under the terms of the neutrality agreement at our facility located in Houston, Texas, which is included in our Energy segment. Since the Union obtained a simple majority of authorization cards during the organizing drive, on November 4, 2009 we recognized the Union at this facility. The recognition requires us and the Union to negotiate a first collective bargaining agreement within 180 days from the date of recognition. Under the neutrality agreement, there is no threat of strike or work slowdown during the first collective bargaining agreement. On December 10, 2009, we received a notice of filing petition for union decertification at the Houston, Texas facility. A decertification vote administered by the National Labor Relations Board occurred on August 26, 2010, however, those ballots were impounded in light of the Union's previously filed request for review. The matter is still pending with the National Labor Relations Board.

On December 4, 2009, we received a notice of filing petition for union representation election filed by the International Association of Machinists and Aerospace workers with regard to our Engineered Components facility located in Plymouth, Massachusetts. On January 15, 2010, a vote was held according to the rules of the National Labor Relations Board. The union was unsuccessful in receiving the simple majority of the required votes; therefore, the Plymouth, Massachusetts facility remains union free.

Other than as described above, we are not aware of any present active union organizing drives at any of our other facilities. We cannot predict the impact of any further unionization of our workplace.

Many of our direct or indirect customers have unionized work forces. Strikes, work stoppages or slowdowns experienced by these customers or their suppliers could result in slowdowns or closures of assembly plants where our products are included. In addition, organizations responsible for shipping our customers' products may be impacted by occasional strikes or other activity. Any interruption in the delivery of our customers' products could reduce demand for our products and could have a material adverse effect on us.

Our healthcare costs for active employees and future retirees may exceed our projections and may negatively affect our financial results.

We maintain a range of healthcare benefits for our active employees and a limited number of retired employees pursuant to labor contracts and otherwise. Healthcare benefits for active employees and certain retirees are provided through comprehensive hospital, surgical and major medical benefit provisions or through health maintenance organizations, all of which are subject to various cost-sharing features. Some of these benefits are provided for in fixed amounts negotiated in labor contracts with the respective unions. If our costs under our benefit programs for active employees and retirees exceed our projections, our business and financial results could be materially adversely affected. Additionally, foreign competitors and many domestic competitors provide fewer benefits to their employees and retirees, and this difference in cost could adversely impact our competitive position.

A growing portion of our sales may be derived from international sources, which exposes us to certain risks which may adversely affect our financial results and impact our ability to service debt.

[Table of Contents](#)

Approximately 17.6% of our net sales for the year ended December 31, 2010 were derived from sales by our subsidiaries located outside of the U.S. We may significantly expand our international operations through internal growth and acquisitions. Sales outside of the U.S., particularly sales to emerging markets, and manufacturing in non-US countries are subject to various other risks which are not present within U.S. markets, including governmental embargoes or foreign trade restrictions such as anti-dumping duties, changes in U.S. and foreign governmental regulations, tariffs and other trade barriers, the potential for nationalization of enterprises, foreign exchange risk and other political, economic and social instability. In addition, there are tax inefficiencies in repatriating cash flow from non-U.S. subsidiaries that could affect our financial results and reduce our ability to service debt.

Our stock price may be subject to significant volatility due to our own results or market trends.

If our revenue, earnings or cash flows in any quarter fail to meet the investment community's expectations, there could be an immediate negative impact on our stock price. Our stock price could also be impacted by broader market trends and world events unrelated to our performance.

Risks Related to Our Common Stock

Future sales of our common stock in the public market could cause our stock price to fall.

Sales of a substantial number of shares of our common stock in the public market, or the perception that these sales might occur, could depress the market price of our common stock and could impair our ability to raise capital through the sale of additional equity securities. We have 400,000,000 shares of common stock authorized for issuance under our certificate of incorporation and 34,065,856 shares of common stock outstanding as of December 31, 2010. All of the shares of common stock sold in this offering will be freely tradeable without restrictions or further registration under the Securities Act. In addition, certain parties to our shareholders agreement have the right, subject to the limitations in the shareholders agreement, to exercise certain piggyback registration rights in connection with other registered offerings. Substantial sales by Heartland or the perception that these sales will occur may materially and adversely affect the price of our common stock.

If we sell or issue additional shares of common stock to finance future acquisitions, your stock ownership could be diluted.

Part of our growth strategy is to expand into new markets and enhance our position in existing markets through acquisitions. In order to successfully complete acquisitions we may target or fund our other activities, we may issue additional equity securities that could be dilutive to our earnings per share and to your stock ownership. The timing and quantity of the shares of our common stock that will be sold may have a negative impact on the market price of our common stock. Sales of substantial amounts of our common stock (including shares issued upon the exercise of stock options or in connection with acquisition financing), or the perception that such sales could occur, may materially and adversely affect prevailing market prices for our common stock.

Possible volatility in our stock price could negatively affect our stockholders.

The trading price of our common stock may be volatile in response to a number of factors, many of which are beyond our control, including actual or anticipated variations in quarterly financial results; changes in financial estimates or recommendations by securities analysts; changes in accounting standards, policies, guidance, interpretations or principles; sales of common stock by us or members of our management team; and announcements by our competitors of significant acquisitions, strategic partnerships, joint ventures or capital commitments. In addition, our financial results may be below the expectations of securities analysts and investors. If this were to occur, the market price of our common stock could decrease, possibly significantly.

[Table of Contents](#)

In addition, the U.S. securities markets have experienced significant price and volume fluctuations. These fluctuations often have been unrelated to the operating performance of companies in these markets. Broad market and industry factors may negatively affect the price of our common stock, regardless of our operating performance. In the past, following periods of volatility in the market price of an individual company's securities, securities class action litigation often has been instituted against that company. The institution of similar litigation against us could result in substantial costs and a diversion of our management's attention and resources, which could negatively affect our financial results.

Heartland owns approximately 33.9% of our voting common equity.

Heartland Industrial Partners ("Heartland") beneficially owns approximately 33.9% of our outstanding voting common equity. As a result, Heartland has the power to substantially influence all matters submitted to our stockholders, exercise significant influence over our decisions to enter into any corporate transaction and any transaction that requires the approval of stockholders regardless of whether other stockholders believe that any such transactions are in their own best interests. For example, Heartland could cause us to make acquisitions that increase the amount of our indebtedness, sell revenue-generating assets or cause us to undergo a "going private" transaction with it or one of its affiliates based on its ownership without a legal requirement of unaffiliated shareholder approval. In addition, Heartland has the power to control the election of a majority of our directors. So long as Heartland continues to own a significant amount of the outstanding shares of our common stock, it will continue to be able to strongly influence or effectively control our decisions. Its interests may differ from other stockholders and it may vote in a way with which other stockholders disagree. In addition, this concentration of ownership may have the effect of preventing, discouraging or deterring a change of control. One of our directors is the Managing Member of Heartland's general partner.

We are party to certain transactions with Heartland and its affiliates which may continue in the future.

While we have no current plans with respect to additional related party transactions with Heartland or its affiliates, apart from those existing and ordinary course matters we may enter into such transactions in the future. Our debt instruments currently require that, principles of corporate law may recommend that and we intend to, enter into such transactions only on arm's length third party terms. However, we cannot assure you that, should we enter into any such transactions, they would not be detrimental to us and to shareholders other than the relevant affiliated party or that there will be relevant arm's length third party transactions to which we may compare.

Provisions of Delaware law, our certificate of incorporation and by-laws, could delay or prevent a change in control of our company, which could adversely impact the value of our common stock.

Our certificate of incorporation and by-laws contain provisions that could make it more difficult for a third party to acquire us, even if doing so might be beneficial to our shareholders. Our certificate of incorporation and by-laws impose various procedural and other requirements, which could make it more difficult for shareholders to effect certain corporate actions. For example, our certificate of incorporation authorizes our Board of Directors to determine the rights, preferences, privileges and restrictions of an unissued series of preferred stock, without any vote or action by our shareholders. Thus, our Board of Directors is able to authorize and issue shares of preferred stock with voting or conversion rights that could adversely affect the voting or other rights of holders of our common stock. Additional provisions include the sole power of our Board of Directors to fix the number of directors, limitations on the removal of directors, the sole power of our Board of Directors to fill any vacancy on our board, whether such vacancy occurs as a result of an increase in the number of directors or otherwise, and the inability of shareholders to act by written consent to call special meetings. These rights may have the effect of delaying or deterring a change of control of our company. In addition, a change of control of our company may be delayed or deterred as a result of our having three classes of directors. These provisions could limit the price that certain investors might be willing to pay in the future for shares of our common stock. See "Description of Capital Stock."

We have no plans to pay regular dividends on our common stock, so you may not receive funds without selling your common stock.

We have not declared or paid cash dividends on our common stock since becoming a stand-alone entity in June 2002 and we do not anticipate paying any cash dividends on our common stock in the foreseeable future. In

[Table of Contents](#)

addition, restrictions in our credit facility and our indenture governing the notes restrict our ability to pay dividends. We currently intend to retain future earnings, if any, to finance our business and growth strategies. Any decision to declare and pay dividends in the future will be made at the discretion of our Board of Directors and will depend on, among other things, our results of operations, cash requirements, financial condition, contractual restrictions and other factors that our Board of Directors may deem relevant.

We do not undertake any obligation to review or confirm analysts’ expectations or estimates or to release publicly any revisions to any forward-looking statement to reflect events or circumstances after the date of this report or to reflect the occurrence of unanticipated events.

We disclose important factors that could cause our actual results to differ materially from our expectations under “Risk factors” and elsewhere in this prospectus or any documents we incorporate by reference herein or therein. These cautionary statements qualify all forward-looking statements attributed to us or persons acting on our behalf. When we indicate that an event, condition or circumstance could or would have an adverse effect on us, we mean to include effects upon our business, financial and other condition, results of operations, prospects and ability to service our debt. Additional risks and uncertainties not currently known to us or that we currently deemed to be immaterial also may materially adversely affect our business, financial position and results of operations or cash flows.

Risks and uncertainties that could cause actual results to vary materially from those anticipated in the forward-looking statements included in this prospectus include general economic conditions in the markets in which we operate and industry-related factors such as:

- We have a history of net losses;
- Our businesses depend upon general economic conditions and we serve some customers in highly cyclical industries; as such we are subject to the loss of sales and margins due to an economic downturn or recession;
- Many of the markets we serve are highly competitive, which could limit the volume of products that we sell and reduce our operating margins;
- Increases in our raw material or energy costs or the loss of critical suppliers could adversely affect our profitability and other financial results;
- We may be unable to successfully implement our business strategies. Our ability to realize our business strategies may be limited;
- Our products are typically highly engineered or customer driven and we are subject to risks associated with changing technology and manufacturing techniques that could place us at a competitive disadvantage;
- We depend on the services of key individuals and relationships, the loss of which could materially harm us;

- We have substantial debt and interest payment requirements that may restrict our future operations and impair our ability to meet our obligations;
- Restrictions in our debt instruments and accounts receivable facility limit our ability to take certain actions and breaches thereof could impair our liquidity;
- We have significant goodwill and intangible assets, and future impairment of our goodwill and intangible assets could have a material negative impact on our financial results;

- We may face liability associated with the use of products for which patent ownership or other intellectual property rights are claimed;
- We may be unable to adequately protect our intellectual property;
- We may incur material losses and costs as a result of product liability, recall and warranty claims that may be brought against us;
- Our business may be materially and adversely affected by compliance obligations and liabilities under environmental laws and regulations;
- Our growth strategy includes the impact of acquisitions. If we are unable to identify attractive acquisition candidates, successfully integrate acquired operations or realize the intended benefits of our acquisitions, we may be adversely affected;
- We have significant operating lease obligations and our failure to meet those obligations could adversely affect our financial condition;
- We may be subject to further unionization and work stoppages at our facilities or our customers may be subject to work stoppages, which could seriously impact the profitability of our business;
- Our healthcare costs for active employees and future retirees may exceed our projections and may negatively affect our financial results;
- A growing portion of our sales may be derived from international sources, which exposes us to certain risks which may adversely affect our financial results and impact our ability to service debt;
- Our stock price may be subject to significant volatility due to our own results or market trends;
- Future sales of our common stock in the public market could cause our stock price to fall;
- If we sell or issue additional shares of common stock to finance future acquisitions, your stock ownership could be diluted;
- Possible volatility in our stock price could negatively affect our stockholders;
- Heartland has the power to substantially influence all matters submitted to our stockholders and exercise significant influence over our decisions;

USE OF PROCEEDS

Unless otherwise indicated in a prospectus supplement, we intend to use the net proceeds that we receive from the sale of any securities by us covered by this prospectus for general corporate purposes including the reduction of outstanding indebtedness, acquisitions, capital expenditures and working capital and any other purposes that we specify in the applicable prospectus supplement.

We will not receive any proceeds from the sale of the shares of our common stock by the Selling Stockholder. We have been advised by the Selling Stockholder that the shares they may sell under this prospectus would be sold, if at all, in order to provide liquidity to the Selling Stockholder's investors.

RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth our ratio of earnings to fixed charges for each of the periods indicated:

	Fiscal year Ended December 31,				
	2006	2007	2008	2009	2010
Ratio of earnings to fixed charges (1)	n/a	n/a	n/a	1.3x	2.1x

- (1) For purposes of calculating the ratio of earnings to fixed charges, earnings represents income (loss) from continuing operations before income taxes plus fixed charges. Fixed charges include interest expense, including amortization of deferred financing costs and debt extinguishment costs, and the portion of operating rental expense which management believes is representative of the interest component of rent expense (assumed to be 33%). For the years ended December 31, 2008, 2007 and 2006, additional earnings of \$123.6 million, \$174.9 million, and \$110.6 million, respectively, would have been required to make the ratio 1.0x.

[Table of Contents](#)

DESCRIPTION OF OUR CAPITAL STOCK

The following is a description of the material terms of our amended and restated certificate of incorporation and bylaws. We refer to our certificate of incorporation as so amended as our certificate of incorporation. The certificate of incorporation, authorizes us to issue 400,000,000 shares of common stock, par value \$0.01 per share, and 100,000,000 shares of preferred stock, par value \$0.01 per share.

Common Stock

As of December 31, 2010, there were outstanding 34,065,856 shares of common stock held of record by 601 stockholders and there were no shares of preferred stock issued and outstanding. In addition, there were 1,742,086 shares of common stock reserved for issuance upon exercise of outstanding stock options, of which 925,182 were vested. The holders of common stock are entitled to one vote per share on all matters to be voted on by the stockholders. Accordingly, holders of a majority of the shares of common stock entitled to vote in any election of directors may elect all of the directors standing for election. Holders of common stock are entitled to receive ratably such dividends as may be declared by the Board of Directors out of funds legally available therefor. Our credit facilities and the indenture governing the notes impose restrictions on our ability to pay dividends on common stock. In the event of our liquidation, dissolution or winding up, holders of common stock are entitled to share ratably in all assets remaining after payment of liabilities and the liquidation preferences of any outstanding shares of preferred stock. Holders of our common stock have no preemptive, subscription, redemption or conversion rights. There are no redemption or sinking fund provisions applicable to the common stock. All outstanding shares of common stock are fully paid and nonassessable.

Preferred Stock

As of December 31, 2010, there were no outstanding shares of preferred stock. Our certificate of incorporation authorizes the Board of Directors, subject to limitations prescribed by law, to issue up to 100,000,000 shares of preferred stock in one or more series and to fix the rights, preferences, privileges, qualifications and restrictions granted to or imposed upon such preferred stock, including dividend rights, dividend rates, conversion rights, voting rights (which may be greater than one vote per share), rights and terms of redemption, sinking fund provisions for the redemption or purchase of the shares and liquidation preference, any or all of which may be greater than the rights of the common stock. The issuance of preferred stock could:

- adversely affect the voting power of holders of common stock and reduce the likelihood that such holders will receive dividend payments and payments upon liquidation;
- decrease the market price of our common stock; or
- delay, deter or prevent a change in our control.

We have no current plans to issue any shares of preferred stock although they may be issued in the future.

The purpose of authorizing our Board of Directors to issue preferred stock and determine its rights and preferences is to eliminate delays associated with a shareholder vote on specific issuances. The issuance of preferred stock, while providing desirable flexibility in connection with possible acquisitions and other corporate purposes, could have the effect of making it more difficult for a third party to acquire, or of discouraging a third party from attempting to acquire, a majority of our outstanding voting stock. The existence of the authorized but undesignated preferred stock may have a depressive effect on the market price of our common stock.

Shareholders Agreement

Heartland and other investors are parties to a shareholders agreement regarding their ownership of our common stock.

[Table of Contents](#)

Anti-Takeover Effects of Delaware Law and Our Certificate of Incorporation and By-laws

Delaware Law

We have elected to opt out of the provisions of Section 203 of the Delaware General Corporation Law. In general, Section 203 prohibits a public Delaware corporation from engaging in a “business combination” with an “interested stockholder” for a period of three years after the date of the transaction in which the person became an interested stockholder, unless either the person becoming an interested stockholder or the business combination is approved in a prescribed manner. A “business combination” includes mergers, asset sales or other transactions resulting in a financial benefit to the stockholder. An “interested stockholder” is a person who, together with affiliates and associates, owns, or within three years, did own, 15.0% or more of the corporation’s voting stock.

Certificate of Incorporation and By-law Provisions

Certain provisions of our certificate of incorporation and by-laws may have the effect of making it more difficult for a third party to acquire, or of discouraging a third party from attempting to acquire, control of us. Such provisions could limit the price that certain investors might be willing to pay in the future for shares of our common stock and may limit the ability of stockholders to remove current management or directors or approve transactions that stockholders may deem to be in their best interest and, therefore, could adversely affect the price of our common stock.

Classified Board. Our certificate of incorporation provides that our Board of Directors will be divided into three classes of directors, with the classes to be as nearly equal in number as possible. As a result, approximately one-third of our Board of Directors will be elected each year. The classification of directors will have the effect of making it more difficult for stockholders to change the composition of our board. Our certificate of incorporation and the by-laws provide that subject to any rights of holders of preferred stock to elect additional directors under specified circumstances, the number of directors will be fixed from time to time exclusively pursuant to a resolution adopted by the board, but must consist of not less than three or more than fifteen directors.

Under the Delaware General Corporation Law, unless otherwise provided in our certificate of incorporation, directors serving on a classified board may be removed by the stockholders only for cause.

No Cumulative Voting. The Delaware General Corporation Law provides that stockholders are not entitled to the right to cumulate votes in the election of directors unless our certificate of incorporation provides otherwise. Our certificate of incorporation does not expressly provide for cumulative voting. Under cumulative voting, a majority stockholder holding a sufficient percentage of a class of shares may be able to ensure the election of one or more directors.

Advance Notice Requirements for Stockholder Proposals and Director Nominations. Our by-laws provide that stockholders seeking to nominate candidates for election as directors or to bring business before an annual meeting of stockholders must provide timely notice of their proposal in writing to the corporate secretary. Generally, to be timely, a stockholder's notice must be received at our principal executive offices not less than 90 nor more than 120 days prior to the first anniversary of the previous year's annual meeting. Our by-laws also specify requirements as to the form and content of a stockholder's notice. These provisions may impede stockholders' ability to bring matters before an annual meeting of stockholders or make nominations for directors at an annual meeting of stockholders.

No Action by Written Consent; Special Meeting. Our certificate of incorporation and by-laws provide that any action required or permitted to be taken by our stockholders must be effected at a duly called annual or special meeting of stockholders and may not be effected by any consent in writing. In addition, our by-laws provide that special meetings of our stockholders may be called only by the Board of Directors or the chairman of the Board of Directors.

Authorized but Undesignated Stock. The authorization of undesignated preferred stock makes it possible for the Board of Directors to issue preferred stock with voting or other rights or preferences that could impede the

[Table of Contents](#)

success of any attempt to change control of us or otherwise render more difficult or discourage an attempt to obtain control of our company by means of a merger, tender offer, proxy contest or otherwise, and thereby protect the continuity of our management and possibly deprive the stockholders of opportunities to sell their shares of common stock at prices higher than prevailing market prices.

Limitation of Liability and Indemnification

Our certificate of incorporation contains provisions that limit the personal liability of each of our directors for monetary damages for breach of fiduciary duty as a director, except for liability

- (a) for any breach of a director's duty of loyalty to us or our affiliates or our stockholders,
- (b) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law,
- (c) under Section 174 of the DGCL, or
- (d) for any transaction from which the director derived an improper personal benefit.

The inclusion of this provision in our certificate of incorporation may have the effect of reducing the likelihood of derivative litigation against directors, and may discourage or deter stockholders or management from bringing a lawsuit against directors for breach of their duty of care, even though such an action, if successful, might otherwise have benefited us and our stockholders. Our by-laws allow us to indemnify our directors, officers, employees and agents to the fullest extent permitted by the DGCL.

Our certificate of incorporation further provides that we will indemnify and hold harmless each person who was or is made a party or is threatened to be made a party to or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was a director or officer of ours, whether the basis of such proceeding is alleged action in an official capacity as a director or officer or in any other capacity while serving as a director or officer, to the fullest extent permitted by the Delaware General Corporation Law. This right of indemnification shall include the right to have paid by us the expenses, including attorneys' fees, incurred in defending any such proceeding in advance of its final disposition. If Delaware law so requires, however, the advancement of such expenses incurred by a director or officer in such person's capacity as a director or officer (and not in any other capacity in which service was or is rendered by such person) will only be made upon the delivery to us of an undertaking by or on behalf of such person to repay all amounts so advanced if it shall ultimately be determined by final judicial decision, from which there is no further right to appeal, that such person is not entitled to be indemnified for such expenses by us.

We have entered into indemnity agreements with our directors and certain of our executive officers for the indemnification and advancement of expenses to these persons. We believe that these provisions and agreements are necessary to attract and retain qualified directors and executive officers. We also intend to enter into these agreements with our future directors and certain of our executive officers. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling our company pursuant to the foregoing provisions, we have been informed that, in the opinion of the Commission, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

There is currently no pending material litigation or proceeding involving any director, executive officer, employee or agent where indemnification will be required or permitted. We are not aware of any threatened litigation or proceeding that might result in a claim for such indemnification.

DESCRIPTION OF DEBT SECURITIES AND GUARANTEES

The following description discusses the general terms and provisions of the debt securities that we may offer under this prospectus. The debt securities may be issued as senior debt securities or subordinated debt securities. The indebtedness represented by the senior debt securities will rank equally with all of our other unsecured and unsubordinated debt. The indebtedness represented by the subordinated debt securities will rank junior and be subordinate in right of payment to the prior payment in full of our senior debt, to the extent and in the manner set forth in the applicable prospectus supplement for the securities.

The senior debt securities and the subordinated debt securities will be issued under separate indentures between us and one or more U.S. banking institutions. The trustee for each series of our debt securities will be identified in the applicable prospectus supplement. We may refer to the indenture covering the senior debt securities as the “senior indenture” and the indenture covering the subordinated debt securities as the “subordinated indenture.” Together the senior indenture and the subordinated indenture are called “indentures.”

The forms of the indentures are filed as exhibits to the registration statement of which this prospectus is a part. The indentures are subject to and governed by the Trust Indenture Act of 1939, or the Trust Indenture Act, and may be supplemented or amended from time to time following their execution. We have not yet selected a trustee for either of the indentures, and we have not yet executed either indenture. Prior to issuing any debt securities, we will be required to select a trustee for the applicable indenture or indentures, qualify the trustee or trustees under the Trust Indenture Act and execute the applicable indenture or indentures.

The form of each indenture gives us broad authority to set the particular terms of each series of debt securities, including the right to modify certain of the terms contained in the indenture. The particular terms of a series of debt securities and the extent, if any, to which the particular terms of the issue modify the terms of the applicable form of indenture will be described in the prospectus supplement relating to such series of debt securities.

The following summary describes selected provisions of the indentures. This summary does not describe every aspect of the debt securities or the applicable indenture and is subject to, and qualified in its entirety by reference to, all the provisions of the applicable indenture, including the terms defined in the applicable indenture. We urge you to read the applicable indenture in its entirety. This summary is also subject to, and qualified in its entirety by reference to, the description of the particular debt securities in the applicable prospectus supplement.

General

The indentures provide that we will be able to issue an unlimited aggregate principal amount of debt securities under each indenture, in one or more series, and in any currency or currency units. We are not required to issue all debt securities of one series at the same time and, unless otherwise provided, we may reopen a series, without the consent of the holders of the debt securities of that series, for issuances of additional debt securities of that series.

Prior to the issuance of each series of debt securities, the terms of the particular securities will be specified in a supplemental indenture or a resolution of our board of directors or in one or more officer’s certificates pursuant to a board resolution. We will describe in the applicable prospectus supplement the terms of the debt securities being offered, including:

- the title, and the price at which we will sell, the offered debt securities;
- whether the offered debt securities are senior debt securities or subordinated debt securities;
- the aggregate principal amount of the offered debt securities;
- the date or dates on which principal will be payable or how to determine such date or dates;
- the rate or rates or method of determination of interest;

[Table of Contents](#)

- the date from which interest will accrue;
- the dates on which interest will be payable and any record dates for the interest payable on the interest payment dates;
- the place of payment on the offered debt securities;
- any obligation or option we have to redeem, purchase or repay the offered debt securities, or any option of the registered holder to require us to redeem or repurchase offered debt securities, and the terms and conditions upon which the offered debt securities will be redeemed, purchased or repaid;
- the currency or currencies, including composite currencies or currency units, in which payment of the principal of (or premium, if any) or interest, if any, on any of the offered debt securities will be payable if other than the currency of the United States of America;
- any index, formula or other method used to determine the amount of principal, premium, if any, or interest;
- the terms and conditions upon which payment on the offered debt securities may change;
- whether the offered debt securities are defeasible;
- any addition to or change in the events of default;
- any addition to or change in the covenants in the applicable indenture;
- the terms of any right to convert the offered debt securities into common shares; and
- any other terms of the offered debt securities not inconsistent with the provisions of the applicable indenture.

If the offered debt securities are denominated in whole or in part in any currency other than U.S. dollars, if the principal of (and premium, if any) or interest, if any, on the offered debt securities are to be payable in a currency or currencies other than that in which the debt securities are to be payable, or if any index is used to determine the amount of payments of principal of (and premium, if any) or interest on any series of the debt securities, material federal income tax, accounting and other considerations applicable thereto will be described in the applicable prospectus supplement.

If so provided in the applicable prospectus supplement, we may issue our debt securities at a discount below their principal amount and pay less than the entire principal amount of our debt securities upon declaration of acceleration of their maturity. The applicable prospectus supplement will describe all material federal income tax, accounting and other considerations applicable to any such original issue discount securities.

The general provisions of the indentures do not contain any provisions that would limit our ability or the ability of our subsidiaries to incur indebtedness or that would afford holders of our debt securities protection in the event of a highly leveraged or similar transaction involving us or any of our subsidiaries. Please refer to the applicable prospectus supplement for information with respect to any deletions from, modifications of or additions to, the events of default described below that are applicable to the offered debt securities or any covenants or other provisions providing event risk or similar protection.

[Table of Contents](#)

Payment

Unless we state otherwise in the applicable prospectus supplement, we will pay interest on a debt security on each interest payment date to the person in whose name the debt security is registered as of the close of business on the regular record date relating to the interest payment date.

Unless we state otherwise in the applicable prospectus supplement, we will pay principal of and any premium on the debt securities at stated maturity, upon redemption or otherwise, upon presentation of the debt securities at the office of the applicable trustee, as our paying agent, or at other designated places. Any other paying agent initially designated for the debt securities of a particular series will be identified in the applicable prospectus supplement.

Form, Transfers and Exchanges

The debt securities of each series will be issued only in fully registered form, without interest coupons. Unless we state otherwise in the applicable prospectus supplement, the debt securities will be issued in denominations of \$1,000 each or multiples thereof.

Subject to the terms of the applicable indenture and the limitations applicable to global securities, you may exchange or transfer debt securities at the corporate trust office of the trustee or at any other office or agency maintained by us for that purpose, without the payment of any service charge, except for any tax or governmental charge.

Global Securities

The debt securities of any series may be issued, in whole or in part, by one or more global certificates that will be deposited with the depository identified in the applicable prospectus supplement.

No global security may be exchanged in whole or in part for the debt securities registered in the name of any person other than the depository for that global security or any nominee of that depository except in the following circumstances or as otherwise provided in the applicable prospectus supplement. The depository may discontinue providing its services as depository with respect to the securities at any time by giving reasonable notice to us or the applicable trustee. Under such circumstances, in the event that a successor depository is not obtained, certificates are required to be printed and delivered. In

addition, we may decide to discontinue use of the system of book-entry-only transfers through a depository. In that event, certificates will be printed and delivered to the depository.

Unless otherwise stated in any prospectus supplement, The Depository Trust Company, or DTC, will act as depository. Beneficial interests in global certificates will be shown on, and transfers of global certificates will be effected only through records maintained by DTC and its participants.

Events of Default

Unless otherwise specified in the applicable prospectus supplement, an event of default occurs with respect to debt securities of any series if:

- we do not pay any interest on any debt securities of the applicable series within 30 days of the due date (following any deferral allowed under the terms of the debt securities and elected by us);
- we do not pay principal or premium, if any, on any debt securities of the applicable series at maturity;
- we do not deposit any sinking fund payment when due by the terms of the applicable debt securities;
- we default in the performance, or are in breach, of a covenant or warranty of the applicable indenture (other than a covenant or warranty a default in whose performance or whose breach is elsewhere specifically dealt with or which expressly has been included in the applicable indenture solely for the benefit

[Table of Contents](#)

of debt securities other than that series), and such default or breach continues for a period of 60 days after there has been given by registered or certified mail, to us by the applicable trustee or to us and the applicable trustee by the holders of at least 25% of the principal amount of debt securities of the affected series, a written notice specifying such default or breach and requiring it to be remedied;

- certain events of bankruptcy, insolvency, receivership or reorganization with respect to us occur; or
- any other event of default provided with respect to debt securities of that series occurs.

No event of default with respect to a series of debt securities necessarily constitutes an event of default with respect to the debt securities of any other series issued under the indentures.

Each indenture requires us to file annually with the applicable trustee an officers' certificate as to our compliance with all conditions and covenants under the applicable indenture. Each indenture provides that the applicable trustee may withhold notice to the holders of a series of debt securities of any default, except payment defaults on those debt securities, if it considers such withholding to be in the interest of the holders of that series of debt securities.

If an event of default occurs and is continuing with respect to any series of debt securities, then either the applicable trustee or the holders of not less than 25% in principal amount of the outstanding debt securities of that series may declare the principal amount, or, if any debt securities of that series are original issue discount securities, that portion of the principal amount of those original issue discount securities as may be specified in the terms of those original issue discount securities, of all of the debt securities of that series to be due and payable immediately, by a notice in writing to us, and to the applicable trustee if given by the holders, and upon any such declaration that principal amount, or specified amount, plus accrued and unpaid interest, and premium, if any, will become immediately due and payable. Upon payment of that amount in the currency in which the debt securities are denominated (except as otherwise provided in the applicable indenture or the applicable prospectus supplement), all of our obligations in respect of the payment of principal of the debt securities of that series will terminate.

After a declaration of acceleration has been made and before the trustee has obtained a judgment or decree for payment of the money due on any series of debt securities, the holders of not less than a majority in aggregate principal amount of the outstanding debt securities of that series, by written notice to us and the applicable trustee, may rescind and annul the declaration and its consequences, subject to any terms or conditions specified in the applicable prospectus supplement.

If an event of default results from bankruptcy, insolvency or reorganization, the principal amount of all the debt securities of a series, or that portion of the principal amount of such debt securities as may be specified in the applicable prospectus supplement, will automatically become immediately due and payable.

Subject to the provisions of each indenture relating to the duties of the applicable trustee, in case an event of default with respect to our debt securities of a particular series occurs and is continuing, the applicable trustee will be under no obligation to exercise any of its rights or powers under that indenture at the request, order or direction of any of the holders of debt securities of that series, unless the holders have offered to the applicable trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in complying with such request or direction. Subject to the provisions for the indemnification of the applicable trustee, the holders of a majority in principal amount of the outstanding debt securities of that series will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the applicable trustee under the applicable indenture, or exercising any trust or power conferred on the applicable trustee with respect to the debt securities of that series.

Merger or Consolidation

Each indenture provides that we may not consolidate with or merge or wind up into any other entity, whether or not we are the surviving entity, and that we may not sell, assign, convey, transfer or lease our properties and assets substantially as an entirety to any person, unless:

- the entity formed by the consolidation or into which we are merged, or the person which acquires us or which leases our properties and assets substantially as an entirety, is an entity organized and existing under the laws of the United States of America or any State or territory of the United States or the District of Columbia, and expressly assumes, by supplemental indenture, the due and punctual payment of the principal of (and premium, if any) and interest on all the outstanding debt securities and the performance of all of our covenants under the applicable indenture;
- immediately after giving effect to such transaction, no event of default under the applicable indenture, and no event which after notice or lapse of time or both would become an event of default, has happened and is continuing; and
- all other conditions specified in the applicable prospectus supplement are met.

Modification or Waiver

Without prior notice to or the consent of any holders, we and the applicable trustee may modify the applicable indenture for any of the following purposes:

- to evidence the succession of another entity to us and the assumption by that successor of our covenants and obligations under the applicable indenture and under our debt securities issued thereunder;
- to add one or more covenants or other provisions for the benefit of the holders of all or any series of debt securities, and if those covenants are to be for the benefit of less than all series, stating that those covenants are expressly being included solely for the benefit of that series, or to surrender any right or power conferred upon us;
- to add any additional events of default for all or any series of debt securities, and if those events of default are to be applicable to less than all series, stating that those events of default are expressly being included solely to be applicable to that series;
- to change or eliminate any provision of the applicable indenture or to add any new provision to the applicable indenture that does not adversely affect the interests of the holders;
- to provide security for the debt securities of any series or to provide that any of our obligations under the debt securities or the applicable indenture shall be guaranteed and the terms and conditions for the release or substitution of the security or guarantee;
- to supplement any of the provisions of the applicable indenture to the extent necessary to permit or facilitate the defeasance and discharge of any series of debt securities, provided, that any such action will not adversely affect the interests of the holders of debt securities of that series or any other series of debt securities issued under the applicable indenture in any material respect;
- to establish the form or terms of debt securities of any series as permitted by the applicable indenture;
- to evidence and provide for the acceptance of appointment of a separate or successor trustee with respect to one or more series of debt securities and to add to or change any of the provisions of the applicable indenture as is necessary to provide for or facilitate the administration of the trusts thereunder by more than one trustee;
- to cure any ambiguity, defect or inconsistency;
- to eliminate any conflict between the terms of the applicable indenture and the debt securities issued thereunder and the Trust Indenture Act; or

[Table of Contents](#)

- to modify any other provisions with respect to matters or questions arising under the applicable indenture that will not be inconsistent with any provision of the applicable indenture, provided, those other provisions do not adversely affect the interests of the holders of our outstanding debt securities of any series created thereunder prior to such modification in any material respect.

We and the applicable trustee may, with some exceptions, amend or modify either indenture with the consent of the holders of at least a majority in aggregate principal amount of the outstanding debt securities of all series affected by the amendment or modification. However, no amendment or modification may, without the consent of the holder of each outstanding debt security affected thereby:

- change the stated maturity of the principal of or interest on any debt security (other than pursuant to the terms of the debt security), reduce the principal amount, premium or interest payable upon redemption, change the currency in which any debt security is payable, or impair the right to bring suit to enforce any payment;
- reduce the percentages of holders whose consent is required for any modification or waiver or reduce the requirements for quorum and voting under the applicable indenture;
- modify certain of the provisions in the applicable indenture relating to supplemental indentures and waivers of certain covenants and past defaults; or

A modification which changes or eliminates any provision of an indenture expressly included solely for the benefit of holders of debt securities of one or more particular series or modifies the holders' rights will be deemed not to affect the rights under the indenture of the registered holders of debt securities of any other series.

Each of the indentures provides that the holders of not less than a majority in aggregate principal amount of the then outstanding debt securities of any series, by notice to the relevant trustee, may on behalf of the holders of the debt securities of that series waive any default or event of default and its

consequences under the applicable indenture, except:

- a continuing default or event of default in the payment of the principal of (and premium, if any) or interest on any such debt security held by a non-consenting holder; or
- a default in respect of a covenant or provision of the indenture which cannot be modified or amended without the consent of the holder of each outstanding debt security of each series affected.

Legal Defeasance and Covenant Defeasance

The applicable indenture with respect to the debt securities of any series may be discharged, subject to the terms and conditions as specified in the applicable prospectus supplement, when either:

- all debt securities, with the exceptions provided for in the applicable indenture, of that series have been delivered to the applicable trustee for cancellation;
- all debt securities of that series not theretofore delivered to the applicable trustee for cancellation:
 - have become due and payable;
 - will become due and payable at their stated maturity within one year; or
 - are to be called for redemption within one year; or
- certain events or conditions occur as specified in the applicable prospectus supplement.

[Table of Contents](#)

In addition, each series of debt securities may provide additional or different terms or conditions for the discharge or defeasance of some or all of our obligations as may be specified in the applicable prospectus supplement.

If provision is made for the defeasance of debt securities of a series, and if the debt securities of that series are registered securities and denominated and payable only in U.S. dollars, then the provisions of each indenture relating to defeasance will be applicable except as otherwise specified in the applicable prospectus supplement for debt securities of that series. Defeasance provisions, if any, for debt securities denominated in a foreign currency or currencies may be specified in the applicable prospectus supplement.

At our option, either (1) we will be deemed to have been discharged from our obligations with respect to debt securities of any series, i.e., the “legal defeasance option,” or (2) we will cease to be under any obligation to comply with certain provisions of the applicable indenture with respect to certain covenants, if any, specified in the applicable prospectus supplement with respect to debt securities of any series, i.e., the “covenant defeasance option,” at any time after the conditions specified in the applicable prospectus supplement have been satisfied.

Senior Debt Securities

The senior debt securities will be unsecured senior obligations and will rank equally with all other senior unsecured and unsubordinated debt. The senior debt securities will, however, be subordinated in right of payment to all of our secured indebtedness to the extent of the value of the assets securing that indebtedness. Except as provided in the senior indenture or specified in any authorizing resolution or supplemental indenture relating to a series of senior debt securities to be issued, no senior indenture will limit the amount of additional indebtedness that may rank equally with the senior debt securities or the amount of indebtedness, secured or otherwise, that may be incurred or preferred shares that may be issued by any of our subsidiaries.

Subordination

If our assets are distributed upon our dissolution, winding up, liquidation or reorganization, the payment of the principal of (and premium, if any) and interest on any subordinated debt securities will be subordinated in right of payment, to the extent provided in the subordinated indenture and the applicable prospectus supplement, to the prior payment in full of all senior indebtedness, including senior debt securities. However, our obligation to pay the principal of (and premium, if any) or interest on the subordinated debt securities will not otherwise be affected. Unless otherwise stated in the applicable prospectus supplement, payment on account of principal (or premium, if any), sinking funds or interest on the subordinated debt securities may not be made at any time when there is a default in the payment of the principal, premium, if any, sinking funds, interest or certain other obligations on senior indebtedness. In addition, the prospectus supplement for any series of subordinated debt securities may provide that payments of the principal of (or premium, if any) or interest on the subordinated debt securities may be delayed or not paid under specified circumstances and periods. If, while we are in default on senior indebtedness, any payment is received by the trustee under the subordinated indenture or the holders of any of the subordinated debt securities before we have paid all senior indebtedness in full, the payment or distribution must be paid over to the holders of the unpaid senior indebtedness or applied to the repayment of the unpaid senior indebtedness. Subject to paying the senior indebtedness in full, the holders of the subordinated debt securities will be subrogated to the rights of the holders of the senior indebtedness to the extent that payments are made to the holders of senior indebtedness out of the distributive share of the subordinated debt securities.

Due to the subordination, if our assets are distributed upon insolvency, some or all of our general creditors may recover more, ratably, than holders of subordinated debt securities. The subordinated indenture or applicable supplemental indenture may state that its subordination provisions will not apply to money and securities held in trust under the satisfaction and discharge and the legal defeasance provisions of the subordinated indenture.

If this prospectus is being delivered in connection with the offering of a series of subordinated debt securities, the applicable prospectus supplement or the information incorporated by reference in it will specify the approximate amount of senior indebtedness outstanding as of a recent date and any limitations on the issuance of additional

[Table of Contents](#)

senior indebtedness (or that there is not such limitation). Senior indebtedness with respect to any series of subordinated debt securities will have the meaning specified in the applicable prospectus supplement for that series.

Corporate Existence

Subject to the terms of the applicable indenture, we will do or cause to be done all things necessary to preserve and keep in full force and effect our corporate existence, charter and statutory rights and franchises; provided, however, that we will not be required to preserve any right or franchise if we determine that the preservation thereof is no longer desirable in the conduct of our business.

Governing Law

The indentures and our debt securities will be governed by, and construed in accordance with, the law of the State of New York.

Guarantees

If the applicable prospectus supplement relating to a series of debt securities provides that those debt securities will have the benefit of a guarantee by TriMas's then existing or future subsidiaries, then the debt securities will be fully and unconditionally guaranteed by such guarantor subsidiaries. In the event of a bankruptcy, liquidation or reorganization of any of the non-guarantor subsidiaries, the non-guarantor subsidiaries will pay the holders of their debt and their trade creditors before they will be able to distribute any of their assets to us. The guarantees will be general obligations of each guarantor. The guarantees will be joint and several obligations of the guarantors. If a series of debt securities is so guaranteed, a supplemental indenture to the applicable base indenture will be executed by each guarantor. The Subsidiary Guarantors are guarantors under the indenture governing our existing senior notes and our existing senior credit facilities. The obligations of each guarantor under its guarantee will be limited as necessary to prevent that guarantee from constituting a fraudulent conveyance under applicable law. The terms of any guarantee and the conditions upon which any guarantor may be released from its obligations under that guarantee will be set forth in the applicable prospectus supplement.

PLAN OF DISTRIBUTION

Offering by Registrants

We may sell the securities:

- through underwriters or dealers;
- through agents;
- directly to purchasers; or
- through a combination of any such methods of sale.

Any underwriter, dealer or agent may be deemed to be an underwriter within the meaning of the Securities Act. The prospectus supplement relating to any offering of securities by us will set forth its offering terms, including the name or names of any underwriters, the purchase price of the securities and the proceeds to us from such sale, any underwriting discounts, commissions and other items constituting underwriters' compensation, any initial public offering price, and any underwriting discounts, commissions and other items allowed or reallocated or paid to dealers, and any securities exchanges on which the securities may be listed. Only underwriters so named in the prospectus supplement are deemed to be underwriters in connection with the securities offered by us within this prospectus.

If underwriters are used in the sale, they will acquire the securities for their own account and may resell them from time to time in one or more transactions, at a fixed price or prices, which may be changed, or at market prices prevailing at the time of sale, or at prices related to such prevailing market prices, or at negotiated prices. The securities may be offered to the public either through underwriting syndicates represented by one or more managing underwriters or directly by one or more of such firms. Unless otherwise set forth in the prospectus supplement, the obligations of the underwriters to purchase the securities will be subject to certain conditions precedent and the underwriters will be obligated to purchase all the offered securities if any are purchased. Any initial public offering price and any discounts or concessions allowed or reallocated or paid to dealers may be changed from time to time.

Any agent involved in the offer or sale of the securities in respect of which this prospectus is delivered will be named, and any commissions payable by us to the agent will be set forth, in the accompanying prospectus supplement. Unless otherwise indicated in the prospectus supplement, any such agent will be acting on a best efforts basis for the period of its appointment.

If so indicated in the prospectus supplement, we will authorize underwriters, dealers or agents to solicit offers by certain specified institutions to purchase securities from us at the public offering price set forth in the accompanying prospectus supplement pursuant to delayed delivery contracts providing for payment and delivery on a specified date in the future. These contracts will be subject to any conditions set forth in the accompanying prospectus supplement and the prospectus supplement will set forth the commission payable for solicitation of these contracts. The underwriters and other persons soliciting these contracts will have no responsibility for the validity or performance of any such contracts.

Any underwriters to whom or agents through whom these securities are sold by us for public offering and sale may make a market in these securities, but such underwriters or agents will not be obligated to do so and may discontinue any market making at any time without notice. No assurance can be given as to the liquidity of or the trading market for any such securities.

Underwriters, dealers and agents may be entitled, under agreements entered into with us, to indemnification by us against certain civil liabilities, including liabilities under the Securities Act or to contribution by us to payments they may be required to make in respect thereof.

[Table of Contents](#)

In compliance with the guidelines of the Financial Industry Regulatory, Inc., or FINRA, the maximum commission or discount to be received by any FINRA member or independent broker dealer may not exceed 8% of the aggregate principal amount of securities offered pursuant to this prospectus.

Certain of the underwriters, agents or dealers and their associates may engage in transactions with and perform services for us in the ordinary course of business.

Our common stock is quoted on NASDAQ Global Select Market under the symbol "TRS." The other securities are not listed on any securities exchange or other stock market and, unless we state otherwise in the applicable prospectus supplement, we do not intend to apply for listing of the other securities on any securities exchange or other stock market. Any underwriters to whom we sell securities for public offering and sale may make a market in the securities that they purchase, but the underwriters will not be obligated to do so and may discontinue any market making at any time without notice. Accordingly, we give you no assurance as to the development or liquidity of any trading market for the securities.

Offering by Selling Stockholder

The Selling Stockholder may, from time to time, sell any or all of their shares of common stock on any stock exchange, market or trading facility on which the shares are traded or in private transactions. These sales may be at fixed or negotiated prices. The Selling Stockholder may use any one or more of the following methods when selling such shares:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- short sales;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- broker-dealers may agree with the Selling Stockholder to sell a specified number of such shares at a stipulated price per share;
- one or more underwritten offerings on a firm commitment or best efforts basis;
- a combination of any such methods of sale; and
- any other method permitted pursuant to applicable law.

The Selling Stockholder may also sell such shares under Rule 144 under the Securities Act, if available, rather than under this prospectus.

Broker-dealers engaged by the Selling Stockholder may arrange for other broker-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the Selling Stockholder (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated, which commissions or discounts may be less than or in excess of those customary in the types of transactions involved. Any profits on the

[Table of Contents](#)

resale of shares of common stock by a broker-dealer acting as principal might be deemed to be underwriting discounts or commissions under the Securities Act. Discounts, concessions, commissions and similar selling expenses, if any, attributable to the sale of shares will be borne by a Selling Stockholder.

The Selling Stockholder may from time to time pledge or grant a security interest in some or all of the shares of common stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of common stock from time to time under this prospectus after we have filed a supplement to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act supplementing or amending the list of Selling Stockholder to include the pledgee, transferee or other successors in interest as Selling Stockholder under this prospectus.

The Selling Stockholder also may transfer the shares of common stock in other circumstances, in which case the transferees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus and may sell the shares of common stock from time to time under this prospectus after we have filed a supplement to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act supplementing or amending the list of selling stockholders to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus.

Any broker-dealers or agents that are involved in selling the shares of common stock may be deemed to be “underwriters” within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the shares of common stock purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. In no event shall any broker-dealer receive fees, commissions or markups which, in the aggregate, would exceed eight percent (8%) of the gross proceeds received by the Selling Stockholder for the sale of securities hereunder.

We are required to pay all fees and expenses incident to the registration of the shares of common stock. We have agreed to indemnify the Selling Stockholder (as well as persons, including broker-dealers or agents deemed to be “underwriters” within the meaning of the Securities Act) against certain losses, claims, damages and liabilities, including liabilities under the Securities Act, in accordance with a registration rights agreement, or the Selling Stockholder will be entitled to contribution.

The Selling Stockholder has advised us that it has not entered into any agreements, understandings or arrangements with any underwriters or broker-dealers regarding the sale of its shares of common stock, nor is there an underwriter or coordinating broker acting in connection with a proposed sale of shares of common stock by the Selling Stockholder. If we are notified by the Selling Stockholder that any material arrangement has been entered into with any underwriters or broker-dealers for the sale of shares of common stock, if required, we will file a supplement to this prospectus.

Item 15. Indemnification of Directors and Officers.

The Delaware Corporations

Delaware General Corporation Law

TriMas Corporation is a Delaware corporation. Section 145 of the General Corporation Law of Delaware as the same exists or may hereafter be amended, inter alia, provides that a Delaware corporation may indemnify any person who was, or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. The indemnity may include expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding, if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that the person's conduct was unlawful.

A Delaware corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. The indemnity may include expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the corporation's best interests, except that no indemnification is permitted without judicial approval if the officer, director, employee or agent is adjudged to be liable to the corporation.

II-1

[Table of Contents](#)

Where a present or former director or officer has been successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify the person against the expenses (including attorney's fees) actually and reasonably incurred by such person in connection therewith.

Section 145 further authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership,

joint venture, trust or other enterprise, against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such whether or not the corporation would have the power to indemnify such person against such liability under Section 145.

Article 11 of our certificate of incorporation provides that each person who was or is made a party to (or is threatened to be made a party to) or is otherwise involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person is or was one of our directors or officers shall be indemnified and held harmless by us to the fullest extent authorized by the General Corporation Law of Delaware against all expenses, liability and loss (including without limitation attorneys' fees, judgments, fines and amounts paid in settlement) reasonably incurred by such person in connection therewith. The rights conferred by Article 11 are contractual rights and include the right to be paid by us the expenses incurred in defending such action, suit or proceeding in advance of the final disposition thereof. In addition, Section 7 of our amended and restated by-laws state that we may indemnify our officers, directors, employees and agents to the fullest extent permitted by the General Corporation Law of Delaware.

Article 10 of our certificate of incorporation provides that our directors will not be personally liable to us or our stockholders for monetary damages resulting from breaches of their fiduciary duty as directors except (a) for any breach of the duty of loyalty to us or our stockholders, (b) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (c) under Section 174 of the General Corporation Law of Delaware, which makes directors liable for unlawful dividends or unlawful stock repurchases or redemptions or (d) for transactions from which a director derives improper personal benefit.

Our directors and officers are covered by insurance policies indemnifying them against certain civil liabilities, including liabilities under the federal securities laws (other than liability under Section 16(b) of the 1934 Act), which might be incurred by them in such capacities.

We have entered into indemnity agreements with our directors and certain of our executive officers for the indemnification and advancement of expenses to these persons. We believe that these provisions and agreements are necessary to attract and retain qualified directors and executive officers. We also intend to enter into these agreements with our future directors and certain of our executive officers. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling our company pursuant to the foregoing provisions, we have been informed that, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Unless limited by its articles of incorporation, a corporation must indemnify a director or officer against reasonable expenses incurred by the director or officer if the director or officer was wholly successful, on the merits or otherwise, in the defense of any proceeding to which the director or officer was a made party because of his position in the corporation.

In the case of an action by or in the right of the corporation, however, such indemnification may only apply to expenses actually and reasonably incurred by the person in connection with the defense or settlement of such action and no such indemnification may be made if either (a) the director or officer has been adjudged to be liable for negligence or misconduct in the performance of the director's or officer's duty to the corporation, unless and only to the extent that the court in which the proceeding was brought determines that the director or officer is fairly and reasonably entitled to indemnification for such expenses as the court deems proper, or (b) the only liability asserted against a director in a proceeding relates to the director's approval of an impermissible dividend, distribution, redemption or loan. The OGCL further provides that to the extent a director or officer has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to above, the corporation must indemnify the director or officer against expenses actually and reasonably incurred by the director or officer in connection with the action, suit or proceeding.

The OGCL also permits corporations to purchase and maintain insurance on behalf of any director or officer against any liability asserted against such director or officer and incurred by such director or officer in his capacity as a director or officer, whether or not the corporation would have the power to indemnify the director or officer against such liability under the OGCL.

statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i), (ii) and (iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining liability under the Securities Act to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

The undersigned registrant hereby undertakes that, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, in a primary offering of securities of the registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(1) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(2) Any free writing prospectus relating to the offering prepared by or on behalf of the registrant or used or referred to by the undersigned registrant;

(3) The portion of any other free writing prospectus relating to the offering containing material information about an undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

II-7

[Table of Contents](#)

(4) Any other communication that is an offer in the offering made by an undersigned registrant to the purchaser.

The registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the indemnification provisions described herein, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(27) any change in the right of the Trustee or the Holders to declare the principal of, and premium and interest on, such Debt Securities due and payable; and

(28) any other terms of the series (which terms shall not be inconsistent with the provisions of this Indenture).

All Debt Securities of any one series shall be substantially identical except as to denomination, rate of interest, Stated Maturity and the date from which interest, if any, shall accrue, which, as set forth above, may be determined by the Company from time to time as to Debt Securities of a series if so provided in or established pursuant to the authority granted in a Board Resolution or in any such indenture supplemental hereto, and except as may otherwise be provided in or pursuant to such Board Resolution and (subject to Section 3.03) set forth in such Officers' Certificate, or in any such indenture supplemental hereto. All Debt Securities of any one series need not be issued at the same time, and unless otherwise provided, a series may be reopened for issuance of additional Debt Securities of such series.

If any of the terms of a series of Debt Securities is established in or pursuant to a Board Resolution, a copy of such Board Resolution shall be certified by the Secretary or an Assistant Secretary of the Company and delivered to the Trustee at or prior to the delivery of the Officers' Certificate setting forth the terms of the series.

In the absence of any specification pursuant to Section 3.01 with respect to the Debt Securities of any series, the Debt Securities of such series shall be issuable only as Registered Securities in denominations of \$1,000 and any integral multiple thereof and shall be payable only in Dollars.

Section 3.03. Execution, Authentication, Delivery and Dating.

The Debt Securities of any series shall be executed on behalf of the Company by its Chairman of the Board, Chief Executive Officer, Chief Financial Officer, President, one of its Vice Presidents or its Treasurer, under its corporate seal reproduced thereon and attested by its Secretary or one of its Assistant Secretaries. The signature of any of these officers may be manual or facsimile.

Debt Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Debt Securities or did not hold such offices at the date of such Debt Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Debt Securities, of any series, executed by the Company, to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Debt Securities and the Trustee in accordance with the Company Order shall authenticate and deliver such Debt Securities. If all the Debt Securities of any one series are not to be issued at one time and if a Board Resolution or supplemental indenture relating to such series shall so permit, such Company Order may set forth procedures

15

acceptable to the Trustee for the issuance of such Debt Securities such as interest rate, Stated Maturity, date of issuance and date from which interest, if any, shall accrue. If any Debt Security shall be represented by a permanent Global Note, then, for purposes of this Section and Section 3.04, the notation of a beneficial owner's interest therein upon original issuance of such Debt Security or upon exchange of a portion of a temporary Global Note shall be deemed to be delivery in connection with the original issuance of such beneficial owner's interest in such permanent Global Note.

The Trustee shall be entitled to receive, and (subject to Section 6.01) shall be fully protected in relying upon, prior to the authentication and delivery of the Debt Securities of such series, (i) the supplemental indenture or the Board Resolution by or pursuant to which the form and terms of such Debt Securities have been approved and (ii) an Opinion of Counsel substantially to the effect that:

- (1) all instruments furnished by the Company to the Trustee in connection with the authentication and delivery of such Debt Securities conform to the requirements of this Indenture and constitute sufficient authority hereunder for the Trustee to authenticate and deliver such Debt Securities;
- (2) the forms and terms of such Debt Securities have been established in conformity with the provisions of this Indenture;
- (3) in the event that the forms or terms of such Debt Securities have been established in a supplemental indenture, the execution and delivery of such supplemental indenture has been duly authorized by all necessary corporate action of the Company, such supplemental indenture has been duly executed and delivered by the Company and, assuming due authorization, execution and delivery by the Trustee, is a valid and binding obligation enforceable against the Company in accordance with its terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law);
- (4) the execution and delivery of such Debt Securities have been duly authorized by all necessary corporate action of the Company and such Debt Securities have been duly executed by the Company and, assuming due authentication by the Trustee and delivery by the Company, are valid and binding obligations enforceable against the Company in accordance with their terms, entitled to the benefit of the Indenture, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law) and subject to such other exceptions as counsel shall request and as to which the Trustee shall not reasonably object; and
- (5) the amount of Debt Securities Outstanding of such series, together with the amount of such Debt Securities, does not exceed any limit established under the terms of this Indenture on the amount of Debt Securities of such series that may be authenticated and delivered.

The Trustee shall not be required to authenticate such Debt Securities if the issuance of such Debt Securities pursuant to this Indenture will affect the Trustee's own rights, duties or immunities under the Debt Securities and this Indenture in a manner which is not reasonably acceptable to the Trustee.

Each Registered Security shall be dated the date of its authentication.

No Debt Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Debt Security a certificate of authentication substantially in one

16

of the forms provided for herein duly executed by the Trustee or by an Authenticating Agent, and such certificate upon any Debt Security shall be conclusive evidence, and the only evidence, that such Debt Security has been duly authenticated and delivered hereunder and is entitled to the benefits of this Indenture. Notwithstanding the foregoing, if any Debt Security shall have been duly authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Debt Security to the Trustee for cancellation as provided in Section 3.08 together with a written statement (which need not comply with Section 1.02) stating that such Debt Security has never been issued and sold by the Company, for all purposes of this Indenture such Debt Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

Section 3.04. Temporary Debt Securities; Global Notes Representing Registered Securities.

(a) Pending the preparation of definitive Registered Securities of any series, the Company may execute, and upon Company Order the Trustee shall authenticate and deliver, temporary Registered Securities which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination for Registered Securities of such series, substantially of the tenor of the definitive Registered Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Registered Securities may determine, as conclusively evidenced by their execution of such Registered Securities. Every such temporary Registered Security shall be executed by the Company and shall be authenticated and delivered by the Trustee upon the same conditions and in substantially the same manner, and with the same effect, as the definitive Registered Securities in lieu of which they are issued.

If temporary Debt Securities of any series are issued, the Company will cause definitive Debt Securities of such series to be prepared without unreasonable delay. After the preparation of definitive Debt Securities of such series, the temporary Debt Securities of such series shall be exchangeable for definitive Debt Securities of such series, of a like Stated Maturity and with like terms and provisions, upon surrender of the temporary Debt Securities of such series at the office or agency of the Company in a Place of Payment for such series, without charge to the Holder, except as provided in Section 3.05 in connection with a transfer. Upon surrender for cancellation of any one or more temporary Debt Securities of any series, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Debt Securities of the same series of authorized denominations and of a like Stated Maturity and like terms and provisions. Until so exchanged, the temporary Registered Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Registered Securities of such series.

(b) If the Company shall establish pursuant to Section 3.01 that the Registered Securities of a series are to be issued in whole or in part in the form of one or more Global Notes, then the Company shall execute and the Trustee shall, in accordance with Section 3.03 and the Company Order with respect to such series, authenticate and deliver one or more Global Notes in temporary or permanent form that (i) shall represent and shall be denominated in an amount equal to the aggregate principal amount of the Outstanding Debt Securities of such series to be represented by one or more Global Notes, (ii) shall be registered in the name of the Depositary for such Global Note or Notes or the nominee of such depositary, (iii) shall be delivered by the Trustee to such Depositary or delivered or held pursuant to such Depositary's instructions, and (iv) shall bear a legend substantially to the following effect: "This Debt Security may not be transferred except as a whole by the Depositary to a nominee of the Depositary or by a nominee of the Depositary to the Depositary or another nominee of the Depositary or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary, unless and until this Debt Security is exchanged in whole or in part for Debt Securities in definitive form."

17

Each Depositary designated pursuant to Section 3.01 must, at the time of its designation and at all times while it serves as Depositary, be a clearing agency registered under the Exchange Act and any other applicable statute or regulation.

Notwithstanding any other provision of this Section or Section 3.05, unless and until a Global Note is exchanged in whole or in part for Registered Securities in definitive form, a Global Note representing all or a portion of the Registered Securities of a series may not be transferred except as a whole by the Depositary for such series to a nominee of such Depositary or by a nominee of such Depositary to such Depositary or another nominee of such Depositary or by such Depositary or any such nominee to a successor Depositary for such series or a nominee of such successor Depositary.

If at any time the Depositary for the Debt Securities of a series notifies the Company that it is unwilling or unable to continue as Depositary for the Debt Securities of such series or if at any time the Depositary for Debt Securities of a series shall no longer be a clearing agency registered and in good standing under the Exchange Act or other applicable statute or regulation (as required by this Section 3.04), the Company shall appoint a successor Depositary eligible under this Section 3.04 with respect to the Debt Securities of such series. If a successor Depositary for the Debt Securities of such series is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such condition, the Company will execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of definitive Debt Securities of such series, will authenticate and deliver, Registered Securities of such series in definitive form in an aggregate principal amount equal to the principal amount of the Global Note or Notes representing such series in exchange for such Global Note or Notes.

The Company may at any time and in its sole discretion determine that the Registered Securities of any series issued in the form of one or more Global Notes shall no longer be represented by such Global Note or Notes. In such event, the Company will execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of definitive Debt Securities of such series, will authenticate and deliver, Registered Securities of such series in definitive form and in an aggregate principal amount equal to the principal amount of the Global Note or Notes representing such series in exchange for such Global Note or Notes.

If the Registered Securities of any series shall have been issued in the form of one or more Global Notes and if an Event of Default with respect to the Debt Securities of such series shall have occurred and be continuing, the Company will promptly execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of definitive Debt Securities of such series, will authenticate and deliver, Registered Securities of such series in definitive form and in an aggregate principal amount equal to the principal amount of the Global Note or Notes representing such series in exchange for such Global Note or Notes.

If specified by the Company pursuant to Section 3.01 with respect to Registered Securities of a series, the Depositary for such series of Registered Securities may surrender a Global Note for such series of Debt Securities in exchange in whole or in part for Registered Securities of such series in definitive form on such terms as are acceptable to the Company and such depositary. Thereupon, the Company shall execute and the Trustee shall authenticate and deliver, without charge:

(i) to each Person specified by the Depositary a new Registered Security or Securities of the same series, of any authorized denomination as requested by such Person in an aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Global Note; and

18

(ii) to the Depositary a new Global Note in a denomination equal to the difference, if any, between the principal amount of the surrendered Global Note and the aggregate principal amount of Registered Securities delivered to Holders thereof.

Upon the exchange of a Global Note for Registered Securities in definitive form, such Global Note shall be cancelled by the Trustee. Debt Securities issued in exchange for a Global Note pursuant to this subsection (b) shall be registered in such names and in such authorized denominations as the Depository for such Global Note, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall deliver such Debt Securities to the Persons in whose names such Debt Securities are so registered.

Section 3.05. Registration, Transfer and Exchange.

(a) The Company shall cause to be kept at the Corporate Trust Office of the Trustee a register (the registers maintained in such office and in any other office or agency of the Company in a Place of Payment being herein sometimes collectively referred to as the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Registered Securities and of transfers and exchanges of Registered Securities. The Trustee is hereby appointed "Security Registrar" for the purpose of registering Registered Securities and registering transfers and exchanges of Registered Securities as herein provided; *provided, however*, that the Company may, at its option, appoint co-Security Registrars.

Upon surrender for registration of transfer of any Registered Security of any series at the office or agency of the Company maintained for such purpose, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee, one or more new Registered Securities of the same series of like aggregate principal amount of such denominations as are authorized for Registered Securities of such series and of a like Stated Maturity and with like terms and conditions.

Except as otherwise provided in Section 3.04 and this Section 3.05, at the option of the Holder, Registered Securities of any series may be exchanged for other Registered Securities of the same series of like aggregate principal amount and of a like Stated Maturity and with like terms and conditions, upon surrender of the Registered Securities to be exchanged at such office or agency. Whenever any Registered Securities are surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Registered Securities which the Holder making the exchange is entitled to receive.

(b) All Debt Securities issued upon any transfer or exchange of Debt Securities shall be valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Debt Securities surrendered for such transfer or exchange.

Every Registered Security presented or surrendered for transfer or exchange shall (if so required by the Company or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar, duly executed, by the Holder thereof or his attorney duly authorized in writing.

No service charge will be made for any transfer or exchange of Debt Securities except as provided in Section 3.06. The Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration, transfer or exchange of Debt Securities, other than those expressly provided in this Indenture to be made at the Company's own expense or without expense or without charge to the Holders.

The Company shall not be required (i) to register, transfer or exchange Debt Securities of any series during a period beginning at the opening of business 15 days before the day of the transmission of a notice of redemption of Debt Securities of such series selected for redemption under Section 12.03 and ending at the close of business on the day of such transmission, or (ii) to register, transfer or exchange any Debt Security so selected for redemption in whole or in part, except the unredeemed portion of any Debt Security being redeemed in part.

Section 3.06. Mutilated, Destroyed, Lost and Stolen Debt Securities.

If (i) any mutilated Debt Security is surrendered to the Trustee at its Corporate Trust Office, or (ii) the Company and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Debt Security, and there is delivered to the Company and the Trustee such security or indemnity as may be required by them to save each of them and any Paying Agent harmless, and neither the Company nor the Trustee receives notice that such Debt Security has been acquired by a bona fide purchaser, then the Company shall execute and upon Company Request the Trustee shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Debt Security, a new Debt Security of the same series of like Stated Maturity and with like terms and conditions and like principal amount, bearing a number not contemporaneously used with respect to any Debt Securities Outstanding.

In case any such mutilated, destroyed, lost or stolen Debt Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Debt Security, pay the amount due on such Debt Security in accordance with its terms.

Upon the issuance of any new Debt Security under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in respect thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Debt Security of any series issued pursuant to this Section shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Debt Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Debt Securities of that series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Debt Securities.

Section 3.07. Payment of Interest; Interest Rights Preserved.

(a) Interest on any Registered Security which is payable and is punctually paid or duly provided for on any Interest Payment Date shall be paid to the Person in whose name such Registered Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest notwithstanding the cancellation of such Registered Security upon any transfer or exchange subsequent to the Regular Record Date. Unless otherwise specified as contemplated by Section 3.01 with respect to the Debt Securities of any series, payment of interest on Registered Securities shall be made at the place or places specified pursuant to Section 3.01 or, at the option of the Company, by check mailed to the address of the Person entitled thereto as such address appears in the Security Register or, if provided pursuant to Section 3.01, by wire transfer to an account designated by the Registered Holder.

(b) Any interest on any Debt Security which is payable but is not punctually paid or duly provided for on any Interest Payment Date (herein called "Defaulted Interest") shall, if such Debt Security

is a Registered Security, forthwith cease to be payable to the Registered Holder on the relevant Regular Record Date by virtue of his having been such Registered Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in clause (1) or (2) below:

(1) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names such Registered Securities (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each such Registered Security and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money in the Currency or Currency unit in which the Debt Securities of such series are payable (except as otherwise specified pursuant to Sections 3.01 or 3.10) equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which date shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to the Holders of such Registered Securities at their addresses as they appear in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the Persons in whose names such Registered Securities (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Company may make payment of any Defaulted Interest on Registered Securities in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Registered Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

(c) Subject to the foregoing provisions of this Section, each Debt Security delivered under this Indenture upon transfer of or in exchange for or in lieu of any other Debt Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Debt Security.

Section 3.08. Cancellation.

Unless otherwise specified pursuant to Section 3.01 for Debt Securities of any series, all Debt Securities surrendered for payment, redemption, transfer, exchange or credit against any sinking fund shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. All Registered Securities so delivered shall be promptly cancelled by the Trustee. The Company may at any time deliver to the Trustee for cancellation any Debt Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee (or to any other Person for delivery to the Trustee) for cancellation any Debt Securities previously authenticated hereunder which the Company has not issued, and all Debt Securities so delivered shall be promptly cancelled by the Trustee. No Debt Securities shall be authenticated in lieu of or in exchange for any Debt Securities cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Debt

Securities held by the Trustee shall be delivered to the Company upon Company Request. The acquisition of any Debt Securities by the Company shall not operate as a redemption or satisfaction of the indebtedness represented thereby unless and until such Debt Securities are surrendered to the Trustee for cancellation. Permanent Global Notes shall not be destroyed until exchanged in full for definitive Debt Securities or until payment thereon is made in full.

Section 3.09. Computation of Interest.

Except as otherwise specified pursuant to Section 3.01 for Debt Securities of any series, interest on the Debt Securities of each series shall be computed on the basis of a 360-day year of twelve 30-day months.

Section 3.10. Currency of Payments in Respect of Debt Securities.

(a) With respect to Registered Securities of any series not permitting the election provided for in paragraph (b) below or the Holders of which have not made the election provided for in paragraph (b) below, except as provided in paragraph (d) below, payment of the principal of (and premium, if any) and any interest on any Registered Security of such series will be made in the Currency in which such Registered Security is payable.

(b) It may be provided pursuant to Section 3.01 with respect to the Registered Securities of any series that Holders shall have the option, subject to paragraphs (d) and (e) below, to receive payments of principal of (and premium, if any) and any interest on such Registered Securities in any of the Currencies which may be designated for such election by delivering to the Trustee a written election, to be in form and substance satisfactory to the Trustee, not later than the close of business on the Election Date immediately preceding the applicable payment date. If a Holder so elects to receive such payments in any such Currency, such election will remain in effect for such Holder or any transferee of such Holder until changed by such Holder or such transferee by written notice to the Trustee (but any such change must be made not later than the close of business on the Election Date immediately preceding the next payment date to be effective for the payment to be made on such payment date and no such change or election may be made with respect to payments to be made on any Registered Security of such series with respect to which an Event of Default has occurred or notice of redemption has been given by the Company pursuant to Article Thirteen). Any Holder of any such Registered Security who shall not have delivered any such election to the Trustee by the close of business on the applicable Election Date will be paid the amount due on the applicable payment date in the relevant Currency as provided in paragraph (a) of this Section 3.10.

(c) If the election referred to in paragraph (b) above has been provided for pursuant to Section 3.01, then not later than the fourth Business Day after the Election Date for each payment date, the Trustee will deliver to the Company a written notice specifying the Currency in which each such series of the Registered Securities is payable, the respective aggregate amounts of principal of (and premium, if any) and any interest on the Registered Securities to be paid on such payment date, specifying the amounts so payable in respect of the Registered Securities as to which the Holders of Registered Securities denominated in any Currency shall have elected to be paid in another Currency as provided in paragraph (b) above. If the election referred to in paragraph (b) above has been provided for pursuant to Section 3.01 and if at least one Holder has made such election, then, on the second Business Day preceding each payment date, the Company will deliver to the Trustee an Exchange Rate Officer's Certificate in respect of the Currency payments to be made on such payment date. The Currency amount receivable by Holders of Registered Securities who have elected payment in a Currency as provided in paragraph (b) above shall be determined by the Company on the basis of the applicable Market Exchange Rate in effect on the third Business Day (the "Valuation Date") immediately preceding each payment date.

22

(d) If a Conversion Event occurs with respect to a Foreign Currency or any other Currency unit in which any of the Debt Securities are denominated or payable other than pursuant to an election provided for pursuant to paragraph (b) above, then with respect to each date for the payment of principal of (and premium, if any) and any interest on the applicable Debt Securities denominated or payable in such Foreign Currency or such other Currency unit occurring after the last date on which such Foreign Currency, or such other Currency unit was used (the "Conversion Date"), the Dollar shall be the Currency of payment for use on each such payment date. The Dollar amount to be paid by the Company to the Trustee and by the Trustee or any Paying Agent to the Holders of such Debt Securities with respect to such payment date shall be the Dollar Equivalent of the Foreign Currency or, in the case of a Currency unit, the Dollar Equivalent of the Currency Unit, in each case as determined by the Currency Determination Agent, if any, or, if there shall not be a Currency Determination Agent, then by the Trustee, in the manner provided in paragraph (f) or (g) below.

(e) If the Holder of a Registered Security denominated in any Currency shall have elected to be paid in another Currency as provided in paragraph (b) above, and a Conversion Event occurs with respect to such elected Currency, such Holder shall receive payment in the Currency in which payment would have been made in the absence of such election. If a Conversion Event occurs with respect to the Currency in which payment would have been made in the absence of such election, such Holder shall receive payment in Dollars as provided in paragraph (d) of this Section 3.10.

(f) The "Dollar Equivalent of the Foreign Currency" shall be determined by the Currency Determination Agent, if any, or, if there shall not be a Currency Determination Agent, then by the Trustee, and shall be obtained for each subsequent payment date by converting the specified Foreign Currency into Dollars at the Market Exchange Rate on the Conversion Date.

(g) The "Dollar Equivalent of the Currency Unit" shall be determined by the Currency Determination Agent, if any, or, if there shall not be a Currency Determination Agent, then by the Trustee, and subject to the provisions of paragraph (h) below, shall be the sum of each amount obtained by converting the Specified Amount of each Component Currency into Dollars at the Market Exchange Rate for such Component Currency on the Valuation Date with respect to each payment.

(h) For purposes of this Section 3.10 the following terms shall have the following meanings:

A "Component Currency" shall mean any Currency which, on the Conversion Date, was a component Currency of the relevant Currency unit.

A "Specified Amount" of a Component Currency shall mean the number of units of such Component Currency or fractions thereof which were represented in the relevant Currency unit on the Conversion Date. If after the Conversion Date the official unit of any Component Currency is altered by way of combination or subdivision, the Specified Amount of such Component Currency shall be divided or multiplied in the same proportion. If after the Conversion Date two or more Component Currencies are consolidated into a single Currency, the respective Specified Amounts of such Component Currencies shall be replaced by an amount in such single Currency equal to the sum of the respective Specified Amounts of such consolidated Component Currencies expressed in such single Currency, and such amount shall thereafter be a Specified Amount and such single Currency shall thereafter be a Component Currency. If after the Conversion Date any Component Currency shall be divided into two or more Currencies, the Specified Amount of such Component Currency shall be replaced by amounts of such two or more Currencies with appropriate Dollar equivalents at the Market Exchange Rate on the date of such replacement equal to the Dollar equivalent of the Specified Amount of such former Component Currency at the Market Exchange Rate on such date, and such amounts shall thereafter be Specified Amounts and such Currencies shall thereafter be Component Currencies. If after the Conversion Date of the relevant Currency

23

unit a Conversion Event (other than any event referred to above in this definition of "Specified Amount") occurs with respect to any Component Currency of such Currency unit, the Specified Amount of such Component Currency shall, for purposes of calculating the Dollar Equivalent of the Currency Unit, be converted into Dollars at the Market Exchange Rate in effect on the Conversion Date of such Component Currency.

"Election Date" shall mean the record date with respect to any payment date, and with respect to the Maturity shall mean the record date (if within 16 or fewer days prior to the Maturity) immediately preceding the Maturity, and with respect to any series of Debt Securities whose record date immediately preceding the Maturity is more than 16 days prior to the Maturity or any series of Debt Securities for which no record dates are provided with respect to interest payments, shall mean the date which is 16 days prior to the Maturity.

(i) All decisions and determinations of the Trustee or the Currency Determination Agent, if any, regarding the Dollar Equivalent of the Foreign Currency, the Dollar Equivalent of the Currency Unit and the Market Exchange Rate shall be in its sole discretion and shall, in the absence of manifest error, be conclusive for all purposes and irrevocably binding upon the Company and all Holders of the Debt Securities denominated or payable in the relevant Currency. In the event of a Conversion Event with respect to a Foreign Currency, the Company, after learning thereof, will immediately give written notice thereof to the Trustee (and the Trustee will promptly thereafter give notice in the manner provided in Section 1.05 to the Holders) specifying the Conversion Date. In the event of a Conversion Event with respect to any Currency unit in which Debt Securities are denominated or payable, the Company, after learning thereof, will immediately give notice thereof to the Trustee (and the Trustee will promptly thereafter give written notice in the manner provided in Section 1.05 to the Holders) specifying the Conversion Date and the Specified Amount of each Component Currency on the Conversion Date. In the event of any subsequent change in any Component Currency as set forth in the definition of Specified Amount above, the Company, after learning thereof, will

similarly give written notice to the Trustee. The Trustee shall be fully justified and protected in relying and acting upon information received by it from the Company and the Currency Determination Agent, if any, and shall not otherwise have any duty or obligation to determine such information independently.

(j) For purposes of any provision of the Indenture where the Holders of Outstanding Debt Securities may perform an Act which requires that a specified percentage of the Outstanding Debt Securities of all series perform such Act and for purposes of any decision or determination by the Trustee of amounts due and unpaid for the principal (and premium, if any) and interest on the Debt Securities of all series in respect of which moneys are to be disbursed ratably, the principal of (and premium, if any) and interest on the Outstanding Debt Securities denominated in a Foreign Currency will be the amount in Dollars based upon the Market Exchange Rate for Debt Securities of such series, as of the date for determining whether the Holders entitled to perform such Act have performed it, or as of the date of such decision or determination by the Trustee, as the case may be.

Section 3.11. Judgments.

If for the purpose of obtaining a judgment in any court with respect to any obligation of the Company hereunder or under any Debt Security, it shall become necessary to convert into any other Currency any amount in the Currency due hereunder or under such Debt Security, then such conversion shall be made at the Market Exchange Rate as in effect on the date the Company shall make payment to any Person in satisfaction of such judgment. If, pursuant to any such judgment, conversion shall be made on a date other than the date payment is made and there shall occur a change between such Market Exchange Rate and the Market Exchange Rate as in effect on the date of payment, the Company agrees to pay such additional amounts (if any) as may be necessary to ensure that the amount paid is equal to the amount in

24

such other Currency which, when converted at the Market Exchange Rate as in effect on the date of payment or distribution, is the amount then due hereunder or under such Debt Security. Any amount due from the Company under this Section 3.11 shall be due as a separate debt and is not to be affected by or merged into any judgment being obtained for any other sums due hereunder or in respect of any Debt Security. In no event, however, shall the Company be required to pay more in the Currency or Currency unit due hereunder or under such Debt Security at the Market Exchange Rate as in effect when payment is made than the amount of Currency stated to be due hereunder or under such Debt Security so that in any event the Company's obligations hereunder or under such Debt Security will be effectively maintained as obligations in such Currency, and the Company shall be entitled to withhold (or be reimbursed for, as the case may be) any excess of the amount actually realized upon any such conversion over the amount due and payable on the date of payment or distribution.

Section 3.12. Exchange Upon Default.

If default is made in the payments referred to in Section 11.01, the Company hereby undertakes that upon presentation and surrender of a permanent Global Note to the Trustee (or to any other Person or at any other address as the Company may designate in writing), on any Business Day on or after the maturity date thereof the Company will issue and the Trustee will authenticate and deliver to the Holder of such permanent Global Note duly executed and authenticated definitive Debt Securities with the same issue date and maturity date as set out in such permanent Global Note.

Section 3.13. CUSIP and ISN Numbers.

The Company in issuing the Debt Securities may use "CUSIP" and "ISN" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" and "ISN" numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the accuracy of such numbers either as printed on the Debt Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Debt Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee in writing of any change in the "CUSIP" or "ISN" numbers.

ARTICLE 4

SATISFACTION AND DISCHARGE

Section 4.01. Satisfaction and Discharge of Indenture.

This Indenture, with respect to the Debt Securities of any series (if all series issued under this Indenture are not to be affected), shall, upon Company Request, cease to be of further effect (except as to any surviving rights of registration of transfer or exchange of such Debt Securities herein expressly provided for and rights to receive payments of principal (and premium, if any) and interest on such Debt Securities) and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when

(1) either

(A) all Debt Securities of such series theretofore authenticated and delivered (other than (i) Debt Securities of such series which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06, and (ii) Debt Securities of such series for whose payment money has theretofore been deposited in trust or segregated and held in trust by

25

the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 11.04) have been delivered to the Trustee for cancellation; or

(B) all Debt Securities of such series not theretofore delivered to the Trustee for cancellation,

(i) have become due and payable, or

(ii) will become due and payable at their Stated Maturity within one year, or

(iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice by the Trustee in the name, and at the expense, of the Company,

and the Company, either complies with any other condition or terms specified pursuant to Section 3.01, or if not so specified in the case of (i), (ii) or (iii) of this subclause (B), has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust for such purpose an amount in the Currency in which such Debt Securities are denominated (except as otherwise provided pursuant to Section 3.01 or 3.10) sufficient to pay and discharge the entire indebtedness on such Debt Securities for principal (and premium, if any) and interest to the date of such deposit (in the case of Debt Securities which have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be; *provided, however*, in the event a petition for relief under the Federal bankruptcy laws, as now or hereafter constituted, or any other applicable Federal or state bankruptcy, insolvency or other similar law, is filed with respect to the Company within 91 days after the deposit and the Trustee is required to return the deposited money to the Company, the obligations of the Company under this Indenture with respect to such Debt Securities shall not be deemed terminated or discharged;

(2) the Company has paid or caused to be paid all other sums payable hereunder by the Company;

(3) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to such series have been complied with; and

(4) the Company has delivered to the Trustee an Opinion of Counsel or a ruling by the Internal Revenue Service to the effect that Holders of the Debt Securities of the series will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit and discharge.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 6.07, the obligations of the Trustee to any Authenticating Agent under Section 6.14, the obligations of the Company under Section 11.01, and, if money shall have been deposited with the Trustee pursuant to subclause (B) of clause (1) of this Section, the obligations of the Trustee under Section 4.02 and the last paragraph of Section 11.04, shall survive. If, after the deposit referred to in this Section 4.01 has been made, (x) the Holder of a Debt Security is entitled to, and does, elect pursuant to Section 3.10(b), to receive payment in a Currency other than that in which the deposit pursuant to this Section 4.01 was made, or (y) if a Conversion Event occurs with respect to the Currency in which the deposit was made or elected to be received by the Holder pursuant to Section 3.10(b), then the indebtedness represented by such Debt Security shall be fully discharged to the extent that the deposit made with respect to such Debt Security shall be converted into the Currency in which such payment is made.

26

Section 4.02. Application of Trust Money.

Subject to the provisions of the last paragraph of Section 11.04, all money deposited with the Trustee pursuant to Section 4.01 shall be held in trust and applied by it, in accordance with the provisions of the Debt Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee.

ARTICLE 5

REMEDIES

Section 5.01. Events of Default.

"Event of Default" wherever used herein with respect to Debt Securities of any series means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law, pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(1) default in the payment of any interest upon any Debt Security of such series when it becomes due and payable, and continuance of such default for a period of 30 days; or

(2) default in the payment of the principal of (and premium, if any, on) any Debt Security of such series at its Maturity; or

(3) default in the deposit of any sinking fund payment, when and as due by the terms of a Debt Security of such series; or

(4) default in the performance, or breach, of any covenant or warranty of the Company in this Indenture (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section specifically dealt with or which expressly has been included in this Indenture solely for the benefit of Debt Securities of a series other than such series), and continuance of such default or breach for a period of 30 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in principal amount of the Outstanding Debt Securities of such series, a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or

(5) the entry of a decree or order for relief in respect of the Company by a court having jurisdiction in the premises in an involuntary case under the Federal bankruptcy laws, as now or hereafter constituted, or any other applicable Federal or State bankruptcy, insolvency or other similar law, or a decree or order adjudging the Company a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under any applicable Federal or State law, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or other similar official) of the Company or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 60 consecutive days; or

27

(6) the commencement by the Company of a voluntary case under the Federal bankruptcy laws, as now or hereafter constituted, or any other applicable Federal or State bankruptcy, insolvency or other similar law, or the consent by it to the entry of an order for relief in an involuntary case under any such law or to the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator (or other similar official) of the Company or of any substantial part of its property, or the making by it of an assignment for the benefit of its creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Company in furtherance of any such action; or

(7) any other Event of Default provided with respect to Debt Securities of that series pursuant to Section 3.01.

Section 5.02. Acceleration of Maturity; Rescission and Annulment.

If an Event of Default with respect to Debt Securities of any series at the time Outstanding occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Debt Securities of such series may declare the principal amount (or, if any Debt Securities of such series are Discount Securities, such portion of the principal amount of such Discount Securities as may be specified in the terms of such Discount Securities) of all the Debt Securities of such series to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) plus accrued and unpaid interest (and premium, if payable) shall become immediately due and payable. Upon payment of such amount in the Currency in which such Debt Securities are denominated (except as otherwise provided pursuant to Sections 3.01 or 3.10), all obligations of the Company in respect of the payment of principal of the Debt Securities of such series shall terminate.

At any time after such a declaration of acceleration with respect to Debt Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount of the Outstanding Debt Securities of such series, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if

(1) the Company has paid or deposited with the Trustee a sum in the Currency in which such Debt Securities are denominated (except as otherwise provided pursuant to Section 3.01 or 3.10) sufficient to pay

(A) all overdue installments of interest on all Debt Securities of such series,

(B) the principal of (and premium, if any, on) any Debt Securities of such series which have become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in such Debt Securities,

(C) to the extent that payment of such interest is lawful, interest upon overdue installments of interest on each Debt Security of such series at the Overdue Rate, and

(D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel; *provided, however*, that all sums payable under this clause (D) shall be paid in Dollars;

and

(2) All Events of Default with respect to Debt Securities of such series, other than the nonpayment of the principal of Debt Securities of such series which has become due solely by such declaration of acceleration, have been cured or waived as provided in Section 5.13.

No such rescission and waiver shall affect any subsequent default or impair any right consequent thereon.

Section 5.03. Collection of Indebtedness and Suits for Enforcement by Trustee.

The Company covenants that if

(1) default is made in the payment of any installment of interest on any Debt Security when such interest becomes due and payable and such default continues for a period of 30 days,

(2) default is made in the payment of principal of (or premium, if any, on) any Debt Security at the Maturity thereof, or

(3) default is made in the making or satisfaction of any sinking fund payment or analogous obligation when the same becomes due pursuant to the terms of the Debt Securities of any series,

the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Debt Securities, the amount then due and payable on such Debt Securities, for the principal (and premium, if any) and interest, if any, and, to the extent that payment of such interest shall be legally enforceable, interest upon the overdue principal (and premium, if any) and upon overdue installments of interest, at the Overdue Rate; and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Company fails to pay such amount forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, and may prosecute such proceeding to judgment or final decree, and may enforce the same against the Company or any other obligor upon such Debt Securities, and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon such Debt Securities wherever situated.

If an Event of Default with respect to Debt Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Debt Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most

effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

Section 5.04. Trustee May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceedings, or any voluntary or involuntary case under the Federal bankruptcy laws, as now or hereafter constituted, relative to the Company or any other obligor upon the Debt Securities of a particular series or the property of the Company or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of such Debt Securities shall

29

then be due and payable as therein expressed or by declaration of acceleration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(i) to file and prove a claim for the whole amount of principal (or, if the Debt Securities of such series are Discount Securities, such portion of the principal amount as may be due and payable with respect to such series pursuant to a declaration in accordance with Section 5.02) (and premium, if any) and interest owing and unpaid in respect of the Debt Securities of such series and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders of such Debt Securities allowed in such judicial proceeding, and

(ii) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same;

and any receiver, assignee, trustee, custodian, liquidator, sequestrator (or other similar official) in any such proceeding is hereby authorized by each such Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to such Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 6.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Debt Securities of such series or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 5.05. Trustee May Enforce Claims Without Possession of Debt Securities.

All rights of action and claims under this Indenture or the Debt Securities of any series may be prosecuted and enforced by the Trustee without the possession of any of such Debt Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name, as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Debt Securities in respect of which such judgment has been recovered.

Section 5.06. Application of Money Collected.

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (and premium, if any) or interest, upon presentation of the Debt Securities of any series in respect of which money has been collected and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 6.07;

SECOND: To the payment of the amounts then due and unpaid for principal of (and premium, if any) and interest on the Debt Securities of such series, in respect of which or for the benefit of which such money has been collected ratably, without preference or priority of any

30

kind, according to the amounts due and payable on such Debt Securities for principal (and premium, if any) and interest, respectively; and

THIRD: The balance, if any, to the Person or Persons entitled thereto.

Section 5.07. Limitation on Suits.

No Holder of any Debt Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

(1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to such series;

(2) the Holders of not less than 25% in principal amount of the Outstanding Debt Securities of such series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(3) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding;

and

(5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Debt Securities of such series;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other such Holders or of the Holders of Outstanding Debt Securities of any other series, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all of such Holders. For the protection and enforcement of the provisions of this Section 5.07, each and every Holder of Debt Securities of any series and the Trustee for such series shall be entitled to such relief as can be given at law or in equity.

Section 5.08. Unconditional Right of Holders to Receive Principal, Premium and Interest.

Notwithstanding any other provision in this Indenture, the Holder of any Debt Security shall have the right, which is absolute and unconditional, to receive payment of the principal of (and premium, if any) and (subject to Section 3.07) interest on such Debt Security on the respective Stated Maturity or Maturities expressed in such Debt Security (or, in the case of redemption, on the Redemption Date) and to institute suit for the enforcement of any such payment and interest thereon, and such right shall not be impaired without the consent of such Holder.

Section 5.09. Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined

31

adversely to the Trustee or to such Holder, then and in every such case the Company, the Trustee and the Holders shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 5.10. Rights and Remedies Cumulative.

Except as otherwise expressly provided elsewhere in this Indenture, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.11. Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or any acquiescence therein. Every right and remedy given by this Indenture or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 5.12. Control by Holders.

The Holders of a majority in principal amount of the Outstanding Debt Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to the Debt Securities of such series, *provided*, that

- (1) such direction shall not be in conflict with any rule of law or with this Indenture;
- (2) subject to the provisions of Section 6.01, the Trustee shall have the right to decline to follow any such direction if the Trustee in good faith shall, by a Responsible Officer or Responsible Officers of the Trustee, determine that the proceeding so directed would be unjustly prejudicial to the Holders of Debt Securities of such series not joining in any such direction; and
- (3) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

Section 5.13. Waiver of Past Defaults.

The Holders of not less than a majority in aggregate principal amount of the Outstanding Debt Securities of any series may on behalf of the Holders of all the Debt Securities of any such series waive any past default hereunder with respect to such series and its consequences, except a default

- (1) in the payment of the principal of (or premium, if any) or interest on any Debt Security of such series, or in the payment of any sinking fund installment or analogous obligation with respect to the Debt Securities of such series, or

32

- (2) in respect of a covenant or provision hereof which pursuant to Article Ten cannot be modified or amended without the consent of the Holder of each Outstanding Debt Security of such series affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of the Debt Securities of such series under this Indenture, but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

All parties to this Indenture agree, and each Holder of any Debt Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit other than the Trustee of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant, but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder or group of Holders holding in the aggregate more than 10% in principal amount of the Outstanding Debt Securities of any series, or to any suit instituted by any Holder of a Debt Security for the enforcement of the payment of the principal of (or premium, if any) or interest on such Debt Security on or after the respective Stated Maturity or Maturities expressed in such Debt Security (or, in the case of redemption, on or after the Redemption Date).

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE 6

THE TRUSTEE

- (a) Except during the continuance of an Event of Default with respect to the Debt Securities of any series,
- (1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and
 - (2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the

case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture.

(b) In case an Event of Default with respect to Debt Securities of any series has occurred and is continuing, the Trustee shall, with respect to the Debt Securities of such series, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

- (1) this subsection shall not be construed to limit the effect of subsection (a) of this Section;
- (2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;
- (3) the Trustee shall not be liable with respect to any action taken, suffered or omitted to be taken by it with respect to Debt Securities of any series in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Debt Securities of such series relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture; and
- (4) the Trustee shall not be required to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

Within 90 days after the occurrence of any default hereunder with respect to Debt Securities, of any series, the Trustee shall give notice to all Holders of Debt Securities of such series of such default hereunder known to the Trustee, unless such default shall have been cured or waived; *provided, however,* that, except in the case of a default in the payment of the principal of (or premium, if any) or interest on any Debt Security of such series or in the payment of any sinking fund installment with respect to Debt Securities of such series, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or Responsible Officers of the Trustee in good faith determine that the withholding of such notice is in the interest of the Holders of Debt Securities of such series; and *provided, further,* that in the case of any default of the character specified in Section 5.01(4) with respect to Debt Securities of such series no such notice to Holders shall be given until at least 30 days after the occurrence thereof. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Debt Securities of such series.

Notice given pursuant to this Section 6.02 shall be transmitted by mail:

- (1) to all Registered Holders, as the names and addresses of the Registered Holders appear in the Security Register; and
- (2) to each Holder of a Debt Security of any series whose name and address appear in the information preserved at the time by the Trustee in accordance with Section 7.02(a) of this Indenture.

Section 6.03. Certain Rights of Trustee.

Except as otherwise provided in Section 6.01:

- (a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;
- (b) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors shall be sufficiently evidenced by a Board Resolution;
- (c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate;
- (d) the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;
- (e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders of Debt Securities of any series pursuant to this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;
- (f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by a agent or attorney; and
- (g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent (including any agent appointed pursuant to Section 3.10(i)) or attorney appointed with due care by it hereunder.

Section 6.04. Not Responsible for Recitals or Issuance of Debt Securities.

The recitals contained herein and in the Debt Securities, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Debt Securities of any series. The Trustee shall not be accountable for the use or application by the Company of any Debt Securities or the proceeds thereof.

Section 6.05. May Hold Debt Securities.

The Trustee, any Paying Agent, the Security Registrar or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Debt Securities, and, subject to Sections 6.08 and 6.13, may otherwise deal with the Company with the same rights it would have if it were not Trustee, Paying Agent, Security Registrar or such other agent.

Section 6.06. Money Held in Trust.

Money in any Currency held by the Trustee or any Paying Agent in trust hereunder need not be segregated from other funds except to the extent required by law. Neither the Trustee nor any Paying Agent shall be under any liability for interest on any money received by it hereunder except as otherwise agreed with the Company.

Section 6.07. Compensation and Reimbursement.

The Company agrees:

- (1) to pay to the Trustee from time to time reasonable compensation in Dollars for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);
- (2) except as otherwise expressly provided herein, to reimburse the trustee in Dollars upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable

compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith; and

(3) to indemnify in Dollars the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of this trust or performance of its duties hereunder, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

As security for the performance of the obligations of the Company under this Section, the Trustee shall have a claim prior to the Debt Securities upon all property and funds held or collected by the Trustee as such, except funds held in trust for the payment of amounts due on the Debt Securities.

The obligations of the Company under this Section 6.07 to compensate and indemnify the Trustee for expenses, disbursements and advances shall constitute additional indebtedness under this Indenture and shall survive the satisfaction and discharge of this Indenture.

Section 6.08. Disqualification; Conflicting Interests.

(a) If the Trustee has or shall acquire any conflicting interest, as defined in this Section with respect to the Debt Securities of any series, then, within 90 days after ascertaining that it has such conflicting interest, and if the default (as hereinafter defined) to which such conflicting interest relates has not been cured or duly waived or otherwise eliminated before the end of such 90-day period, the Trustee shall either eliminate such conflicting interest or, except as otherwise provided below, resign with respect to the Debt Securities of such series, and the Company shall take prompt steps to have a successor appointed, in the manner and with the effect hereinafter specified in this Article.

(b) In the event that the Trustee shall fail to comply with the provisions of subsection (a) of this Section with respect to the Debt Securities of any series, the Trustee shall, within 10 days after the expiration of such 90-day period, transmit to all Holders of Debt Securities of such series notice of such failure.

Notice given pursuant to this Section 6.08(b) shall be transmitted by mail:

(1) to all Registered Holders, as the names and addresses of the Registered Holders appear in the Security Register; and

(2) to each Holder of a Debt Security of any series whose name and address appear in the information preserved at the time by the Trustee in accordance with Section 7.02(a) of this Indenture.

(c) For the purposes of this Section, the Trustee shall be deemed to have a conflicting interest with respect to the Debt Securities of any series, if there shall exist an Event of Default (as such term is defined herein, but exclusive of any period of grace or requirement of notice) with respect to such Debt Securities and

(1) the Trustee is trustee under this Indenture with respect to the Outstanding Debt Securities of any series other than that series or is trustee under another indenture under which any other securities, or certificates of interest or participation in any other securities, of the Company are outstanding, unless such other indenture is a collateral trust indenture under which the only collateral consists of Debt Securities issued under this Indenture, *provided* that there shall be excluded from the operation of this paragraph this Indenture with respect to the Debt Securities of any series other than that series and any other indenture or indentures under which other securities, or certificates of interest or participation in other securities, of the Company are outstanding, if

(i) this Indenture and such other indenture or indentures (and all series of securities issuable thereunder) are wholly unsecured and rank equally and such other indenture or indentures are hereafter qualified under the Trust Indenture Act, unless the Commission shall have found and declared by order pursuant to Section 305(b) or Section 307(c) of the Trust Indenture Act that differences exist between the provisions of this Indenture with respect to the Debt Securities of such series and one or more other series or the provisions of such other indenture or indentures which are so likely to involve a material conflict of interest as to make it necessary, in the public interest or for the protection of investors to disqualify the Trustee from acting as such under this Indenture with respect to the Debt Securities of such series and such other series or under such other indenture or indentures, or

(ii) the Company shall have sustained the burden of proving, on application to the Commission and after opportunity for hearing thereon, that trusteeship under this Indenture with respect to the Debt Securities of such series and such other series or such other indenture or indentures is not so likely to involve a material conflict of interest as to make it necessary in the public interest or for the protection of investors to disqualify the Trustee from acting as such under this Indenture with respect to the Debt Securities of such series and such other series or under such other indenture or indentures;

(2) the Trustee or any of its directors or executive officers is an underwriter for the Company;

(3) the Trustee directly or indirectly controls or is directly or indirectly controlled by or is under direct or indirect common control with an underwriter for the Company;

(4) the Trustee or any of its directors or executive officers is a director, officer, partner, employee, appointee or representative of the Company, or of an underwriter (other than the Trustee itself) for the Company who is currently engaged in the business of underwriting, except that (i) one individual may be a director or an executive officer, or both, of the Trustee and a director or an executive officer, or both, of the Company but may not be at the same time an executive officer of both the Trustee and the Company; (ii) if and so long as the number of directors of the Trustee in office is more than nine, one additional individual may be a director or an executive officer, or both, of the Trustee and a director of the Company;

and (iii) the Trustee may be designated by the Company or by any underwriter for the Company to act in the capacity of transfer agent, registrar, custodian, paying agent, fiscal agent, escrow agent, or depository or in any other similar capacity, or, subject to the provisions of paragraph (1) of this subsection, to act as trustee, whether under an indenture or otherwise;

(5) 10% or more of the voting securities of the Trustee is beneficially owned either by the Company or by any director, partner or executive officer thereof, or 20% or more of such voting securities is beneficially owned, collectively, by any two or more of such persons; or 10% or more of the voting securities of the Trustee is beneficially owned either by an underwriter for the Company or by any director, partner or executive officer thereof or is beneficially owned, collectively, by any two or more such persons;

(6) the Trustee is the beneficial owner of, or holds as collateral security for an obligation which is in default (as hereinafter in this subsection defined), (i) 5% or more of the voting securities, or 10% or more of any other class of security, of the Company not including the Debt Securities issued under this Indenture and securities issued under any other indenture under which the Trustee is also trustee, or (ii) 10% or more of any class of security of an underwriter for the Company;

(7) the Trustee is the beneficial owner of or holds as collateral security for an obligation which is in default, 5% or more of the voting securities of any person who, to the knowledge of the Trustee, owns 10% or more of the voting securities of, or controls directly or indirectly or is under direct or indirect common control with, the Company;

(8) the Trustee is the beneficial owner of or holds as collateral security for an obligation which is in default, 10% or more of any class of security of any person who, to the knowledge of the Trustee, owns 50% or more of the voting securities of the Company;

38

(9) the Trustee owns, on the date of such Event of Default or any anniversary of such Event of Default while such Event of Default remains outstanding, in the capacity of executor, administrator, testamentary or inter vivos trustee, guardian, committee or conservator, or in any other similar capacity, an aggregate of 25% or more of the voting securities, or of any class of security, of any person, the beneficial ownership of a specified percentage of which would have constituted a conflicting interest under paragraph (6), (7) or (8) of this subsection. As to any such securities of which the Trustee acquired ownership through becoming executor, administrator or testamentary trustee of an estate which included them, the provisions of the preceding sentence shall not apply, for a period of not more than two years from the date of such acquisition, to the extent that such securities included in such estate do not exceed 25% of such voting securities or 25% of any such class of security. Promptly after the dates of any such Event of Default and annually in each succeeding year that such Event of Default continues, the Trustee shall make a check of its holdings of such securities in any of the above-mentioned capacities as of such dates. If the Company fails to make payment in full of the principal of (or premium, if any) or interest on any of the Debt Securities when and as the same becomes due and payable, and such failure continues for 30 days thereafter, the Trustee shall make a prompt check of its holdings of such securities in any of the above-mentioned capacities as of the date of the expiration of such 30-day period, and after such date, notwithstanding the foregoing provisions of this paragraph, all such securities so held by the Trustee, with sole or joint control over such securities vested in it, shall be considered as though beneficially owned by the Trustee for the purposes of paragraphs (6), (7) and (8) of this subsection; or

(10) except under the circumstances described in paragraphs (1), (3), (4), (5) or (6) of Section 6.13(b) of this Indenture, the Trustee shall be or shall become a creditor of the Company.

For the purposes of paragraph (1) of this subsection, the term "series of securities" or "series" means a series, class or group of securities issuable under an indenture pursuant to whose terms holders of one such series may vote to direct the Trustee, or otherwise take action pursuant to a vote of such holders, separately from holders of another series; *provided*, that "series of securities" or "series" shall not include any series of securities issuable under an indenture if all such series rank equally and are wholly unsecured.

The specification of percentages in paragraphs (5) to (9), inclusive, of this subsection shall not be construed as indicating that the ownership of such percentages of the securities of a person is or is not necessary or sufficient to constitute direct or indirect control for the purposes of paragraph (3) or (7) of this subsection.

For the purposes of paragraphs (6), (7), (8) and (9) of this subsection only, (i) the terms "security" and "securities" shall include only such securities as are generally known as corporate securities, but shall not include any note or other evidence of indebtedness issued to evidence an obligation to repay moneys lent to a person by one or more banks, trust companies or banking firms, or any certificate of interest or participation in any such note or evidence of indebtedness; (ii) an obligation shall be deemed to be "in default" when a default in payment of principal shall have continued for 30 days or more and shall not have been cured; and (iii) the Trustee shall not be deemed to be the owner or holder of (A) any security which it holds as collateral security, as trustee or otherwise, for an obligation which is not in default as defined in clause (ii) above, or (B) any security which it holds as collateral security under this Indenture, irrespective of any default hereunder, or (C) any security which it holds as agent for collection, or as custodian, escrow agent or depository, or in any similar representative capacity.

(d) For the purposes of this Section:

39

(1) The term "underwriter" when used with reference to the Company means every person who, within one year prior to the time as of which the determination is made, has purchased from the Company with a view to, or has offered or sold for the Company in connection with, the distribution of any security of the Company outstanding at such time, or has participated or has had a direct or indirect participation in any such undertaking, or has participated or has had a participation in the direct or indirect underwriting of any such undertaking, but such term shall not include a person whose interest was limited to a commission from an underwriter or dealer not in excess of the usual and customary distributors' or sellers' commission.

(2) The term "director" means any director of a corporation, or any individual performing similar functions with respect to any organization, whether incorporated or unincorporated.

(3) The term “person” means an individual, a corporation, a partnership, an association, a joint stock company, a trust, an estate, an unincorporated organization, or a government or political subdivision thereof. As used in this paragraph, the term “trust” shall include only a trust where the interest or interests of the beneficiary or beneficiaries are evidenced by a security.

(4) The term “voting security” means any security presently entitling the owner or holder thereof to vote in the direction or management of the affairs of a person, or any security issued under or pursuant to any trust, agreement or arrangements whereby a trustee or trustees or agent or agents for the owner or holder of such security are presently entitled to vote in the direction or management of the affairs of a person.

(5) The term “Company” means any obligor upon the Debt Securities of any series.

(6) The term “executive officer” means the president, every vice president, every trust officer, the cashier, the secretary, and the treasurer of a corporation, and any individual customarily performing similar functions with respect to any organization, whether incorporated or unincorporated, but shall not include the chairman of the board of directors.

(e) The percentages of voting securities and other securities specified in this Section shall be calculated in accordance with the following provisions:

(1) A specified percentage of the voting securities of the Trustee, the Company or any other person referred to in this Section (each of whom is referred to as a “person” in this paragraph) means such amount of the outstanding voting securities of such person as entitles the holder or holders thereof to cast such specified percentage of the aggregate votes which the holders of all the outstanding voting securities of such person are entitled to cast in the direction or management of the affairs of such person.

(2) A specified percentage of a class of securities of a person means such percentage of the aggregate amount of securities of the class outstanding.

(3) The term “amount”, when used with regard to securities means the principal amount if relating to evidences of indebtedness, the number of shares if relating to capital shares, and the number of units if relating to any other kind of security.

(4) The term “outstanding” means issued and not held by or for the account of the issuer. The following securities shall not be deemed outstanding within the meaning of this definition:

40

(i) securities of an issuer held in a sinking fund relating to securities of the issuer of the same class;

(ii) securities of an issuer held in a sinking fund relating to another class of securities of the issuer, if the obligation evidenced by such other class of securities is not in default as to principal or interest or otherwise;

(iii) securities pledged by the issuer thereof as security for an obligation of the issuer not in default as to principal or interest or otherwise; and

(iv) securities held in escrow if placed in escrow by the issuer thereof;

provided, however, that any voting securities of an issuer shall be deemed outstanding if any person other than the issuer is entitled to exercise the voting rights thereof.

(5) A security shall be deemed to be of the same class as another security if both securities confer upon the holder or holders thereof substantially the same rights and privileges; *provided, however*, that, in the case of secured evidences of indebtedness, all of which are issued under a single indenture, differences in the interest rates or maturity dates of various series thereof shall not be deemed sufficient to constitute such series different classes; and *provided, further*, that, in the case of unsecured evidences of indebtedness, differences in the interest rates or maturity dates thereof shall not be deemed sufficient to constitute them securities of different classes, whether or not they are issued under a single indenture.

(f) Except in the case of a default in the payment of the principal of or interest on any Debt Security of any series, or in the payment of any sinking or purchase fund installment, the Trustee shall not be required to resign as provided by this Section if the Trustee shall have sustained the burden of proving, on application to the Commission and after opportunity for hearing thereon, that:

(1) the Event of Default may be cured or waived during a reasonable period and under the procedures described in such application; and

(2) a stay of the Trustee’s duty to resign will not be inconsistent with the interests of Holders of the Debt Securities.

The filing of such an application shall automatically stay the performance of the duty to resign until the Commission orders otherwise.

Section 6.09. Corporate Trustee Required; Eligibility.

There shall at all times be a Trustee hereunder which shall be a corporation organized and doing business under the laws of the United States of America, any State thereof or the District of Columbia, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$100,000,000, subject to supervision or examination by Federal, State or District of Columbia authority. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. Neither the Company nor any person directly or indirectly controlling, controlled by, or under common control with the Company shall serve as Trustee upon any Debt Securities.

Section 6.10. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee under Section 6.11.

(b) The Trustee may resign at any time with respect to the Debt Securities of one or more series by giving written notice thereof to the Company. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Debt Securities of such series.

(c) The Trustee may be removed at any time with respect to the Debt Securities of any series and a successor Trustee appointed by Act of the Holders of a majority in principal amount of the Outstanding Debt Securities of such series, delivered to the Trustee and to the Company.

(d) If at any time:

(1) the Trustee shall fail to comply with Section 6.08(a) with respect to the Debt Securities of any series after written request therefor by the Company or by any Holder who has been a bona fide Holder of a Debt Security of such series for at least six months, or

(2) the Trustee shall cease to be eligible under Section 6.09 with respect to the Debt Securities of any series and shall fail to resign after written request therefor by the Company or by any such Holder, or

(3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (i) the Company by a Board Resolution may remove the Trustee with respect to all Debt Securities, or (ii) subject to Section 5.14, any Holder who has been a bona fide Holder of a Debt Security of any series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee for the Debt Securities of such series.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, with respect to the Debt Securities of one or more series, the Company, by a Board Resolution, shall promptly appoint a successor Trustee or Trustees with respect to the Debt Securities of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Debt Securities of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Debt Securities of any particular series) and shall comply with the applicable requirements of Section 6.11. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Debt Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Debt Securities of such series delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee with respect to the Debt Securities of such series and to that extent supersede the successor Trustee appointed by the Company. If no successor Trustee with respect to the Debt Securities of any series shall have been so appointed by the Company or the Holders of such series and accepted appointment in the manner hereinafter

provided, any Holder who has been a bona fide Holder of a Debt Security of such series for at least six months may, subject to Section 5.14, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Debt Securities of such series.

(f) The Company shall give notice of each resignation and each removal of the Trustee with respect to the Debt Securities of any series and each appointment of a successor Trustee with respect to the Debt Securities of any series in the manner and to the extent provided in Section 1.05 to the Holders of Debt Securities of such series. Each notice shall include the name of the successor Trustee with respect to the Debt Securities of such series and the address of its Corporate Trust Office.

Section 6.11. Acceptance of Appointment by Successor.

(a) In the case of an appointment hereunder of a successor Trustee with respect to all Debt Securities, each such successor Trustee so appointed shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee, but, on request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder, subject nevertheless to its claim, if any, provided for in Section 6.07.

(b) In case of the appointment hereunder of a successor Trustee with respect to the Debt Securities of one or more (but not all) series, the Company, the retiring Trustee and each successor Trustee with respect to the Debt Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Debt Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Debt Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Debt Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in any such supplemental indenture shall constitute such Trustees co-trustees

of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any other trust or trusts hereunder administered by any other such Trustee; and upon the execution and delivery of any such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Debt Securities of that or those series to which the appointment of such successor Trustee relates, but, on request of the Company or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Debt Securities of that or those series to which the appointment of such successor Trustee relates.

(c) Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in paragraph (a) or (b) of this Section, as the case may be.

43

(d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

Section 6.12. Merger, Conversion, Consolidation or Succession to Business.

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, *provided* that such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Debt Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Debt Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Debt Securities. In case any Debt Securities shall not have been authenticated by such predecessor Trustee, any such successor Trustee may authenticate and deliver such Debt Securities, in either its own name or that of its predecessor Trustee, with the full force and effect which this Indenture provides for the certificate of authentication of the Trustee.

Section 6.13. Preferential Collection of Claims Against Company.

(a) Subject to subsection (b) of this Section, if the Trustee shall be or shall become a creditor, directly or indirectly, secured or unsecured, of the Company within three months prior to a default, as defined in subsection (c) of this Section, or subsequent to such default, then, unless and until such default shall be cured, the Trustee shall set apart and hold in a special account for the benefit of the Trustee individually, the Holders of the Debt Securities and the holders of other indenture securities (as defined in subsection (c) of this Section):

(1) an amount equal to any and all reductions in the amount due and owing upon any claim as such creditor in respect of principal or interest, effected after the beginning of such three-month period and valid as against the Company and its other creditors, except any such reduction resulting from the receipt or disposition of any property described in paragraph (2) of this subsection, or from the exercise of any right of setoff which the Trustee could have exercised if a voluntary or involuntary case had been commenced in respect of the Company under the Federal bankruptcy laws, as now or hereafter constituted, or any other applicable Federal or State bankruptcy, insolvency or other similar law upon the date of such default; and

(2) all property received by the Trustee in respect of any claim as such creditor, either as security therefor, or in satisfaction or composition thereof, or otherwise, after the beginning of such three-month period, or an amount equal to the proceeds of any such property, if disposed of, subject, however, to the rights, if any, of the Company and its other creditors in such property or such proceeds.

Nothing herein contained, however, shall affect the right of the Trustee:

(A) to retain for its own account (i) payments made on account of any such claim by any Person (other than the Company) who is liable thereon, (ii) the proceeds of the bona fide sale of any such claim by the Trustee to a third Person, and (iii) distributions made in cash, securities or other property in respect of claims filed against the Company in bankruptcy or receivership or in proceedings or reorganization pursuant to the Federal bankruptcy laws, as now or hereafter constituted, or any other applicable Federal or State bankruptcy, insolvency or other similar law;

44

(B) to realize, for its own account, upon any property held by it as security for any such claim, if such property was so held prior to the beginning of such three-month period;

(C) to realize, for its own account, but only to the extent of the claim hereinafter mentioned, upon any property held by it as security for any such claim, if such claim was created after the beginning of such three-month period and such property was received as security therefor simultaneously with the creation thereof, and if the Trustee shall sustain the burden of proving that at the time such property was so received the Trustee had no reasonable cause to believe that a default, as defined in subsection (c) of this Section, would occur within three months; or

(D) to receive payment on any claim referred to in paragraph (B) or (C) against the release of any property held as security for such claim as provided in paragraph (B) or (C), as the case may be, to the extent of the fair value of such property.

For the purposes of paragraphs (B), (C) and (D), property substituted after the beginning of such three-month period for property held as security at the time of such substitution shall, to the extent of the fair value of the property released, have the same status as the property released, and, to the extent that any claim referred to in any of such paragraphs is created in renewal of or in substitution for or for the purpose of repaying or refunding any pre-existing claim of the Trustee as such creditor, such claim shall have the same status as such pre-existing claim.

If the Trustee shall be required to account, the funds and property held in such special account and the proceeds thereof shall be apportioned among the Trustee, the Holders and the holders of other indenture securities in such manner that the Trustee, the Holders and the holders of other indenture securities realize, as a result of payments from such special account and payments of dividends on claims filed against the Company in bankruptcy or receivership or in proceedings for reorganization pursuant to the Federal bankruptcy laws, as now or hereafter constituted or any other applicable Federal or State bankruptcy, insolvency or other similar law, the same percentage of their respective claims, figured before crediting to the claim of the Trustee anything on account of the receipt by it from the Company of the funds and property in such special account and before crediting to the respective claims of the Trustee and the Holders and the holders of other indenture securities dividends on claims filed against the Company in bankruptcy or receivership or in proceedings for reorganization pursuant to the Federal bankruptcy laws, as now or hereafter constituted, or any other applicable Federal or State bankruptcy, insolvency or other similar law, but after crediting thereon receipts on account of the indebtedness represented by their respective claims from all sources other than from such dividends and from the funds and property so held in such special account. As used in this paragraph, with respect to any claim, the term "dividends" shall include any distribution with respect to such claim, in bankruptcy or receivership or proceedings for reorganization pursuant to the Federal bankruptcy laws, as now or hereafter constituted, or any other applicable Federal or State bankruptcy, insolvency or other similar law, whether such distribution is made in cash, securities, or other property, but shall not include any such distribution with respect to the secured portion, if any, of such claim. The court in which such bankruptcy, receivership or proceedings for reorganization is pending shall have jurisdiction (i) to apportion among the Trustee and the Holders and the holders of other indenture securities, in accordance with the provisions of this paragraph, the funds and property held in such special account and proceeds thereof, or (ii) in lieu of such apportionment, in whole or in part, to give to the provisions of this paragraph due consideration in determining the fairness of the distributions to be made to the Trustee and the Holders and the holders of other indenture securities with respect to their respective claims, in which event it shall not be necessary to liquidate or to appraise the value of any securities or other property held in such special account or as security for any such claim, or to make a specific allocation of such distributions as between the secured and unsecured portions of such claim, or otherwise to apply the provisions of this paragraph as a mathematical formula.

Any Trustee which has resigned or been removed after the beginning of such three-month period shall be subject to the provisions of this subsection as though such resignation or removal had not occurred. If any Trustee has resigned or been removed prior to the beginning of such three-month period, it shall be subject to the provisions of this subsection if and only if the following conditions exist:

- (i) the receipt of property or reduction of claim, which would have given rise to the obligation to account, if such Trustee had continued as Trustee, occurred after the beginning of such three-month period; and
 - (ii) such receipt of property or reduction of claim occurred within three months after such resignation or removal.
- (b) There shall be excluded from the operation of subsection (a) of this Section a creditor relationship arising from:
- (1) the ownership or acquisition of securities issued under any indenture, or any security or securities having a maturity of one year or more at the time of acquisition by the Trustee;
 - (2) advances authorized by a receivership or bankruptcy court of competent jurisdiction or by this Indenture, for the purpose of preserving any property which shall at any time be subject to the Lien of this Indenture or of discharging tax liens or other prior liens or encumbrances thereon, if notice of such advances and of the circumstances surrounding the making thereof is given to the Holders at the time and in the manner provided in this Indenture;
 - (3) disbursements made in the ordinary course of business in the capacity of trustee under an indenture, transfer agent, registrar, custodian, paying agent, fiscal agent or depository, or other similar capacity;
 - (4) an indebtedness created as a result of services rendered or premises rented, or an indebtedness created as a result of goods or securities sold in a cash transaction as defined in subsection (c) of this Section;
 - (5) the ownership of stock or of other securities of a corporation organized under the provisions of Section 25(a) of the Federal Reserve Act, as amended, which is directly or indirectly a creditor of the Company; and
 - (6) the acquisition, ownership, acceptance or negotiation of any drafts, bills of exchange, acceptances or obligations which fall within the classification of self-liquidating paper as defined in subsection (c) of this Section.
- (c) For the purposes of this Section only:
- (1) The term "default" means any failure to make payment in full of the principal of or interest on any of the Debt Securities or upon the other indenture securities when and as such principal or interest becomes due and payable.
 - (2) The term "other indenture securities" means securities upon which the Company is an obligor outstanding under any other indenture (i) under which the Trustee is also trustee, (ii) which contains provisions substantially similar to the provisions of this Section, and (iii) under

which a default exists at the time of the apportionment of the funds and property held in such special account.

(3) The term "cash transaction" means any transaction in which full payment for goods or securities sold is made within seven days after delivery of the goods or securities in currency or in checks or other orders drawn upon banks and payable upon demand.

(4) The term "self-liquidating paper" means any draft, bill of exchange, acceptance or obligation which is made, drawn, negotiated or incurred by the Company for the purpose of financing the purchase, processing, manufacturing, shipment, storage or sale of goods, wares or

merchandise and which is secured by documents evidencing title to, possession of, or a lien upon, the goods, wares or merchandise or the receivables or proceeds arising from the sale of the goods, wares or merchandise previously constituting the security, *provided* the security is received by the Trustee simultaneously with the creation of the creditor relationship with the Company arising from the making, drawing, negotiating or incurring of the draft, bill of exchange, acceptance or obligation.

(5) The term “Company” means any obligor upon the Debt Securities.

Section 6.14. Appointment of Authenticating Agent.

As long as any Debt Securities of a series remain Outstanding, upon a Company Request, there shall be an authenticating agent (the “Authenticating Agent”) appointed, for such period as the Company shall elect, by the Trustee for such series of Debt Securities to act as its agent on its behalf and subject to its direction in connection with the authentication and delivery of each series of Debt Securities for which it is serving as Trustee. Debt Securities of each such series authenticated by such Authenticating Agent shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by such Trustee. Wherever reference is made in this Indenture to the authentication and delivery of Debt Securities of any series by the Trustee for such series or to the Trustee’s Certificate of Authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee for such series by an Authenticating Agent for such series and a Certificate of Authentication executed on behalf of such Trustee by such Authenticating Agent, except that only the Trustee may authenticate Debt Securities upon original issuance and pursuant to Section 3.06 hereof. Such Authenticating Agent shall at all times be a corporation organized and doing business under the laws of the United States of America or of any State, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$10,000,000 and subject to supervision or examination by Federal or State authority. If such Authenticating Agent publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for purposes of this Section, the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which any Authenticating Agent may be merged or converted, or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate agency business of any Authenticating Agent, shall continue to be the Authenticating Agent with respect to all series of Debt Securities for which it served as Authenticating Agent without the execution or filing of any paper or any further act on the part of the Trustee for such series or such Authenticating Agent. Any Authenticating Agent may at any time, and if it shall cease to be eligible shall, resign by giving written notice of resignation to the applicable Trustee and to the Company.

Upon receiving such a notice of resignation or upon such a termination, or in case at any time any Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section 6.14 with respect to one or more or all series of Debt Securities, the Trustee for such series shall upon a Company Request appoint a successor Authenticating Agent, and the Company shall provide notice of such appointment to all Holders of Debt Securities of such series in the manner and to the extent provided in Section 1.05. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all rights, powers, duties and responsibilities of its predecessor hereunder, with like effect as if originally named as Authenticating Agent herein. The Trustee for the Debt Securities of such series agrees to pay to the Authenticating Agent for such series from time to time reasonable compensation for its services, and the Trustee shall be entitled to be reimbursed for such payment, subject to the provisions of Section 6.07. The Authenticating Agent for the Debt Securities of any series shall have no responsibility or liability for any action taken by it as such at the direction of the Trustee for such series.

If an appointment with respect to one or more series is made pursuant to this Section, the Debt Securities of such series may have endorsed thereon, in addition to the Trustee’s certificate of authentication, an alternative certificate of authentication in the following form:

HOLDERS’ LISTS AND REPORTS BY TRUSTEE AND COMPANY

Section 7.01. Company to Furnish Trustee Names and Addresses of Holders.

The Company will furnish or cause to be furnished to the Trustee with respect to Registered Securities of each series for which it acts as Trustee:

(a) semi-annually on a date not more than 15 days after each Regular Record Date with respect to an Interest Payment Date, if any, for the Registered Securities of such series (or on semi-annual dates in each year to be determined pursuant to Section 3.01 if the Registered Securities of such series do not bear interest), a list, in such form as the Trustee may reasonably require, of the names and addresses of the Registered Holders as of the date 15 days next preceding each such Regular Record Date (or such semi-annual dates, as the case may be); and

(b) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Company of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished;

provided, however, that if and so long as the Trustee shall be the Security Registrar for such series, no such list need be furnished.

Section 7.02. Preservation of Information; Communication to Holders.

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of Holders contained in the most recent list furnished to the Trustee as provided in Section 7.01 received by it in the capacity of Paying Agent (if so acting) hereunder.

The Trustee may destroy any list furnished to it as provided in Section 7.01 upon receipt of a new list so furnished, destroy any information received by it as Paying Agent (if so acting) hereunder upon delivering to itself as Trustee, not earlier than 45 days after an Interest Payment Date, a list containing the names and addresses of the Holders obtained from such information since the delivery of the next previous list, if any, and destroy any list delivered to itself as Trustee which was compiled from information received by it as Paying Agent (if so acting) hereunder upon the receipt of a new list so delivered.

(b) If three or more Holders (hereinafter referred to as "applicants") apply in writing to the Trustee, and furnish to the Trustee reasonable proof that each such applicant has owned a Debt Security for a period of at least six months preceding the date of such application, and such application states that the applicants desire to communicate with other Holders of Debt Securities of a particular series (in which case the applicants must hold Debt Securities of such series) or with all Holders of Debt Securities with respect to their rights under this Indenture or under the Debt Securities and is accompanied by a copy of the form of proxy or other communication which such applicants propose to transmit, then the Trustee shall, within five Business Days after the receipt of such application, at its election, either

(i) afford such applicants access to the information preserved at the time by the Trustee in accordance with Section 7.02(a), or

(ii) inform such applicants as to the approximate number of Holders of Debt Securities of such series or of all Debt Securities, as the case may be, whose names and addresses appear in the information preserved at the time by the Trustee in accordance with Section 7.02(a), and as to the approximate cost of mailing to such Holders the form of proxy or other communication, specified in such application.

If the Trustee shall elect not to afford such applicants access to such information, the Trustee shall, upon written request of such applicants, mail to the Holders of Debt Securities of such series or all Holders, as the case may be, whose names and addresses appear in the information preserved at the time by the Trustee in accordance with Section 7.02(a), a copy of the form of proxy or other communication which is specified in such request, with reasonable promptness after a tender to the Trustee of the material to be mailed and of payment, or provision for the payment, of the reasonable expenses of mailing, unless within five days after such tender, the Trustee shall mail to such applicants and file with the Commission, together with a copy of the material to be mailed, a written statement to the effect that, in the opinion of the Trustee, such mailing would be contrary to the best interests of the Holders of Debt Securities of such series or all Holders, as the case may be, or would be in violation of applicable law. Such written statement shall specify the basis of such opinion. If the Commission, after opportunity for a hearing upon the objections specified in the written statement so filed, shall enter an order refusing to sustain any of such objections or if after the entry of an order sustaining one or more of such objections, the Commission shall find, after notice and opportunity for hearing, that all the objections so sustained have been met and shall enter an order so declaring, the Trustee shall mail copies of such material to all such Holders with reasonable promptness after the entry of such order and the renewal of such tender; otherwise the Trustee shall be relieved of any obligation or duty to such applicants respecting their application.

(c) Every Holder of Debt Securities, by receiving and holding the same, agrees with the Company and the Trustee that neither the Company nor the Trustee shall be held accountable by reason of

the disclosure of any such information as to the names and addresses of the Holders in accordance with Section 7.02(b), regardless of the source from which such information was derived, and that the Trustee shall not be held accountable by reason of mailing of any material pursuant to a request made under Section 7.02(b).

At any time prior to (but not after) the evidencing to the Trustee, as provided in Section 8.01, of the taking of any Act by the Holders of the percentage in aggregate principal amount of the Outstanding Debt Securities specified in this Indenture in connection with such Act, any Holder of a Debt Security the number, letter or other distinguishing symbol of which is shown by the evidence to be included in the Debt Securities the Holders of which have consented to such Act may, by filing written notice with the Trustee at the Corporate Trust Office and upon proof of ownership as provided in Section 8.02, revoke such Act so far as it concerns such Debt Security. It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture with respect to one or more particular series of Debt Securities or which modifies the rights of the Holders of Debt Securities of such series with respect to such covenant or other provision shall be deemed not to affect the rights under this Indenture of the Holders of Debt Securities of any other series.

The Company, for the benefit of each series of Debt Securities, will duly and punctually pay or cause to be paid the principal of, and premium, if any, and interest on, each of the Debt Securities at the place, at the respective times and in the manner provided herein. Each installment of interest on the Debt Securities may at the Company’s option be paid by mailing checks for such interest payable to the Person entitled thereto to the address of such Person as it appears on the Security Register.

sums shall be paid to such Persons or otherwise disposed of as herein provided, and will promptly notify the Trustee of its action or failure so to act.

Whenever the Company shall have one or more Paying Agents with respect to any series of Debt Securities, it will, by or on each due date of the principal (and premium, if any) or interest on any Debt Securities of such series, deposit with any such Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest so becoming due, such sum to be held in trust for the benefit of the Persons entitled thereto, and (unless any such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

The Company will cause each Paying Agent with respect to any series of Debt Securities other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will:

- (1) hold all sums held by it for the payment of the principal of (and premium, if any) or interest on Debt Securities of such series in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;
- (2) give the Trustee notice of any default by the Company (or any other obligor upon the Debt Securities of such series) in the making of any payment of principal (and premium, if any) or interest on the Debt Securities of such series; and
- (3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of (and premium, if any) or interest on any Debt Security of any series and remaining unclaimed for two years after such principal (and premium, if any) or interest has become due and payable shall be paid to the Company upon Company Request, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Debt Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be transmitted in the manner and to the extent provided by Section 1.05, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification, any unclaimed balance of such money then remaining will be repaid to the Company.

Section 11.05. Corporate Existence.

Subject to Article Nine, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence, rights (charter and statutory) and franchises; *provided, however*, that the Company shall not be required to preserve any such right or franchise if the

58

Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company.

Section 11.06. Waiver of Certain Covenants.

The Company may omit in any particular instance to comply with any term, provision or condition set forth in Section 11.05 (and, if so specified pursuant to Section 3.01, any other covenant not set forth herein and specified pursuant to Section 3.01 to be applicable to the Securities of any series, except as otherwise provided pursuant to Section 3.01) with respect to the Debt Securities of any series if before the time for such compliance the Holders of at least a majority in principal amount of the Outstanding Debt Securities of such series shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition, but no such waiver shall extend to or affect such term, provision or condition except to the extent expressly so waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect.

Section 12.01. Applicability of Article.

Debt Securities of any series which are redeemable before their Maturity shall be redeemable in accordance with their terms and (except as otherwise specified pursuant to Section 3.01 for Debt Securities of any series) in accordance with this Article.

Section 12.02. Election to Redeem; Notice to Trustee.

The election of the Company to redeem (or, in the case of Discount Securities, to permit the Holders to elect to surrender for redemption) any Debt Securities shall be evidenced by a Board Resolution. In case of any redemption at the election of the Company of less than all of the Debt Securities of any series pursuant to Section 12.03, the Company shall, at least 30 days before the Redemption Date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date and of the principal amount of Debt Securities of such series to be redeemed. In the case of any redemption of Debt Securities prior to the expiration of any restriction on such redemption provided in the terms of such Debt Securities or elsewhere in this Indenture, the Company shall furnish the Trustee with an Officers' Certificate evidencing compliance with such restrictions.

Section 12.03. Selection by Trustee of Debt Securities to Be Redeemed.

Except in the case of a redemption in whole of the Registered Securities of such series, if less than all the Debt Securities of any series are to be redeemed at the election of the Company, the particular Debt Securities to be redeemed shall be selected not more than 60 days prior to the Redemption Date by the Trustee, from the Outstanding Debt Securities of such series not previously called for redemption, by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of portions (equal to the minimum authorized denomination for Debt Securities of such series or any integral multiple thereof) of the principal amount of Debt Securities of such series in a denomination larger than the minimum authorized denomination for Debt Securities of such series pursuant to Section 3.02 in the Currency in which the Debt Securities of such series are denominated. The portions of the principal amount of Debt Securities so selected for partial redemption shall be equal to the minimum authorized denominations for Debt Securities of such series pursuant to Section 3.02 in the Currency in

59

which the Debt Securities of such series are denominated or any integral multiple thereof, except as otherwise set forth in the applicable form of Debt Securities. In any case when more than one Registered Security of such series is registered in the same name, the Trustee in its discretion may treat the aggregate principal amount so registered as if it were represented by one Registered Security of such series.

The Trustee shall promptly notify the Company in writing of the Debt Securities selected for redemption and, in the case of any Debt Securities selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Debt Securities shall relate, in the case of any Debt Security redeemed or to be redeemed only in part, to the portion of the principal amount of such Debt security which has been or is to be redeemed.

Section 12.04. Notice of Redemption.

Notice of redemption shall be given by the Company, or at the Company's request, by the Trustee in the name and at the expense of the Company, not less than 30 days and not more than 60 days prior to the Redemption Date to the Holders of Debt Securities of any series to be redeemed in whole or in part pursuant to this Article Twelve, in the manner provided in Section 1.05. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Holder receives such notice. Failure to give such notice, or any defect in such notice to the Holder of any Debt Security of a series designated for redemption, in whole or in part, shall not affect the sufficiency of any notice of redemption with respect to the Holder of any other Debt Security of such series.

All notices of redemption shall state:

- (1) the Redemption Date,
- (2) the Redemption Price,
- (3) that Debt Securities of such series are being redeemed by the Company pursuant to provisions contained in this Indenture or the terms of the Debt Securities of such series or a supplemental indenture establishing such series, if such be the case, together with a brief statement of the facts permitting such redemption,
- (4) if less than all Outstanding Debt Securities of any series are to be redeemed, the identification (and, in the case of partial redemption, the principal amounts) of the particular Debt Securities to be redeemed,
- (5) that on the Redemption Date the Redemption Price will become due and payable upon each such Debt Security to be redeemed, and that interest thereon, if any, shall cease to accrue on and after said date,
- (6) the Place or Places of Payment where such Debt Securities are to be surrendered for payment of the Redemption Price, and
- (7) that the redemption is for a sinking fund, if such is the case.

60

Section 12.05. Deposit of Redemption Price.

On or prior to the Redemption Date for any Debt Securities, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 11.04) an amount of money in the Currency or Currencies in which such Debt Securities are denominated (except as provided pursuant to Section 3.01) sufficient to pay the Redemption Price of such Debt Securities or any portions thereof which are to be redeemed on that date.

Section 12.06. Debt Securities Payable on Redemption Date.

Notice of redemption having been given as aforesaid, any Debt Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price in the Currency in which the Debt Securities of such series are payable (except as otherwise specified pursuant to Section 3.01 or 3.10), and from and after such date (unless the Company shall default in the payment of the Redemption Price) such Debt Securities shall cease to bear interest. Upon surrender of any such Debt Security for redemption in accordance with said notice, such Debt Security shall be paid by the Company at the Redemption Price; *provided, however*, that, unless otherwise specified as contemplated by Section 3.01, installments of interest on Registered Securities which have a Stated Maturity on or prior to the Redemption Date for such Debt Securities shall be payable according to the terms of such Debt Securities and the provisions of Section 3.07.

If any Debt Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Debt Security.

Section 12.07. Debt Securities Redeemed in Part.

Any Debt Security which is to be redeemed only in part shall be surrendered at the Corporate Trust Office or such other office or agency of the Company as is specified pursuant to Section 3.01 with, if the Company, the Security Registrar or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company, the Security Registrar and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing, and the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Debt Security without service charge, a new Debt Security or Debt Securities of the same series, of like tenor and form, of any authorized denomination as requested by such Holder in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Debt Security so surrendered. In the case of a Debt Security providing appropriate space for such notation, at the option of the Holder thereof, the Trustee, in lieu of delivering a new Debt Security or Debt Securities as aforesaid, may make a notation on such Debt Security of the payment of the redeemed portion thereof.

ARTICLE 13

SINKING FUNDS

Section 13.01. Applicability of Article.

The provisions of this Article shall be applicable to any sinking fund for the retirement of Debt Securities of a series except as otherwise specified pursuant to Section 3.01 for Debt Securities of such series.

61

The minimum amount of any sinking fund payment provided for by the terms of Debt Securities of any series is herein referred to as a "mandatory sinking fund payment," and any payment in excess of such minimum amount provided for by the terms of Debt Securities of any series is herein referred to as an "optional sinking fund payment." If provided for by the terms of Debt Securities of any series, the amount of any cash sinking fund payment may be subject to reduction as provided in Section 13.02. Each sinking fund payment shall be applied to the redemption of Debt Securities of any series as provided for by the terms of Debt Securities of such series.

Section 13.02. Satisfaction of Mandatory Sinking Fund Payments with Debt Securities.

In lieu of making all or any part of a mandatory sinking fund payment with respect to any Debt Securities of a series in cash, the Company may at its option, at any time no more than sixteen months and no less than 45 days prior to the date on which such sinking fund payment is due, deliver to the Trustee Debt Securities of such series theretofore purchased or otherwise acquired by the Company, except Debt Securities of such series which have been redeemed through the application of mandatory sinking fund payments pursuant to the terms of the Debt Securities of such series, accompanied by a Company Order instructing the Trustee to credit such obligations and stating that the Debt Securities of such series were originally issued by the Company by way of bona fide sale or other negotiation for value, provided that such Debt Securities shall not have been previously so credited. Such Debt Securities shall be received and credited for such purpose by the Trustee at the Redemption Price specified in such Debt Securities for redemption through operation of the sinking fund and the amount of such mandatory sinking fund payment shall be reduced accordingly.

Section 13.03. Redemption of Debt Securities for Sinking Fund.

Not less than 60 days prior to each sinking fund payment date for any series of Debt Securities (unless a shorter period shall be satisfactory to the Trustee), the Company will deliver to the Trustee an Officers' Certificate specifying the amount of the next ensuing sinking fund payment for that series pursuant to the terms of that series, the portion thereof, if any, which is to be satisfied by payment of cash in the Currency or Currencies in which the Debt Securities of such series are denominated (except as provided pursuant to Section 3.01) and the portion thereof, if any, which is to be satisfied by delivering and crediting Debt Securities of such series pursuant to Section 13.02 and whether the Company intends to exercise its rights to make a permitted optional sinking fund payment with respect to such series. Such certificate shall be irrevocable and upon its delivery the Company shall be obligated to make the cash payment or payments therein referred to, if any, on or before the next succeeding sinking fund payment date. In the case of the failure of the Company to deliver such certificate, the sinking fund payment due on the next succeeding sinking fund payment date for such series shall be paid entirely in cash and shall be sufficient to redeem the principal amount of the Debt Securities of such series subject to a mandatory sinking fund payment without the right to deliver or credit Debt Securities as provided in Section 13.02 and without the right to make any optional sinking fund payment with respect to such series at such time.

Any sinking fund payment or payments (mandatory or optional) made in cash plus any unused balance of any preceding sinking fund payments made with respect to the Debt Securities of any particular series shall be applied by the Trustee (or by the Company if the Company is acting as its own

Paying Agent) on the sinking fund payment date on which such payment is made (or, if such payment is made before a sinking fund payment date, on the sinking fund payment date immediately following the date of such payment) to the redemption of Debt Securities of such series at the Redemption Price specified in such Debt Securities with respect to the sinking fund. Any sinking fund moneys not so applied or allocated by the Trustee (or by the Company if the Company is acting as its own Paying Agent) to the redemption of Debt Securities shall be added to the next sinking fund payment received by the Trustee (or if the Company is acting as its own Paying Agent, segregated and held in trust as provided in Section 11.04)

for such series and, together with such payment (or such amount so segregated) shall be applied in accordance with the provisions of this Section. Any and all sinking fund moneys with respect to the Debt Securities of any particular series held by the Trustee (or if the Company is acting as its own Paying Agent, segregated and held in trust as provided in Section 11.04) on the last sinking fund payment date with respect to Debt Securities of such series and not held for the payment or redemption of particular Debt Securities of such series shall be applied by the Trustee (or by the Company if the Company is acting as its own Paying Agent), together with other moneys, if necessary, to be deposited (or segregated) sufficient for the purpose, to the payment of the principal of the Debt Securities of such series at Maturity.

The Trustee shall select or cause to be selected the Debt Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 12.03 and the Company shall cause notice of the redemption thereof to be given in the manner provided in Section 12.04. Such notice having been duly given, the redemption of such Debt Securities shall be made upon the terms and in the manner stated in Section 12.06.

On or before each sinking fund payment date, the Company shall pay to the Trustee (or, if the Company is acting as its own Paying Agent, the Company shall segregate and hold in trust as provided in Section 11.04) in cash a sum, in the Currency or Currencies in which Debt Securities of such series are denominated (except as provided pursuant to Section 3.01 or 3.10), equal to the principal and any interest accrued to the Redemption Date for Debt Securities or portions thereof to be redeemed on such sinking fund payment date pursuant to this Section.

Neither the Trustee nor the Company shall redeem any Debt Securities of a series with sinking fund moneys or mail any notice of redemption of Debt Securities of such series by operation of the sinking fund for such series during the continuance of a default in payment of interest, if any, on any Debt Securities of such series or of any Event of Default (other than an Event of Default occurring as a consequence of this paragraph) with respect to the Debt Securities of such series, except that if the notice of redemption shall have been provided in accordance with the provisions hereof, the Trustee (or the Company, if the Company is then acting as its own Paying Agent) shall redeem such Debt Securities if cash sufficient for that purpose shall be deposited with the Trustee (or segregated by the Company) for that purpose in accordance with the terms of this Article. Except as aforesaid, any moneys in the sinking fund for such series at the time when any such default or Event of Default shall occur and any moneys thereafter paid into such sinking fund shall, during the continuance of such default or Event of Default, be held as security for the payment of the Debt Securities of such series; *provided, however*, that in case such default or Event of Default shall have been cured or waived as provided herein, such moneys shall thereafter be applied on or prior to the next sinking fund payment date for the Debt Securities of such series on which such moneys may be applied pursuant to the provisions of this Section.

ARTICLE 14

DEFEASANCE

Section 14.01. Applicability of Article.

If, pursuant to Section 3.01, provision is made for the defeasance of Debt Securities of a series, and if the Debt Securities of such series are Registered Securities and denominated and payable only in Dollars (except as provided pursuant to Section 3.01) then the provisions of this Article shall be applicable except as otherwise specified pursuant to Section 3.01 for Debt Securities of such series. Defeasance provisions, if any, for Debt Securities denominated in a Foreign Currency or Currencies may be specified pursuant to Section 3.01.

Section 14.02. Defeasance Upon Deposit of Moneys or U.S. Government Obligations.

At the Company's option, either (a) the Company shall be deemed to have been Discharged (as defined below) from its obligations with respect to Debt Securities of any series ("legal defeasance option") or (b) the Company shall cease to be under any obligation to comply with any term, provision or condition set forth in Section 9.01 with respect to Debt Securities of any series (and, if so specified pursuant to Section 3.01, any other obligation of the Company or restrictive covenant added for the benefit of such series pursuant to Section 3.01) ("covenant defeasance option") at any time after the applicable conditions set forth below have been satisfied:

(1) the Company shall have deposited or caused to be deposited irrevocably with the Trustee as trust funds in trust, specifically pledged as security for, and dedicated solely to, the benefit of the Holders of the Debt Securities of such series (i) money in an amount, or (ii) U.S. Government Obligations (as defined below) which through the payment of interest and principal in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, money in an amount, or (iii) a combination of (i) and (ii), sufficient, in the opinion (with respect to (i) and (ii)) of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge each installment of principal (including any mandatory sinking fund payments) of and premium, if any, and interest on, the Outstanding Debt Securities of such series on the dates such installments of interest or principal and premium are due;

(2) such deposit shall not cause the Trustee with respect to the Debt Securities of that series to have a conflicting interest as defined in Section 6.08 and for purposes of the Trust Indenture Act with respect to the Debt Securities of any series;

(3) such deposit will not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which the Company is a party or by which it is bound;

(4) if the Debt Securities of such series are then listed on any national securities exchange, the Company shall have delivered to the Trustee an Opinion of Counsel or a letter or other document from such exchange to the effect that the Company's exercise of its option under this

Section would not cause such Debt Securities to be delisted;

(5) no Event of Default or event (including such deposit) which, with notice or lapse of time or both, would become an Event of Default with respect to the Debt Securities of such series shall have occurred and be continuing on the date of such deposit and, with respect to the legal defeasance option only, no Event of Default under Section 5.01(7) or event which with the giving of notice or lapse of time, or both, would become an Event of Default under Section 5.01(7) shall have occurred and be continuing on the 91st day after such date; and

(6) the Company shall have delivered to the Trustee an Opinion of Counsel or a ruling from the Internal Revenue Service to the effect that the Holders of the Debt Securities of such series will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit, defeasance or Discharge.

Notwithstanding the foregoing, if the Company exercises its covenant defeasance option and an Event of Default under Section 5.01(7) or event which with the giving of notice or lapse of time, or both, would become an Event of Default under Section 5.01(7) shall have occurred and be continuing on the

64

91st day after the date of such deposit, the obligations of the Company referred to under the definition of covenant defeasance option with respect to such Debt Securities shall be reinstated.

“Discharged” means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by, and obligations under, the Debt Securities of such series and to have satisfied all the obligations under this Indenture relating to the Debt Securities of such series (and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging the same), except (A) the rights of Holders of Debt Securities of such series to receive, from the trust fund described in clause (1) above, payment of the principal of (and premium, if any) and interest on such Debt Securities when such payments are due, (B) the Company’s obligations with respect to the Debt Securities of such series under Sections 3.04, 3.05, 3.06, 11.03 and 14.03 and (C) the rights, powers, trusts, duties and immunities of the Trustee hereunder.

“U.S. Government Obligations” means securities that are (i) direct obligations of the United States for the payment of which its full faith and credit is pledged, or (ii) obligations of a Person controlled or supervised by and acting as an agency or instrumentality of the United States the payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States, which, in either case under clause (i) or (ii), are not callable or redeemable at the option of the issuer thereof, and shall also include a depository receipt issued by a bank or trust company as custodian with respect to any such U.S. Government Obligation or a specific payment of interest on or principal of any such U.S. Government Obligation held by such custodian for the account of the holder of a depository receipt; provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of interest on or principal of the U.S. Government Obligation evidenced by such depository receipt.

Section 14.03. Deposited Moneys and U.S. Government Obligations to Be Held in Trust.

All moneys and U.S. Government Obligations deposited with the Trustee pursuant to Section 14.02 in respect of Debt Securities of a series shall be held in trust and applied by it, in accordance with the provisions of such Debt Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Holders of such Debt Securities, of all sums due and to become due thereon for principal (and premium, if any) and interest, if any, but such money need not be segregated from other funds except to the extent required by law.

Section 14.04. Repayment to Company.

The Trustee and any Paying Agent shall promptly pay or return to the Company upon Company Request any moneys or U.S. Government Obligations held by them at any time that are not required for the payment of the principal of (and premium, if any) and interest on the Debt Securities of any series for which money or U.S. Government Obligations have been deposited pursuant to Section 14.02.

The provisions of the last paragraph of Section 11.04 shall apply to any money held by the Trustee or any Paying Agent under this Article that remains unclaimed for two years after the Maturity of any series of Debt Securities for which money or U.S. Government Obligations have been deposited pursuant to Section 14.02.

This Indenture and the Debt Securities shall be governed by and construed in accordance with the laws of the State of New York.

Section 1.12. Legal Holidays.

Unless otherwise specified pursuant to Section 3.01 or in any Debt Security, in any case where any Interest Payment Date, Redemption Date or Stated Maturity of any Debt Security of any series shall not be a Business Day at any Place of Payment for the Debt Securities of that series, then (notwithstanding any other provision of this Indenture or of the Debt Securities) payment of principal (and premium, if any) or interest need not be made at such Place of Payment on such date, but may be made on the next succeeding Business Day at such Place of Payment with the same force and effect as if made on the Interest Payment Date, Redemption Date or at the Stated Maturity, and no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, Redemption Date or Stated Maturity, as the case may be, to such Business Day if such payment is made or duly provided for on such Business Day.

Section 1.13. No Security Interest Created.

Nothing in this Indenture or in the Debt Securities, express or implied, shall be construed to constitute a security interest under the Uniform Commercial Code or similar legislation, as now or hereafter

10

enacted and in effect in any jurisdiction where property of the Company or its Subsidiaries is or may be located.

Section 1.14. Liability Solely Corporate.

No recourse shall be had for the payment of the principal of (or premium, if any) or the interest on any Debt Securities, or any part thereof, or of the indebtedness represented thereby, or upon any obligation, covenant or agreement of this Indenture, against any incorporator, or against any shareholder, officer or director, as such, past, present or future, of the Company (or any incorporator, shareholder, officer or director of any predecessor or successor corporation), either directly or through the Company (or any such predecessor or successor corporation), whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly agreed and understood that this Indenture and all the Debt Securities are solely corporate obligations, and that no personal liability whatsoever shall attach to, or be incurred by, any such incorporator, shareholder, officer or director, past, present or future, of the Company (or any incorporator, shareholder, officer or director of any such predecessor or successor corporation), either directly or indirectly through the Company or any such predecessor or successor corporation, because of the indebtedness hereby authorized or under or by reason of any of the obligations, covenants, promises or agreements contained in this Indenture or in any of the Debt Securities or to be implied herefrom or therefrom; and that any such personal liability is hereby expressly waived and released as a condition of, and as part of the consideration for, the execution of this Indenture and the issue of Debt Securities; provided, however, that nothing herein or in the Debt Securities contained shall be taken to prevent recourse to and the enforcement of the liability, if any, of any shareholder or subscriber to capital stock upon or in respect of the shares of capital stock not fully paid.

ARTICLE TWO
DEBT SECURITY FORMS

Section 2.01. Forms Generally.

The Debt Securities of each series shall be substantially in one of the forms (including global form) established in or pursuant to a Board Resolution or one or more indentures supplemental hereto, and shall have such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture, and may have such letters, numbers or other marks of identification or designation and such legends or endorsements placed thereon as the Company may deem appropriate and as are not inconsistent with the provisions of this Indenture, or as may be required to comply with any law or with any rule or regulation made pursuant thereto or with any rule or regulation of any securities exchange on which any series of the Debt Securities may be listed, or to conform to usage, all as determined by the officers executing such Debt Securities as conclusively evidenced by their execution of such Debt Securities. If the form of a series of Debt Securities (or any Global Note) is established in or pursuant to a Board Resolution, a copy of such Board Resolution shall be delivered to the Trustee, together with an Officers' Certificate setting forth the form of such series, at or prior to the delivery of the Company Order contemplated by Section 3.03 for the authentication and delivery of such Debt Securities (or any such Global Note).

Any endorsement of a Global Note to reflect the amount, or any increase or decrease in the amount, of Outstanding Debt Securities represented thereby shall be made by the Trustee and in such manner as shall be specified in such Global Note. Any instructions by the Company with respect to a Global Note, after its initial issuance, shall be in writing but need not comply with Section 1.02.

14

- (24) whether the Debt Securities of such series will be convertible into shares of Common Shares and, if so, the terms and conditions, which may be in addition to or in lieu of the provisions contained herein, upon which such Debt Securities will be so convertible, including the conversion price and the conversion period;

All Debt Securities of any one series shall be substantially identical except as to denomination, rate of interest, Stated Maturity and the date from which interest, if any, shall accrue, which, as set forth above, may be determined by the Company from time to time as to Debt Securities of a series if so provided in or established pursuant to the authority granted in a Board Resolution or in any such indenture supplemental hereto, and except as may otherwise be provided in or pursuant to such Board Resolution and (subject to Section 3.03) set forth in such Officers' Certificate, or in any such indenture supplemental hereto. All Debt Securities of any one series need not be issued at the same time, and unless otherwise provided, a series may be reopened for issuance of additional Debt Securities of such series.

If any of the terms of a series of Debt Securities is established in or pursuant to a Board Resolution, a copy of such Board Resolution shall be certified by the Secretary or an Assistant Secretary of the Company and delivered to the Trustee at or prior to the delivery of the Officers' Certificate setting forth the terms of the series.

In the absence of any specification pursuant to Section 3.01 with respect to the Debt Securities of any series, the Debt Securities of such series shall be issuable only as Registered Securities in denominations of \$1,000 and any integral multiple thereof and shall be payable only in Dollars.

Section 3.03. Execution, Authentication, Delivery and Dating.

The Debt Securities of any series shall be executed on behalf of the Company by its Chairman of the Board, Chief Executive Officer, Chief Financial Officer, President, one of its Vice Presidents or its

15

Treasurer, under its corporate seal reproduced thereon and attested by its Secretary or one of its Assistant Secretaries. The signature of any of these officers may be manual or facsimile.

Debt Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Debt Securities or did not hold such offices at the date of such Debt Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Debt Securities, of any series, executed by the Company, to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Debt Securities and the Trustee in accordance with the Company Order shall authenticate and deliver such Debt Securities. If all the Debt Securities of any one series are not to be issued at one time and if a Board Resolution or supplemental indenture relating to such series shall so permit, such Company Order may set forth procedures acceptable to the Trustee for the issuance of such Debt Securities such as interest rate, Stated Maturity, date of issuance and date from which interest, if any, shall accrue. If any Debt Security shall be represented by a permanent Global Note, then, for purposes of this Section and Section 3.04, the notation of a beneficial owner's interest therein upon original issuance of such Debt Security or upon exchange of a portion of a temporary Global Note shall be deemed to be delivery in connection with the original issuance of such beneficial owner's interest in such permanent Global Note.

The Trustee shall be entitled to receive, and (subject to Section 6.01) shall be fully protected in relying upon, prior to the authentication and delivery of the Debt Securities of such series, (i) the supplemental indenture or the Board Resolution by or pursuant to which the form and terms of such Debt Securities have been approved and (ii) an Opinion of Counsel substantially to the effect that:

- (1) all instruments furnished by the Company to the Trustee in connection with the authentication and delivery of such Debt Securities conform to the requirements of this Indenture and constitute sufficient authority hereunder for the Trustee to authenticate and deliver such Debt Securities;
- (2) the forms and terms of such Debt Securities have been established in conformity with the provisions of this Indenture;
- (3) in the event that the forms or terms of such Debt Securities have been established in a supplemental indenture, the execution and delivery of such supplemental indenture has been duly authorized by all necessary corporate action of the Company, such supplemental indenture has been duly executed and delivered by the Company and, assuming due authorization, execution and delivery by the Trustee, is a valid and binding obligation enforceable against the Company in accordance with its terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law);
- (4) the execution and delivery of such Debt Securities have been duly authorized by all necessary corporate action of the Company and such Debt Securities have been duly executed by the Company and, assuming due authentication by the Trustee and delivery by the Company, are valid and binding obligations enforceable against the Company in accordance with their terms, entitled to the benefit of the Indenture, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law)

16

and subject to such other exceptions as counsel shall request and as to which the Trustee shall not reasonably object; and

- (5) the amount of Debt Securities Outstanding of such series, together with the amount of such Debt Securities, does not exceed any limit established under the terms of this Indenture on the amount of Debt Securities of such series that may be authenticated and delivered.

The Trustee shall not be required to authenticate such Debt Securities if the issuance of such Debt Securities pursuant to this Indenture will affect the Trustee's own rights, duties or immunities under the Debt Securities and this Indenture in a manner which is not reasonably acceptable to the Trustee.

Each Registered Security shall be dated the date of its authentication.

No Debt Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Debt Security a certificate of authentication substantially in one of the forms provided for herein duly executed by the Trustee or by an Authenticating Agent, and such certificate upon any Debt Security shall be conclusive evidence, and the only evidence, that such Debt Security has been duly authenticated and delivered hereunder and is entitled to the benefits of this Indenture. Notwithstanding the foregoing, if any Debt Security shall have been duly authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Debt Security to the Trustee for cancellation as provided in Section 3.08 together with a written statement (which need not comply with Section 1.02) stating that such Debt Security has never been issued and sold by the Company, for all purposes of this Indenture such Debt Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

Section 3.04. Temporary Debt Securities; Global Notes Representing Registered Securities.

(a) Pending the preparation of definitive Registered Securities of any series, the Company may execute, and upon Company Order the Trustee shall authenticate and deliver, temporary Registered Securities which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination for Registered Securities of such series, substantially of the tenor of the definitive Registered Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Registered Securities may determine, as conclusively evidenced by their execution of such Registered Securities. Every such temporary Registered Security shall be executed by the Company and shall be authenticated and delivered by the Trustee upon the same conditions and in substantially the same manner, and with the same effect, as the definitive Registered Securities in lieu of which they are issued.

If temporary Debt Securities of any series are issued, the Company will cause definitive Debt Securities of such series to be prepared without unreasonable delay. After the preparation of definitive Debt Securities of such series, the temporary Debt Securities of such series shall be exchangeable for definitive Debt Securities of such series, of a like Stated Maturity and with like terms and provisions, upon surrender of the temporary Debt Securities of such series at the office or agency of the Company in a Place of Payment for such series, without charge to the Holder, except as provided in Section 3.05 in connection with a transfer. Upon surrender for cancellation of any one or more temporary Debt Securities of any series, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Debt Securities of the same series of authorized denominations and of a like Stated Maturity and like terms and provisions. Until so exchanged, the temporary Registered Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Registered Securities of such series.

17

(b) If the Company shall establish pursuant to Section 3.01 that the Registered Securities of a series are to be issued in whole or in part in the form of one or more Global Notes, then the Company shall execute and the Trustee shall, in accordance with Section 3.03 and the Company Order with respect to such series, authenticate and deliver one or more Global Notes in temporary or permanent form that (i) shall represent and shall be denominated in an amount equal to the aggregate principal amount of the Outstanding Debt Securities of such series to be represented by one or more Global Notes, (ii) shall be registered in the name of the Depository for such Global Note or Notes or the nominee of such depository, (iii) shall be delivered by the Trustee to such Depository or delivered or held pursuant to such Depository's instructions, and (iv) shall bear a legend substantially to the following effect: "This Debt Security may not be transferred except as a whole by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository, unless and until this Debt Security is exchanged in whole or in part for Debt Securities in definitive form."

Each Depository designated pursuant to Section 3.01 must, at the time of its designation and at all times while it serves as Depository, be a clearing agency registered under the Exchange Act and any other applicable statute or regulation.

Notwithstanding any other provision of this Section or Section 3.05, unless and until a Global Note is exchanged in whole or in part for Registered Securities in definitive form, a Global Note representing all or a portion of the Registered Securities of a series may not be transferred except as a whole by the Depository for such series to a nominee of such Depository or by a nominee of such Depository to such Depository or another nominee of such Depository or by such Depository or any such nominee to a successor Depository for such series or a nominee of such successor Depository.

If at any time the Depository for the Debt Securities of a series notifies the Company that it is unwilling or unable to continue as Depository for the Debt Securities of such series or if at any time the Depository for Debt Securities of a series shall no longer be a clearing agency registered and in good standing under the Exchange Act or other applicable statute or regulation (as required by this Section 3.04), the Company shall appoint a successor Depository eligible under this Section 3.04 with respect to the Debt Securities of such series. If a successor Depository for the Debt Securities of such series is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such condition, the Company will execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of definitive Debt Securities of such series, will authenticate and deliver, Registered Securities of such series in definitive form in an aggregate principal amount equal to the principal amount of the Global Note or Notes representing such series in exchange for such Global Note or Notes.

The Company may at any time and in its sole discretion determine that the Registered Securities of any series issued in the form of one or more Global Notes shall no longer be represented by such Global Note or Notes. In such event, the Company will execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of definitive Debt Securities of such series, will authenticate and deliver, Registered Securities of such series in definitive form and in an aggregate principal amount equal to the principal amount of the Global Note or Notes representing such series in exchange for such Global Note or Notes.

If the Registered Securities of any series shall have been issued in the form of one or more Global Notes and if an Event of Default with respect to the Debt Securities of such series shall have occurred and be continuing, the Company will promptly execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of definitive Debt Securities of such series, will authenticate and deliver, Registered Securities of such series in definitive form and in an aggregate principal amount equal to the

18

principal amount of the Global Note or Notes representing such series in exchange for such Global Note or Notes.

If specified by the Company pursuant to Section 3.01 with respect to Registered Securities of a series, the Depository for such series of Registered Securities may surrender a Global Note for such series of Debt Securities in exchange in whole or in part for Registered Securities of such series in definitive form on such terms as are acceptable to the Company and such depository. Thereupon, the Company shall execute and the Trustee shall authenticate and deliver, without charge:

(i) to each Person specified by the Depository a new Registered Security or Securities of the same series, of any authorized denomination as requested by such Person in an aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Global Note; and

(ii) to the Depository a new Global Note in a denomination equal to the difference, if any, between the principal amount of the surrendered Global Note and the aggregate principal amount of Registered Securities delivered to Holders thereof.

Upon the exchange of a Global Note for Registered Securities in definitive form, such Global Note shall be cancelled by the Trustee. Debt Securities issued in exchange for a Global Note pursuant to this subsection (b) shall be registered in such names and in such authorized denominations as the Depository for such Global Note, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall deliver such Debt Securities to the Persons in whose names such Debt Securities are so registered.

Section 3.05. Registration, Transfer and Exchange.

(a) The Company shall cause to be kept at the Corporate Trust Office of the Trustee a register (the registers maintained in such office and in any other office or agency of the Company in a Place of Payment being herein sometimes collectively referred to as the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Registered Securities and of transfers and exchanges of Registered Securities. The Trustee is hereby appointed "Security Registrar" for the purpose of registering Registered Securities and registering transfers and exchanges of Registered Securities as herein provided; provided, however, that the Company may, at its option, appoint co-Security Registrars.

Upon surrender for registration of transfer of any Registered Security of any series at the office or agency of the Company maintained for such purpose, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee, one or more new Registered Securities of the same series of like aggregate principal amount of such denominations as are authorized for Registered Securities of such series and of a like Stated Maturity and with like terms and conditions.

Except as otherwise provided in Section 3.04 and this Section 3.05, at the option of the Holder, Registered Securities of any series may be exchanged for other Registered Securities of the same series of like aggregate principal amount and of a like Stated Maturity and with like terms and conditions, upon surrender of the Registered Securities to be exchanged at such office or agency. Whenever any Registered Securities are surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Registered Securities which the Holder making the exchange is entitled to receive.

19

(b) All Debt Securities issued upon any transfer or exchange of Debt Securities shall be valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Debt Securities surrendered for such transfer or exchange.

Every Registered Security presented or surrendered for transfer or exchange shall (if so required by the Company or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar, duly executed, by the Holder thereof or his attorney duly authorized in writing.

No service charge will be made for any transfer or exchange of Debt Securities except as provided in Section 3.06. The Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration, transfer or exchange of Debt Securities, other than those expressly provided in this Indenture to be made at the Company's own expense or without expense or without charge to the Holders.

The Company shall not be required (i) to register, transfer or exchange Debt Securities of any series during a period beginning at the opening of business 15 days before the day of the transmission of a notice of redemption of Debt Securities of such series selected for redemption under Section 12.03 and ending at the close of business on the day of such transmission, or (ii) to register, transfer or exchange any Debt Security so selected for redemption in whole or in part, except the unredeemed portion of any Debt Security being redeemed in part.

Section 3.06. Mutilated, Destroyed, Lost and Stolen Debt Securities.

If (i) any mutilated Debt Security is surrendered to the Trustee at its Corporate Trust Office, or (ii) the Company and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Debt Security, and there is delivered to the Company and the Trustee such security or indemnity as may be required by them to save each of them and any Paying Agent harmless, and neither the Company nor the Trustee receives notice that such Debt Security has been acquired by a bona fide purchaser, then the Company shall execute and upon Company Request the Trustee shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Debt Security, a new Debt Security of the same series of like Stated Maturity and with like terms and conditions and like principal amount, bearing a number not contemporaneously used with respect to any Debt Securities Outstanding.

In case any such mutilated, destroyed, lost or stolen Debt Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Debt Security, pay the amount due on such Debt Security in accordance with its terms.

Upon the issuance of any new Debt Security under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in respect thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Debt Security of any series issued pursuant to this Section shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Debt Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Debt Securities of that series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Debt Securities.

20

Section 3.07. Payment of Interest; Interest Rights Preserved.

(a) Interest on any Registered Security which is payable and is punctually paid or duly provided for on any Interest Payment Date shall be paid to the Person in whose name such Registered Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest notwithstanding the cancellation of such Registered Security upon any transfer or exchange subsequent to the Regular Record Date.

Unless otherwise specified as contemplated by Section 3.01 with respect to the Debt Securities of any series, payment of interest on Registered Securities shall be made at the place or places specified pursuant to Section 3.01 or, at the option of the Company, by check mailed to the address of the Person entitled thereto as such address appears in the Security Register or, if provided pursuant to Section 3.01, by wire transfer to an account designated by the Registered Holder.

(b) Any interest on any Debt Security which is payable but is not punctually paid or duly provided for on any Interest Payment Date (herein called "Defaulted Interest") shall, if such Debt Security is a Registered Security, forthwith cease to be payable to the Registered Holder on the relevant Regular Record Date by virtue of his having been such Registered Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in clause (1) or (2) below:

(1) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names such Registered Securities (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each such Registered Security and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money in the Currency or Currency unit in which the Debt Securities of such series are payable (except as otherwise specified pursuant to Sections 3.01 or 3.10) equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which date shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to the Holders of such Registered Securities at their addresses as they appear in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the Persons in whose names such Registered Securities (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Company may make payment of any Defaulted Interest on Registered Securities in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Registered Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

21

(c) Subject to the foregoing provisions of this Section, each Debt Security delivered under this Indenture upon transfer of or in exchange for or in lieu of any other Debt Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Debt Security.

Section 3.08. Cancellation.

Unless otherwise specified pursuant to Section 3.01 for Debt Securities of any series, all Debt Securities surrendered for payment, redemption, transfer, exchange or credit against any sinking fund shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. All Registered Securities so delivered shall be promptly cancelled by the Trustee. The Company may at any time deliver to the Trustee for cancellation any Debt Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee (or to any other Person for delivery to the Trustee) for cancellation any Debt Securities previously authenticated hereunder which the Company has not issued, and all Debt Securities so delivered shall be promptly cancelled by the Trustee. No Debt Securities shall be authenticated in lieu of or in exchange for any Debt Securities cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Debt Securities held by the Trustee shall be delivered to the Company upon Company Request. The acquisition of any Debt Securities by the Company shall not operate as a redemption or satisfaction of the indebtedness represented thereby unless and until such Debt Securities are surrendered to the Trustee for cancellation. Permanent Global Notes shall not be destroyed until exchanged in full for definitive Debt Securities or until payment thereon is made in full.

Section 3.09. Computation of Interest.

Except as otherwise specified pursuant to Section 3.01 for Debt Securities of any series, interest on the Debt Securities of each series shall be computed on the basis of a 360-day year of twelve 30-day months.

Section 3.10. Currency of Payments in Respect of Debt Securities.

(a) With respect to Registered Securities of any series not permitting the election provided for in paragraph (b) below or the Holders of which have not made the election provided for in paragraph (b) below, except as provided in paragraph (d) below, payment of the principal of (and premium, if any) and any interest on any Registered Security of such series will be made in the Currency in which such Registered Security is payable.

(b) It may be provided pursuant to Section 3.01 with respect to the Registered Securities of any series that Holders shall have the option, subject to paragraphs (d) and (e) below, to receive payments of principal of (and premium, if any) and any interest on such Registered Securities in any of the Currencies which may be designated for such election by delivering to the Trustee a written election, to be in form and substance satisfactory to the Trustee, not later than the close of business on the Election Date immediately preceding the applicable payment date. If a Holder so elects to receive such payments in any such Currency, such election will remain in effect for such Holder or any transferee of such Holder until changed by such Holder or such transferee by written notice to the Trustee (but any such change must be made not later than the close of business on the Election Date immediately preceding the next payment date to be effective for the payment to be made on such payment date and no such change or election may be made with respect to payments to be made on any Registered Security of such series with respect to which an Event of Default has occurred or notice of redemption has been given by the Company pursuant to Article Thirteen). Any Holder of any such Registered Security who shall not have delivered any such election to the Trustee by the close of business on the applicable Election Date will be paid the amount

22

due on the applicable payment date in the relevant Currency as provided in paragraph (a) of this Section 3.10.

(c) If the election referred to in paragraph (b) above has been provided for pursuant to Section 3.01, then not later than the fourth Business Day after the Election Date for each payment date, the Trustee will deliver to the Company a written notice specifying the Currency in which each such series of the Registered Securities is payable, the respective aggregate amounts of principal of (and premium, if any) and any interest on the Registered Securities to be paid on such payment date, specifying the amounts so payable in respect of the Registered Securities as to which the Holders of Registered Securities denominated in any Currency shall have elected to be paid in another Currency as provided in paragraph (b) above. If the election referred to in paragraph (b) above has been provided for pursuant to Section 3.01 and if at least one Holder has made such election, then, on the second Business Day preceding each payment date, the Company will deliver to the Trustee an Exchange Rate Officer's Certificate in respect of the Currency payments to be made on such payment date. The Currency amount receivable by Holders of Registered Securities who have elected payment in a Currency as provided in paragraph (b) above shall be determined by the Company on the basis of the applicable Market Exchange Rate in effect on the third Business Day (the "Valuation Date") immediately preceding each payment date.

(d) If a Conversion Event occurs with respect to a Foreign Currency or any other Currency unit in which any of the Debt Securities are denominated or payable other than pursuant to an election provided for pursuant to paragraph (b) above, then with respect to each date for the payment of principal of (and premium, if any) and any interest on the applicable Debt Securities denominated or payable in such Foreign Currency or such other Currency unit occurring after the last date on which such Foreign Currency, or such other Currency unit was used (the "Conversion Date"), the Dollar shall be the Currency of payment for use on each such payment date. The Dollar amount to be paid by the Company to the Trustee and by the Trustee or any Paying Agent to the Holders of such Debt Securities with respect to such payment date shall be the Dollar Equivalent of the Foreign Currency or, in the case of a Currency unit, the Dollar Equivalent of the Currency Unit, in each case as determined by the Currency Determination Agent, if any, or, if there shall not be a Currency Determination Agent, then by the Trustee, in the manner provided in paragraph (f) or (g) below.

(e) If the Holder of a Registered Security denominated in any Currency shall have elected to be paid in another Currency as provided in paragraph (b) above, and a Conversion Event occurs with respect to such elected Currency, such Holder shall receive payment in the Currency in which payment would have been made in the absence of such election. If a Conversion Event occurs with respect to the Currency in which payment would have been made in the absence of such election, such Holder shall receive payment in Dollars as provided in paragraph (d) of this Section 3.10.

(f) The "Dollar Equivalent of the Foreign Currency" shall be determined by the Currency Determination Agent, if any, or, if there shall not be a Currency Determination Agent, then by the Trustee, and shall be obtained for each subsequent payment date by converting the specified Foreign Currency into Dollars at the Market Exchange Rate on the Conversion Date.

(g) The "Dollar Equivalent of the Currency Unit" shall be determined by the Currency Determination Agent, if any, or, if there shall not be a Currency Determination Agent, then by the Trustee, and subject to the provisions of paragraph (h) below, shall be the sum of each amount obtained by converting the Specified Amount of each Component Currency into Dollars at the Market Exchange Rate for such Component Currency on the Valuation Date with respect to each payment.

(h) For purposes of this Section 3.10 the following terms shall have the following meanings:

23

A "Component Currency" shall mean any Currency which, on the Conversion Date, was a component Currency of the relevant Currency unit.

A "Specified Amount" of a Component Currency shall mean the number of units of such Component Currency or fractions thereof which were represented in the relevant Currency unit on the Conversion Date. If after the Conversion Date the official unit of any Component Currency is altered by way of combination or subdivision, the Specified Amount of such Component Currency shall be divided or multiplied in the same proportion. If after the Conversion Date two or more Component Currencies are consolidated into a single Currency, the respective Specified Amounts of such Component Currencies shall be replaced by an amount in such single Currency equal to the sum of the respective Specified Amounts of such consolidated Component Currencies expressed in such single Currency, and such amount shall thereafter be a Specified Amount and such single Currency shall thereafter be a Component Currency. If after the Conversion Date any Component Currency shall be divided into two or more Currencies, the Specified Amount of such Component Currency shall be replaced by amounts of such two or more Currencies with appropriate Dollar equivalents at the Market Exchange Rate on the date of such replacement equal to the Dollar equivalent of the Specified Amount of such former Component Currency at the Market Exchange Rate on such date, and such amounts shall thereafter be Specified Amounts and such Currencies shall thereafter be Component Currencies. If after the Conversion Date of the relevant Currency unit a Conversion Event (other than any event referred to above in this definition of "Specified Amount") occurs with respect to any Component Currency of such Currency unit, the Specified Amount of such Component Currency shall, for purposes of calculating the Dollar Equivalent of the Currency Unit, be converted into Dollars at the Market Exchange Rate in effect on the Conversion Date of such Component Currency.

"Election Date" shall mean the record date with respect to any payment date, and with respect to the Maturity shall mean the record date (if within 16 or fewer days prior to the Maturity) immediately preceding the Maturity, and with respect to any series of Debt Securities whose record date immediately preceding the Maturity is more than 16 days prior to the Maturity or any series of Debt Securities for which no record dates are provided with respect to interest payments, shall mean the date which is 16 days prior to the Maturity.

(i) All decisions and determinations of the Trustee or the Currency Determination Agent, if any, regarding the Dollar Equivalent of the Foreign Currency, the Dollar Equivalent of the Currency Unit and the Market Exchange Rate shall be in its sole discretion and shall, in the absence of manifest error, be conclusive for all purposes and irrevocably binding upon the Company and all Holders of the Debt Securities denominated or payable in the relevant Currency. In the event of a Conversion Event with respect to a Foreign Currency, the Company, after learning thereof, will immediately give written notice thereof to the Trustee (and the Trustee will promptly thereafter give notice in the manner provided in Section 1.05 to the Holders) specifying the Conversion Date. In the event of a Conversion Event with respect to any Currency unit in which Debt Securities are denominated or payable, the Company, after learning thereof, will immediately give notice thereof to the Trustee (and the Trustee will promptly thereafter give written notice in the manner provided in Section 1.05 to the Holders) specifying the Conversion Date and the Specified Amount of each Component Currency on the Conversion Date. In the event of any subsequent change in any Component Currency as set forth in the definition of Specified Amount above, the Company, after learning thereof, will

similarly give written notice to the Trustee. The Trustee shall be fully justified and protected in relying and acting upon information received by it from the Company and the Currency Determination Agent, if any, and shall not otherwise have any duty or obligation to determine such information independently.

(j) For purposes of any provision of the Indenture where the Holders of Outstanding Debt Securities may perform an Act which requires that a specified percentage of the Outstanding Debt Securities of all series perform such Act and for purposes of any decision or determination by the Trustee of amounts due and unpaid for the principal (and premium, if any) and interest on the Debt Securities of all series in respect of which moneys are to be disbursed ratably, the principal of (and premium, if any) and interest on the Outstanding Debt Securities denominated in a Foreign Currency will be the amount in Dollars based upon the Market Exchange Rate for Debt Securities of such series, as of the date for determining whether the Holders entitled to perform such Act have performed it, or as of the date of such decision or determination by the Trustee, as the case may be.

Section 3.11. Judgments.

If for the purpose of obtaining a judgment in any court with respect to any obligation of the Company hereunder or under any Debt Security, it shall become necessary to convert into any other Currency any amount in the Currency due hereunder or under such Debt Security, then such conversion shall be made at the Market Exchange Rate as in effect on the date the Company shall make payment to any Person in satisfaction of such judgment. If, pursuant to any such judgment, conversion shall be made on a date other than the date payment is made and there shall occur a change between such Market Exchange Rate and the Market Exchange Rate as in effect on the date of payment, the Company agrees to pay such additional amounts (if any) as may be necessary to ensure that the amount paid is equal to the amount in such other Currency which, when converted at the Market Exchange Rate as in effect on the date of payment or distribution, is the amount then due hereunder or under such Debt Security. Any amount due from the Company under this Section 3.11 shall be due as a separate debt and is not to be affected by or merged into any judgment being obtained for any other sums due hereunder or in respect of any Debt Security. In no event, however, shall the Company be required to pay more in the Currency or Currency unit due hereunder or under such Debt Security at the Market Exchange Rate as in effect when payment is made than the amount of Currency stated to be due hereunder or under such Debt Security so that in any event the Company's obligations hereunder or under such Debt Security will be effectively maintained as obligations in such Currency, and the Company shall be entitled to withhold (or be reimbursed for, as the case may be) any excess of the amount actually realized upon any such conversion over the amount due and payable on the date of payment or distribution.

Section 3.12. Exchange Upon Default.

If default is made in the payments referred to in Section 11.01, the Company hereby undertakes that upon presentation and surrender of a permanent Global Note to the Trustee (or to any other Person or at any other address as the Company may designate in writing), on any Business Day on or after the maturity date thereof the Company will issue and the Trustee will authenticate and deliver to the Holder of such permanent Global Note duly executed and authenticated definitive Debt Securities with the same issue date and maturity date as set out in such permanent Global Note.

Section 3.13. CUSIP and ISN Numbers.

The Company in issuing the Debt Securities may use "CUSIP" and "ISN" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" and "ISN" numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the accuracy of such numbers either as printed on the Debt Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Debt Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee in writing of any change in the "CUSIP" or "ISN" numbers.

ARTICLE FOUR
SATISFACTION AND DISCHARGE

Section 4.01. Satisfaction and Discharge of Indenture.

This Indenture, with respect to the Debt Securities of any series (if all series issued under this Indenture are not to be affected), shall, upon Company Request, cease to be of further effect (except as to any surviving rights of registration of transfer or exchange of such Debt Securities herein expressly provided for and rights to receive payments of principal (and premium, if any) and interest on such Debt Securities) and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when

(1) either

(A) all Debt Securities of such series theretofore authenticated and delivered (other than (i) Debt Securities of such series which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06, and (ii) Debt Securities of such series for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 11.04) have been delivered to the Trustee for cancellation; or

(B) all Debt Securities of such series not theretofore delivered to the Trustee for cancellation,

(i) have become due and payable, or

(ii) will become due and payable at their Stated Maturity within one year, or

(iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice by the Trustee in the name, and at the expense, of the Company,

and the Company, either complies with any other condition or terms specified pursuant to Section 3.01, or if not so specified in the case of (i), (ii) or (iii) of this subclause (B), has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust for such purpose an amount in the Currency in which such Debt Securities are denominated (except as otherwise provided pursuant to Section 3.01 or 3.10) sufficient to pay and discharge the entire indebtedness on such Debt Securities for principal (and premium, if any) and interest to the date of such deposit (in the case of Debt Securities which have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be; provided, however, in the event a petition for relief under the Federal bankruptcy laws, as now or hereafter constituted, or any other applicable Federal or state bankruptcy, insolvency or other similar law, is filed with respect to the Company within 91 days after the deposit and the Trustee is required to return the deposited money to the Company, the obligations of the Company under this Indenture with respect to such Debt Securities shall not be deemed terminated or discharged;

(2) the Company has paid or caused to be paid all other sums payable hereunder by the Company;

26

(3) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to such series have been complied with; and

(4) the Company has delivered to the Trustee an Opinion of Counsel or a ruling by the Internal Revenue Service to the effect that Holders of the Debt Securities of the series will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit and discharge.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 6.07, the obligations of the Trustee to any Authenticating Agent under Section 6.14, the obligations of the Company under Section 11.01, and, if money shall have been deposited with the Trustee pursuant to subclause (B) of clause (1) of this Section, the obligations of the Trustee under Section 4.02 and the last paragraph of Section 11.04, shall survive. If, after the deposit referred to in this Section 4.01 has been made, (x) the Holder of a Debt Security is entitled to, and does, elect pursuant to Section 3.10(b), to receive payment in a Currency other than that in which the deposit pursuant to this Section 4.01 was made, or (y) if a Conversion Event occurs with respect to the Currency in which the deposit was made or elected to be received by the Holder pursuant to Section 3.10(b), then the indebtedness represented by such Debt Security shall be fully discharged to the extent that the deposit made with respect to such Debt Security shall be converted into the Currency in which such payment is made.

Section 4.02. Application of Trust Money.

Subject to the provisions of the last paragraph of Section 11.04, all money deposited with the Trustee pursuant to Section 4.01 shall be held in trust and applied by it, in accordance with the provisions of the Debt Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee.

ARTICLE FIVE
REMEDIES

Section 5.01. Events of Default.

"Event of Default" wherever used herein with respect to Debt Securities of any series means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law, pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

- (1) default in the payment of any interest upon any Debt Security of such series when it becomes due and payable, and continuance of such default for a period of 30 days; or
- (2) default in the payment of the principal of (and premium, if any, on) any Debt Security of such series at its Maturity; or
- (3) default in the deposit of any sinking fund payment, when and as due by the terms of a Debt Security of such series; or
- (4) default in the performance, or breach, of any covenant or warranty of the Company in this Indenture (other than a covenant or warranty a default in whose performance or

27

whose breach is elsewhere in this Section specifically dealt with or which expressly has been included in this Indenture solely for the benefit of Debt Securities of a series other than such series), and continuance of such default or breach for a period of 30 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in principal amount of the Outstanding Debt Securities of such series, a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or

- (5) the entry of a decree or order for relief in respect of the Company by a court having jurisdiction in the premises in an involuntary case under the Federal bankruptcy laws, as now or hereafter constituted, or any other applicable Federal or State bankruptcy, insolvency or other similar law, or a decree or order adjudging the Company a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under any applicable Federal or State law, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or other similar official) of the Company or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 60 consecutive days; or

(6) the commencement by the Company of a voluntary case under the Federal bankruptcy laws, as now or hereafter constituted, or any other applicable Federal or State bankruptcy, insolvency or other similar law, or the consent by it to the entry of an order for relief in an involuntary case under any such law or to the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator (or other similar official) of the Company or of any substantial part of its property, or the making by it of an assignment for the benefit of its creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Company in furtherance of any such action; or

(7) any other Event of Default provided with respect to Debt Securities of that series pursuant to Section 3.01.

Section 5.02. Acceleration of Maturity; Rescission and Annulment.

If an Event of Default with respect to Debt Securities of any series at the time Outstanding occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Debt Securities of such series may declare the principal amount (or, if any Debt Securities of such series are Discount Securities, such portion of the principal amount of such Discount Securities as may be specified in the terms of such Discount Securities) of all the Debt Securities of such series to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) plus accrued and unpaid interest (and premium, if payable) shall become immediately due and payable. Upon payment of such amount in the Currency in which such Debt Securities are denominated (except as otherwise provided pursuant to Sections 3.01 or 3.10), all obligations of the Company in respect of the payment of principal of the Debt Securities of such series shall terminate.

At any time after such a declaration of acceleration with respect to Debt Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount of the Outstanding Debt Securities of such series, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if

28

(1) the Company has paid or deposited with the Trustee a sum in the Currency in which such Debt Securities are denominated (except as otherwise provided pursuant to Section 3.01 or 3.10) sufficient to pay

(A) all overdue installments of interest on all Debt Securities of such series,

(B) the principal of (and premium, if any, on) any Debt Securities of such series which have become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in such Debt Securities,

(C) to the extent that payment of such interest is lawful, interest upon overdue installments of interest on each Debt Security of such series at the Overdue Rate, and

(D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel; provided, however, that all sums payable under this clause (D) shall be paid in Dollars;

and

(2) All Events of Default with respect to Debt Securities of such series, other than the nonpayment of the principal of Debt Securities of such series which has become due solely by such declaration of acceleration, have been cured or waived as provided in Section 5.13.

No such rescission and waiver shall affect any subsequent default or impair any right consequent thereon.

Section 5.03. Collection of Indebtedness and Suits for Enforcement by Trustee.

The Company covenants that if

(1) default is made in the payment of any installment of interest on any Debt Security when such interest becomes due and payable and such default continues for a period of 30 days,

(2) default is made in the payment of principal of (or premium, if any, on) any Debt Security at the Maturity thereof, or

(3) default is made in the making or satisfaction of any sinking fund payment or analogous obligation when the same becomes due pursuant to the terms of the Debt Securities of any series,

the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Debt Securities, the amount then due and payable on such Debt Securities, for the principal (and premium, if any) and interest, if any, and, to the extent that payment of such interest shall be legally enforceable, interest upon the overdue principal (and premium, if any) and upon overdue installments of interest, at the Overdue Rate; and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Company fails to pay such amount forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums

29

so due and unpaid, and may prosecute such proceeding to judgment or final decree, and may enforce the same against the Company or any other obligor upon such Debt Securities, and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any

other obligor upon such Debt Securities wherever situated.

If an Event of Default with respect to Debt Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Debt Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

Section 5.04. Trustee May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceedings, or any voluntary or involuntary case under the Federal bankruptcy laws, as now or hereafter constituted, relative to the Company or any other obligor upon the Debt Securities of a particular series or the property of the Company or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of such Debt Securities shall then be due and payable as therein expressed or by declaration of acceleration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(i) to file and prove a claim for the whole amount of principal (or, if the Debt Securities of such series are Discount Securities, such portion of the principal amount as may be due and payable with respect to such series pursuant to a declaration in accordance with Section 5.02) (and premium, if any) and interest owing and unpaid in respect of the Debt Securities of such series and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders of such Debt Securities allowed in such judicial proceeding, and

(ii) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same;

and any receiver, assignee, trustee, custodian, liquidator, sequestrator (or other similar official) in any such proceeding is hereby authorized by each such Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to such Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 6.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Debt Securities of such series or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 5.05. Trustee May Enforce Claims Without Possession of Debt Securities.

All rights of action and claims under this Indenture or the Debt Securities of any series may be prosecuted and enforced by the Trustee without the possession of any of such Debt Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall

be brought in its own name, as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Debt Securities in respect of which such judgment has been recovered.

Section 5.06. Application of Money Collected.

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (and premium, if any) or interest, upon presentation of the Debt Securities of any series in respect of which money has been collected and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 6.07;

SECOND: To the payment of the amounts then due and unpaid for principal of (and premium, if any) and interest on the Debt Securities of such series, in respect of which or for the benefit of which such money has been collected ratably, without preference or priority of any kind, according to the amounts due and payable on such Debt Securities for principal (and premium, if any) and interest, respectively; and

THIRD: The balance, if any, to the Person or Persons entitled thereto.

Section 5.07. Limitation on Suits.

No Holder of any Debt Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

(1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to such series;

(2) the Holders of not less than 25% in principal amount of the Outstanding Debt Securities of such series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(3) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding;

and

(5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Debt Securities of such series;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other such Holders or of the Holders of Outstanding Debt Securities of any other series, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all of

such Holders. For the protection and enforcement of the provisions of this Section 5.07, each and every Holder of Debt Securities of any series and the Trustee for such series shall be entitled to such relief as can be given at law or in equity.

Section 5.08. Unconditional Right of Holders to Receive Principal, Premium and Interest.

Notwithstanding any other provision in this Indenture, the Holder of any Debt Security shall have the right, which is absolute and unconditional, to receive payment of the principal of (and premium, if any) and (subject to Section 3.07) interest on such Debt Security on the respective Stated Maturity or Maturities expressed in such Debt Security (or, in the case of redemption, on the Redemption Date) and to institute suit for the enforcement of any such payment and interest thereon, and such right shall not be impaired without the consent of such Holder.

Section 5.09. Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case the Company, the Trustee and the Holders shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 5.10. Rights and Remedies Cumulative.

Except as otherwise expressly provided elsewhere in this Indenture, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.11. Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or any acquiescence therein. Every right and remedy given by this Indenture or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 5.12. Control by Holders.

The Holders of a majority in principal amount of the Outstanding Debt Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to the Debt Securities of such series, provided, that

- (1) such direction shall not be in conflict with any rule of law or with this Indenture;
- (2) subject to the provisions of Section 6.01, the Trustee shall have the right to decline to follow any such direction if the Trustee in good faith shall, by a Responsible Officer or

Responsible Officers of the Trustee, determine that the proceeding so directed would be unjustly prejudicial to the Holders of Debt Securities of such series not joining in any such direction; and

- (3) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

Section 5.13. Waiver of Past Defaults.

The Holders of not less than a majority in aggregate principal amount of the Outstanding Debt Securities of any series may on behalf of the Holders of all the Debt Securities of any such series waive any past default hereunder with respect to such series and its consequences, except a default

- (1) in the payment of the principal of (or premium, if any) or interest on any Debt Security of such series, or in the payment of any sinking fund installment or analogous obligation with respect to the Debt Securities of such series, or
- (2) in respect of a covenant or provision hereof which pursuant to Article Ten cannot be modified or amended without the consent of the Holder of each Outstanding Debt Security of such series affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of the Debt Securities of such series under this Indenture, but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 5.14. Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Debt Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit other than the Trustee of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant, but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder or group of Holders holding in the aggregate more than 10% in principal amount of the Outstanding Debt Securities of any series, or to any suit instituted by any Holder of a Debt Security for the enforcement of the payment of the principal of (or premium, if any) or interest on such Debt Security on or after the respective Stated Maturity or Maturities expressed in such Debt Security (or, in the case of redemption, on or after the Redemption Date).

Section 5.15. Waiver of Stay or Extension Laws.

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE SIX
THE TRUSTEE

Section 6.01. Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default with respect to the Debt Securities of any series,

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture.

(b) In case an Event of Default with respect to Debt Securities of any series has occurred and is continuing, the Trustee shall, with respect to the Debt Securities of such series, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(1) this subsection shall not be construed to limit the effect of subsection (a) of this Section;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action taken, suffered or omitted to be taken by it with respect to Debt Securities of any series in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Debt Securities of such series relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture; and

(4) the Trustee shall not be required to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

Section 6.02. Notice of Defaults.

Within 90 days after the occurrence of any default hereunder with respect to Debt Securities of any series, the Trustee shall give notice to all Holders of Debt Securities of such series of such default hereunder known to the Trustee, unless such default shall have been cured or waived; provided, however, that, except in the case of a default in the payment of the principal of (or premium, if any) or interest on any Debt Security of such series or in the payment of any sinking fund installment with respect to Debt Securities of such series, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or Responsible Officers of the Trustee in good faith determine that the withholding of such notice is in the interest of the Holders of Debt Securities of such series; and provided, further, that in the case of any default of the

character specified in Section 5.01(4) with respect to Debt Securities of such series no such notice to Holders shall be given until at least 30 days after the occurrence thereof. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Debt Securities of such series.

Notice given pursuant to this Section 6.02 shall be transmitted by mail:

(1) _____ to all Registered Holders, as the names and addresses of the Registered Holders appear in the Security Register; and

(2) _____ to each Holder of a Debt Security of any series whose name and address appear in the information preserved at the time by the Trustee in accordance with Section 7.02(a) of this Indenture.

(c) _____ whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate;

(d) _____ the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) _____ the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders of Debt Securities of any series pursuant to this Indenture, unless such Holders shall have offered to the Trustee

35

(f) _____ the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney; and

(g) _____ the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent (including any agent appointed pursuant to Section 3.10(i)) or attorney appointed with due care by it hereunder.

Section 6.04. _____ Not Responsible for Recitals or Issuance of Debt Securities.

The recitals contained herein and in the Debt Securities, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Debt Securities of any series. The Trustee shall not be accountable for the use or application by the Company of any Debt Securities or the proceeds thereof.

Section 6.05. _____ May Hold Debt Securities.

The Trustee, any Paying Agent, the Security Registrar or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Debt Securities, and, subject to Sections 6.08 and 6.13, may otherwise deal with the Company with the same rights it would have if it were not Trustee, Paying Agent, Security Registrar or such other agent.

Section 6.06. _____ Money Held in Trust.

Money in any Currency held by the Trustee or any Paying Agent in trust hereunder need not be segregated from other funds except to the extent required by law. Neither the Trustee nor any Paying Agent shall be under any liability for interest on any money received by it hereunder except as otherwise agreed with the Company.

Section 6.07. _____ Compensation and Reimbursement.

The Company agrees:

(1) _____ to pay to the Trustee from time to time reasonable compensation in Dollars for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(2) except as otherwise expressly provided herein, to reimburse the trustee in Dollars upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith; and

-
36

(3) to indemnify in Dollars the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of this trust or performance of its duties hereunder, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

As security for the performance of the obligations of the Company under this Section, the Trustee shall have a claim prior to the Debt Securities upon all property and funds held or collected by the Trustee as such, except funds held in trust for the payment of amounts due on the Debt Securities.

The obligations of the Company under this Section 6.07 to compensate and indemnify the Trustee for expenses, disbursements and advances shall constitute additional indebtedness under this Indenture and shall survive the satisfaction and discharge of this Indenture.

-
Section 6.08. Disqualification; Conflicting Interests.

(a) If the Trustee has or shall acquire any conflicting interest, as defined in this Section with respect to the Debt Securities of any series, then, within 90 days after ascertaining that it has such conflicting interest, and if the default (as hereinafter defined) to which such conflicting interest relates has not been cured or duly waived or otherwise eliminated before the end of such 90-day period, the Trustee shall either eliminate such conflicting interest or, except as otherwise provided below, resign with respect to the Debt Securities of such series, and the Company shall take prompt steps to have a successor appointed, in the manner and with the effect hereinafter specified in this Article.

(b) In the event that the Trustee shall fail to comply with the provisions of subsection (a) of this Section with respect to the Debt Securities of any series, the Trustee shall, within 10 days after the expiration of such 90-day period, transmit to all Holders of Debt Securities of such series notice of such failure.

Notice given pursuant to this Section 6.08(b) shall be transmitted by mail:

(1) to all Registered Holders, as the names and addresses of the Registered Holders appear in the Security Register; and

(2) to each Holder of a Debt Security of any series whose name and address appear in the information preserved at the time by the Trustee in accordance with Section 7.02(a) of this Indenture.

(c) For the purposes of this Section, the Trustee shall be deemed to have a conflicting interest with respect to the Debt Securities of any series, if there shall exist an Event of Default (as such term is defined herein, but exclusive of any period of grace or requirement of notice) with respect to such Debt Securities and

(1) the Trustee is trustee under this Indenture with respect to the Outstanding Debt Securities of any series other than that series or is trustee under another indenture under which any other securities, or certificates of interest or participation in any other securities, of the Company are outstanding, unless such other indenture is a collateral trust indenture under which the only collateral consists of Debt Securities issued under this Indenture, provided that there shall be excluded from the operation of this paragraph this Indenture with respect to the Debt Securities of any series other than that series and any other indenture or indentures under which other

-
37

securities, or certificates of interest or participation in other securities, of the Company are outstanding, if

(i) this Indenture and such other indenture or indentures (and all series of securities issuable thereunder) are wholly unsecured and rank equally and such other indenture or indentures are hereafter qualified under the Trust Indenture Act, unless the Commission shall have found and declared by order pursuant to Section 305(b) or Section 307(c) of the Trust Indenture Act that differences exist between the provisions of this Indenture with respect to the Debt Securities of such series and one or more other series or the provisions of such other indenture or indentures which are so likely to involve a material conflict of interest as to make it necessary, in the public interest or for the protection of investors to disqualify the Trustee from acting as such under this Indenture with respect to the Debt Securities of such series and such other series or under such other indenture or indentures, or

(ii) the Company shall have sustained the burden of proving, on application to the Commission and after opportunity for hearing thereon, that trusteeship under this Indenture with respect to the Debt Securities of such series and such other series or such other indenture or indentures is not so likely to involve a material conflict of interest as to make it necessary in the public interest or for the protection of investors to disqualify the Trustee from acting as such under this Indenture with respect to the Debt Securities of such series and such other series or under such other indenture or indentures;

(2) the Trustee or any of its directors or executive officers is an underwriter for the Company;

(3) the Trustee directly or indirectly controls or is directly or indirectly controlled by or is under direct or indirect common control with an underwriter for the Company;

(4) the Trustee or any of its directors or executive officers is a director, officer, partner, employee, appointee or representative of the Company, or of an underwriter (other than the Trustee itself) for the Company who is currently engaged in the business of underwriting, except that

(i) one individual may be a director or an executive officer, or both, of the Trustee and a director or an executive officer, or both, of the Company but may not be at the same time an executive officer of both the Trustee and the Company; (ii) if and so long as the number of directors of the Trustee in office is more than nine, one additional individual may be a director or an executive officer, or both, of the Trustee and a director of the Company; and (iii) the Trustee may be designated by the Company or by any underwriter for the Company to act in the capacity of transfer agent, registrar, custodian, paying agent, fiscal agent, escrow agent, or depository or in any other similar capacity, or, subject to the provisions of paragraph (1) of this subsection, to act as trustee, whether under an indenture or otherwise;

(5) _____ 10% or more of the voting securities of the Trustee is beneficially owned either by the Company or by any director, partner or executive officer thereof, or 20% or more of such voting securities is beneficially owned, collectively, by any two or more of such persons; or 10% or more of the voting securities of the Trustee is beneficially owned either by an underwriter for the Company or by any director, partner or executive officer thereof or is beneficially owned, collectively, by any two or more such persons;

(6) _____ the Trustee is the beneficial owner of, or holds as collateral security for an obligation which is in default (as hereinafter in this subsection defined), (i) 5% or more of the voting

-
38

securities, or 10% or more of any other class of security, of the Company not including the Debt Securities issued under this Indenture and securities issued under any other indenture under which the Trustee is also trustee, or (ii) 10% or more of any class of security of an underwriter for the Company;

(7) _____ the Trustee is the beneficial owner of or holds as collateral security for an obligation which is in default, 5% or more of the voting securities of any person who, to the knowledge of the Trustee, owns 10% or more of the voting securities of, or controls directly or indirectly or is under direct or indirect common control with, the Company;

(8) _____ the Trustee is the beneficial owner of or holds as collateral security for an obligation which is in default, 10% or more of any class of security of any person who, to the knowledge of the Trustee, owns 50% or more of the voting securities of the Company;

(9) _____ the Trustee owns, on the date of such Event of Default or any anniversary of such Event of Default while such Event of Default remains outstanding, in the capacity of executor, administrator, testamentary or intervivos trustee, guardian, committee or conservator, or in any other similar capacity, an aggregate of 25% or more of the voting securities, or of any class of security, of any person, the beneficial ownership of a specified percentage of which would have constituted a conflicting interest under paragraph (6), (7) or (8) of this subsection. As to any such securities of which the Trustee acquired ownership through becoming executor, administrator or testamentary trustee of an estate which included them, the provisions of the preceding sentence shall not apply, for a period of not more than two years from the date of such acquisition, to the extent that such securities included in such estate do not exceed 25% of such voting securities or 25% of any such class of security. Promptly after the dates of any such Event of Default and annually in each succeeding year that such Event of Default continues, the Trustee shall make a check of its holdings of such securities in any of the above-mentioned capacities as of such dates. If the Company fails to make payment in full of the principal of (or premium, if any) or interest on any of the Debt Securities when and as the same becomes due and payable, and such failure continues for 30 days thereafter, the Trustee shall make a prompt check of its holdings of such securities in any of the above-mentioned capacities as of the date of the expiration of such 30-day period, and after such date, notwithstanding the foregoing provisions of this paragraph, all such securities so held by the Trustee, with sole or joint control over such securities vested in it, shall be considered as though beneficially owned by the Trustee for the purposes of paragraphs (6), (7) and (8) of this subsection; or

(10) _____ except under the circumstances described in paragraphs (1), (3), (4), (5) or (6) of Section 6.13(b) of this Indenture, the Trustee shall be or shall become a creditor of the Company.

For the purposes of paragraph (1) of this subsection, the term "series of securities" or "series" means a series, class or group of securities issuable under an indenture pursuant to whose terms holders of one such series may vote to direct the Trustee, or otherwise take action pursuant to a vote of such holders, separately from holders of another series; provided, that "series of securities" or "series" shall not include any series of securities issuable under an indenture if all such series rank equally and are wholly unsecured.

The specification of percentages in paragraphs (5) to (9), inclusive, of this subsection shall not be construed as indicating that the ownership of such percentages of the securities of a person is or is not necessary or sufficient to constitute direct or indirect control for the purposes of paragraph (3) or (7) of this subsection.

-
39

For the purposes of paragraphs (6), (7), (8) and (9) of this subsection only, (i) the terms "security" and "securities" shall include only such securities as are generally known as corporate securities, but shall not include any note or other evidence of indebtedness issued to evidence an obligation to repay moneys lent to a person by one or more banks, trust companies or banking firms, or any certificate of interest or participation in any such note or evidence of indebtedness; (ii) an obligation shall be deemed to be "in default" when a default in payment of principal shall have continued for 30 days or more and shall not have been cured; and (iii) the Trustee shall not be deemed to be the owner or holder of (A) any security which it holds as collateral security, as trustee or otherwise, for an obligation which is not in default as defined in clause (ii) above, or (B) any security which it holds as collateral security under this Indenture, irrespective of any default hereunder, or (C) any security which it holds as agent for collection, or as custodian, escrow agent or depository, or in any similar representative capacity.

(1) _____ The term "underwriter" when used with reference to the Company means every person who, within one year prior to the time as of which the determination is made, has purchased from the Company with a view to, or has offered or sold for the Company in connection with, the distribution of any security of the Company outstanding at such time, or has participated or has had a direct or indirect participation in any such undertaking, or has participated or has had a participation in the direct or indirect underwriting of any such undertaking, but such term shall not

include a person whose interest was limited to a commission from an underwriter or dealer not in excess of the usual and customary distributors' or sellers' commission.

(2) The term "director" means any director of a corporation, or any individual performing similar functions with respect to any organization whether incorporated or unincorporated.

(3) The term "person" means an individual, a corporation, a partnership, an association, a joint stock company, a trust, an estate, an unincorporated organization, or a government or political subdivision thereof. As used in this paragraph, the term "trust" shall include only a trust where the interest or interests of the beneficiary or beneficiaries are evidenced by a security.

(4) The term "voting security" means any security presently entitling the owner or holder thereof to vote in the direction or management of the affairs of a person, or any security issued under or pursuant to any trust, agreement or arrangements whereby a trustee or trustees or agent or agents for the owner or holder of such security are presently entitled to vote in the direction or management of the affairs of a person.

(5) The term "Company" means any obligor upon the Debt Securities of any series.

(6) The term "executive officer" means the president, every vice president, every trust officer, the cashier, the secretary, and the treasurer of a corporation, and any individual customarily performing similar functions with respect to any organization, whether incorporated or unincorporated, but shall not include the chairman of the board of directors.

(e) The percentages of voting securities and other securities specified in this Section shall be calculated in accordance with the following provisions:

(1) A specified percentage of the voting securities of the Trustee, the Company or any other person referred to in this Section (each of whom is referred to as a "person" in this paragraph) means such amount of the outstanding voting securities of such person as entitles the

-
40

holder or holders thereof to cast such specified percentage of the aggregate votes which the holders of all the outstanding voting securities of such person are entitled to cast in the direction or management of the affairs of such person.

(2) A specified percentage of a class of securities of a person means such percentage of the aggregate amount of securities of the class outstanding.

(3) The term "amount", when used with regard to securities means the principal amount if relating to evidences of indebtedness, the number of shares if relating to capital shares, and the number of units if relating to any other kind of security.

(4) The term "outstanding" means issued and not held by or for the account of the issuer. The following securities shall not be deemed outstanding within the meaning of this definition:

(i) securities of an issuer held in a sinking fund relating to securities of the issuer of the same class;

(ii) securities of an issuer held in a sinking fund relating to another class of securities of the issuer, if the obligation evidenced by such other class of securities is not in default as to principal or interest or otherwise;

(iii) securities pledged by the issuer thereof as security for an obligation of the issuer not in default as to principal or interest or otherwise; and

(iv) securities held in escrow if placed in escrow by the issuer thereof;

provided, however, that any voting securities of an issuer shall be deemed outstanding if any person other than the issuer is entitled to exercise the voting rights thereof.

(5) A security shall be deemed to be of the same class as another security if both securities confer upon the holder or holders thereof substantially the same rights and privileges; provided, however, that, in the case of secured evidences of indebtedness, all of which are issued under a single indenture, differences in the interest rates or maturity dates of various series thereof shall not be deemed sufficient to constitute such series different classes; and provided, further, that, in the case of unsecured evidences of indebtedness, differences in the interest rates or maturity dates thereof shall not be deemed sufficient to constitute them securities of different classes, whether or not they are issued under a single indenture.

(f) Except in the case of a default in the payment of the principal of or interest on any Debt Security of any series, or in the payment of any sinking or purchase fund installment, the Trustee shall not be required to resign as provided by this Section if the Trustee shall have sustained the burden of proving, on application to the Commission and after opportunity for hearing thereon, that:

(1) the Event of Default may be cured or waived during a reasonable period and under the procedures described in such application;
and

(2) a stay of the Trustee's duty to resign will not be inconsistent with the interests of Holders of the Debt Securities.

-
41

The filing of such an application shall automatically stay the performance of the duty to resign until the Commission orders otherwise.

Section 6.09. Corporate Trustee Required; Eligibility.

There shall at all times be a Trustee hereunder which shall be a corporation organized and doing business under the laws of the United States of America, any State thereof or the District of Columbia, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$100,000,000, subject to supervision or examination by Federal, State or District of Columbia authority. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. Neither the Company nor any person directly or indirectly controlling, controlled by, or under common control with the Company shall serve as Trustee upon any Debt Securities.

Section 6.10. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee under Section 6.11.

(b) The Trustee may resign at any time with respect to the Debt Securities of one or more series by giving written notice thereof to the Company. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Debt Securities of such series.

(c) The Trustee may be removed at any time with respect to the Debt Securities of any series and a successor Trustee appointed by Act of the Holders of a majority in principal amount of the Outstanding Debt Securities of such series, delivered to the Trustee and to the Company.

(d) If at any time:

(1) the Trustee shall fail to comply with Section 6.08(a) with respect to the Debt Securities of any series after written request therefor by the Company or by any Holder who has been a bona fide Holder of a Debt Security of such series for at least six months, or

(2) the Trustee shall cease to be eligible under Section 6.09 with respect to the Debt Securities of any series and shall fail to resign after written request therefor by the Company or by any such Holder, or

(3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (i) the Company by a Board Resolution may remove the Trustee with respect to all Debt Securities, or (ii) subject to Section 5.14, any Holder who has been a bona fide Holder of a Debt Security of any series for at least six months may, on behalf of himself and all others similarly situated, petition

any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee for the Debt Securities of such series.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, with respect to the Debt Securities of one or more series, the Company, by a Board Resolution, shall promptly appoint a successor Trustee or Trustees with respect to the Debt Securities of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Debt Securities of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Debt Securities of any particular series) and shall comply with the applicable requirements of Section 6.11. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Debt Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Debt Securities of such series delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee with respect to the Debt Securities of such series and to that extent supersede the successor Trustee appointed by the Company. If no successor Trustee with respect to the Debt Securities of any series shall have been so appointed by the Company or the Holders of such series and accepted appointment in the manner hereinafter provided, any Holder who has been a bona fide Holder of a Debt Security of such series for at least six months may, subject to Section 5.14, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Debt Securities of such series.

(f) The Company shall give notice of each resignation and each removal of the Trustee with respect to the Debt Securities of any series and each appointment of a successor Trustee with respect to the Debt Securities of any series in the manner and to the extent provided in Section 1.05 to the Holders of Debt Securities of such series. Each notice shall include the name of the successor Trustee with respect to the Debt Securities of such series and the address of its Corporate Trust Office.

Section 6.11. Acceptance of Appointment by Successor.

(a) In the case of an appointment hereunder of a successor Trustee with respect to all Debt Securities, each such successor Trustee so appointed shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee, but, on request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder, subject nevertheless to its claim, if any, provided for in Section 6.07.

(b) In case of the appointment hereunder of a successor Trustee with respect to the Debt Securities of one or more (but not all) series, the Company, the retiring Trustee and each successor Trustee with respect to the Debt Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or

desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Debt Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Debt Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with

respect to the Debt Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in any such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any other trust or trusts hereunder administered by any other such Trustee; and upon the execution and delivery of any such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Debt Securities of that or those series to which the appointment of such successor Trustee relates, but, on request of the Company or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Debt Securities of that or those series to which the appointment of such successor Trustee relates.

(c) Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in paragraph (a) or (b) of this Section, as the case may be.

(d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

Section 6.12. Merger, Conversion, Consolidation or Succession to Business.

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided that such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Debt Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Debt Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Debt Securities. In case any Debt Securities shall not have been authenticated by such predecessor Trustee, any such successor Trustee may authenticate and deliver such Debt Securities, in either its own name or that of its predecessor Trustee, with the full force and effect which this Indenture provides for the certificate of authentication of the Trustee.

Section 6.13. Preferential Collection of Claims Against Company.

(a) Subject to subsection (b) of this Section, if the Trustee shall be or shall become a creditor, directly or indirectly, secured or unsecured, of the Company within three months prior to a default, as defined in subsection (c) of this Section, or subsequent to such default, then, unless and until such default shall be cured, the Trustee shall set apart and hold in a special account for the benefit of the Trustee individually, the Holders of the Debt Securities and the holders of other indenture securities (as defined in subsection (c) of this Section):

(1) an amount equal to any and all reductions in the amount due and owing upon any claim as such creditor in respect of principal or interest, effected after the beginning of such three-month period and valid as against the Company and its other creditors, except any such reduction resulting from the receipt or disposition of any property described in paragraph (2) of this

subsection, or from the exercise of any right of setoff which the Trustee could have exercised if a voluntary or involuntary case had been commenced in respect of the Company under the Federal bankruptcy laws, as now or hereafter constituted, or any other applicable Federal or State bankruptcy, insolvency or other similar law upon the date of such default; and

(2) all property received by the Trustee in respect of any claim as such creditor, either as security therefor, or in satisfaction or composition thereof, or otherwise, after the beginning of such three-month period, or an amount equal to the proceeds of any such property, if disposed of, subject, however, to the rights, if any, of the Company and its other creditors in such property or such proceeds. Nothing herein contained, however, shall affect the right of the Trustee:

(A) to retain for its own account (i) payments made on account of any such claim by any Person (other than the Company) who is liable thereon, (ii) the proceeds of the bona fide sale of any such claim by the Trustee to a third Person, and (iii) distributions made in cash, securities or other property in respect of claims filed against the Company in bankruptcy or receivership or in proceedings or reorganization pursuant to the Federal bankruptcy laws, as now or hereafter constituted, or any other applicable Federal or State bankruptcy, insolvency or other similar law;

(B) to realize, for its own account, upon any property held by it as security for any such claim, if such property was so held prior to the beginning of such three-month period;

(C) to realize, for its own account, but only to the extent of the claim hereinafter mentioned, upon any property held by it as security for any such claim, if such claim was created after the beginning of such three-month period and such property was received as security therefor simultaneously with the creation thereof, and if the Trustee shall sustain the burden of proving that at the time such property was so received the Trustee had no reasonable cause to believe that a default, as defined in subsection (c) of this Section, would occur within three months; or

(D) to receive payment on any claim referred to in paragraph (B) or (C) against the release of any property held as security for such claim as provided in paragraph (B) or (C), as the case may be, to the extent of the fair value of such property.

For the purposes of paragraphs (B), (C) and (D), property substituted after the beginning of such three-month period for property held as security at the time of such substitution shall, to the extent of the fair value of the property released, have the same status as the property released, and, to the extent that any claim referred to in any of such paragraphs is created in renewal of or in substitution for or for the purpose of repaying or refunding any pre-existing claim of the Trustee as such creditor, such claim shall have the same status as such pre-existing claim.

If the Trustee shall be required to account, the funds and property held in such special account and the proceeds thereof shall be apportioned among the Trustee, the Holders and the holders of other indenture securities in such manner that the Trustee, the Holders and the holders of other indenture securities realize, as a result of payments from such special account and payments of dividends on claims filed against the Company in bankruptcy or receivership or in proceedings for reorganization pursuant to the Federal bankruptcy laws, as now or hereafter constituted or any other applicable Federal or State bankruptcy, insolvency or other similar law, the same percentage of their respective claims, figured before crediting to the claim of the Trustee anything on account of the receipt by it from the Company of the

-

funds and property in such special account and before crediting to the respective claims of the Trustee and the Holders and the holders of other indenture securities dividends on claims filed against the Company in bankruptcy or receivership or in proceedings for reorganization pursuant to the Federal bankruptcy laws, as now or hereafter constituted, or any other applicable Federal or State bankruptcy, insolvency or other similar law, but after crediting thereon receipts on account of the indebtedness represented by their respective claims from all sources other than from such dividends and from the funds and property so held in such special account. As used in this paragraph, with respect to any claim, the term "dividends" shall include any distribution with respect to such claim, in bankruptcy or receivership or proceedings for reorganization pursuant to the Federal bankruptcy laws, as now or hereafter constituted, or any other applicable Federal or State bankruptcy, insolvency or other similar law, whether such distribution is made in cash, securities, or other property, but shall not include any such distribution with respect to the secured portion, if any, of such claim. The court in which such bankruptcy, receivership or proceedings for reorganization is pending shall have jurisdiction (i) to apportion among the Trustee and the Holders and the holders of other indenture securities, in accordance with the provisions of this paragraph, the funds and property held in such special account and proceeds thereof, or (ii) in lieu of such apportionment, in whole or in part, to give to the provisions of this paragraph due consideration in determining the fairness of the distributions to be made to the Trustee and the Holders and the holders of other indenture securities with respect to their respective claims, in which event it shall not be necessary to liquidate or to appraise the value of any securities or other property held in such special account or as security for any such claim, or to make a specific allocation of such distributions as between the secured and unsecured portions of such claim, or otherwise to apply the provisions of this paragraph as a mathematical formula.

Any Trustee which has resigned or been removed after the beginning of such three-month period shall be subject to the provisions of this subsection as though such resignation or removal had not occurred. If any Trustee has resigned or been removed prior to the beginning of such three-month period, it shall be subject to the provisions of this subsection if and only if the following conditions exist:

(i) the receipt of property or reduction of claim, which would have given rise to the obligation to account, if such Trustee had continued as Trustee, occurred after the beginning of such three-month period; and

(ii) such receipt of property or reduction of claim occurred within three months after such resignation or removal.

(b) There shall be excluded from the operation of subsection (a) of this Section a creditor relationship arising from:

(1) the ownership or acquisition of securities issued under any indenture, or any security or securities having a maturity of one year or more at the time of acquisition by the Trustee;

(2) advances authorized by a receivership or bankruptcy court of competent jurisdiction or by this Indenture, for the purpose of preserving any property which shall at any time be subject to the Lien of this Indenture or of discharging tax liens or other prior liens or encumbrances thereon, if notice of such advances and of the circumstances surrounding the making thereof is given to the Holders at the time and in the manner provided in this Indenture;

(3) disbursements made in the ordinary course of business in the capacity of trustee under an indenture, transfer agent, registrar, custodian, paying agent, fiscal agent or depository, or other similar capacity;

-
46

(4) an indebtedness created as a result of services rendered or premises rented, or an indebtedness created as a result of goods or securities sold in a cash transaction as defined in subsection (c) of this Section;

(5) the ownership of stock or of other securities of a corporation organized under the provisions of Section 25(a) of the Federal Reserve Act, as amended, which is directly or indirectly a creditor of the Company; and

(6) the acquisition, ownership, acceptance or negotiation of any drafts, bills of exchange, acceptances or obligations which fall within the classification of self-liquidating paper as defined in subsection (c) of this Section.

(c) For the purposes of this Section only:

(1) The term "default" means any failure to make payment in full of the principal of or interest on any of the Debt Securities or upon the other indenture securities when and as such principal or interest becomes due and payable.

(2) The term “other indenture securities” means securities upon which the Company is an obligor outstanding under any other indenture (i) under which the Trustee is also trustee, (ii) which contains provisions substantially similar to the provisions of this Section, and (iii) under which a default exists at the time of the apportionment of the funds and property held in such special account.

(3) The term “cash transaction” means any transaction in which full payment for goods or securities sold is made within seven days after delivery of the goods or securities in currency or in checks or other orders drawn upon banks and payable upon demand.

(4) The term “self-liquidating paper” means any draft, bill of exchange, acceptance or obligation which is made, drawn, negotiated or incurred by the Company for the purpose of financing the purchase, processing, manufacturing, shipment, storage or sale of goods, wares or merchandise and which is secured by documents evidencing title to, possession of, or a lien upon, the goods, wares or merchandise or the receivables or proceeds arising from the sale of the goods, wares or merchandise previously constituting the security, provided the security is received by the Trustee simultaneously with the creation of the creditor relationship with the Company arising from the making, drawing, negotiating or incurring of the draft, bill of exchange, acceptance or obligation.

(5) The term “Company” means any obligor upon the Debt Securities.

Section 6.14. Appointment of Authenticating Agent.

As long as any Debt Securities of a series remain Outstanding, upon a Company Request, there shall be an authenticating agent (the “Authenticating Agent”) appointed, for such period as the Company shall elect, by the Trustee for such series of Debt Securities to act as its agent on its behalf and subject to its direction in connection with the authentication and delivery of each series of Debt Securities for which it is serving as Trustee. Debt Securities of each such series authenticated by such Authenticating Agent shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by such Trustee. Wherever reference is made in this Indenture to the authentication and delivery of Debt Securities of any series by the Trustee for such series or to the Trustee’s Certificate of Authentication, such reference shall be deemed to include authentication and delivery on behalf of the

Trustee for such series by an Authenticating Agent for such series and a Certificate of Authentication executed on behalf of such Trustee by such Authenticating Agent, except that only the Trustee may authenticate Debt Securities upon original issuance and pursuant to Section 3.06 hereof. Such Authenticating Agent shall at all times be a corporation organized and doing business under the laws of the United States of America or of any State, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$10,000,000 and subject to supervision or examination by Federal or State authority. If such Authenticating Agent publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for purposes of this Section, the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which any Authenticating Agent may be merged or converted, or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate agency business of any Authenticating Agent, shall continue to be the Authenticating Agent with respect to all series of Debt Securities for which it served as Authenticating Agent without the execution or filing of any paper or any further act on the part of the Trustee for such series or such Authenticating Agent. Any Authenticating Agent may at any time, and if it shall cease to be eligible shall, resign by giving written notice of resignation to the applicable Trustee and to the Company.

Upon receiving such a notice of resignation or upon such a termination, or in case at any time any Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section 6.14 with respect to one or more or all series of Debt Securities, the Trustee for such series shall upon a Company Request appoint a successor Authenticating Agent, and the Company shall provide notice of such appointment to all Holders of Debt Securities of such series in the manner and to the extent provided in Section 1.05. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all rights, powers, duties and responsibilities of its predecessor hereunder, with like effect as if originally named as Authenticating Agent herein. The Trustee for the Debt Securities of such series agrees to pay to the Authenticating Agent for such series from time to time reasonable compensation for its services, and the Trustee shall be entitled to be reimbursed for such payment, subject to the provisions of Section 6.07. The Authenticating Agent for the Debt Securities of any series shall have no responsibility or liability for any action taken by it as such at the direction of the Trustee for such series.

If an appointment with respect to one or more series is made pursuant to this Section, the Debt Securities of such series may have endorsed thereon, in addition to the Trustee’s certificate of authentication, an alternative certificate of authentication in the following form:

This is one of the series of Debt Securities issued under the within mentioned Indenture.

ARTICLE SEVEN
HOLDERS' LISTS AND REPORTS BY TRUSTEE AND COMPANY

Section 7.01. Company to Furnish Trustee Names and Addresses of Holders.

The Company will furnish or cause to be furnished to the Trustee with respect to Registered Securities of each series for which it acts as Trustee:

(a) semi-annually on a date not more than 15 days after each Regular Record Date with respect to an Interest Payment Date, if any, for the Registered Securities of such series (or on semi-annual dates in each year to be determined pursuant to Section 3.01 if the Registered Securities of such series do not bear interest), a list, in such form as the Trustee may reasonably require, of the names and addresses of the Registered Holders as of the date 15 days next preceding each such Regular Record Date (or such semi-annual dates, as the case may be); and

(b) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Company of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished;

provided, however, that if and so long as the Trustee shall be the Security Registrar for such series, no such list need be furnished.

Section 7.02. Preservation of Information; Communication to Holders.

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of Holders contained in the most recent list furnished to the Trustee as provided in Section 7.01 received by it in the capacity of Paying Agent (if so acting) hereunder.

The Trustee may destroy any list furnished to it as provided in Section 7.01 upon receipt of a new list so furnished, destroy any information received by it as Paying Agent (if so acting) hereunder upon delivering to itself as Trustee, not earlier than 45 days after an Interest Payment Date, a list containing the names and addresses of the Holders obtained from such information since the delivery of the next previous list, if any, and destroy any list delivered to itself as Trustee which was compiled from information received by it as Paying Agent (if so acting) hereunder upon the receipt of a new list so delivered.

(b) If three or more Holders (hereinafter referred to as "applicants") apply in writing to the Trustee, and furnish to the Trustee reasonable proof that each such applicant has owned a Debt Security for a period of at least six months preceding the date of such application, and such application states that the applicants desire to communicate with other Holders of Debt Securities of a particular series (in which case the applicants must hold Debt Securities of such series) or with all Holders of Debt Securities with respect to their rights under this Indenture or under the Debt Securities and is accompanied by a copy of the form of proxy or other communication which such applicants propose to transmit, then the Trustee shall, within five Business Days after the receipt of such application, at its election, either

(i) afford such applicants access to the information preserved at the time by the Trustee in accordance with Section 7.02(a), or

(ii) inform such applicants as to the approximate number of Holders of Debt Securities of such series or of all Debt Securities, as the case may be, whose names and addresses appear in the information preserved at the time by the Trustee in accordance with Section 7.02(a),

and as to the approximate cost of mailing to such Holders the form of proxy or other communication, specified in such application.

If the Trustee shall elect not to afford such applicants access to such information, the Trustee shall, upon written request of such applicants, mail to the Holders of Debt Securities of such series or all Holders, as the case may be, whose names and addresses appear in the information preserved at the time by the Trustee in accordance with Section 7.02(a), a copy of the form of proxy or other communication which is specified in such request, with reasonable promptness after a tender to the Trustee of the material to be mailed and of payment, or provision for the payment, of the reasonable expenses of mailing, unless within five days after such tender, the Trustee shall mail to such applicants and file with the Commission, together with a copy of the material to be mailed, a written statement to the effect that, in the opinion of the Trustee, such mailing would be contrary to the best interests of the Holders of Debt Securities of such series or all Holders, as the case may be, or would be in violation of applicable law. Such written statement shall specify the basis of such opinion. If the Commission, after opportunity for a hearing upon the objections specified in the written statement so filed, shall enter an order refusing to sustain any of such objections or if after the entry of an order sustaining one or more of such objections, the Commission shall find, after notice and opportunity for hearing, that all the objections so sustained have been met and shall enter an order so declaring, the Trustee shall mail copies of such material to all such Holders with reasonable promptness after the entry of such order and the renewal of such tender; otherwise the Trustee shall be relieved of any obligation or duty to such applicants respecting their application.

(c) Every Holder of Debt Securities, by receiving and holding the same, agrees with the Company and the Trustee that neither the Company nor the Trustee shall be held accountable by reason of the disclosure of any such information as to the names and addresses of the Holders in accordance with Section 7.02(b), regardless of the source from which such information was derived, and that the Trustee shall not be held accountable by reason of mailing of any material pursuant to a request made under Section 7.02(b).

Section 7.03. Reports by Trustee.

(a) Within 60 days after _____ of each year, commencing _____, 20____, the Trustee shall, to the extent required by the Trust Indenture Act, transmit to all Holders of Debt Securities of any series with respect to which it acts as Trustee, in the manner hereinafter provided in this Section 7.03, a brief report dated such date with respect to any of the following events which may have occurred within the previous 12 months (but if no such event has occurred within such period no report need be transmitted):

(1) any change to its eligibility under Section 6.09 and its qualifications under Section 6.08;

(2) the creation of or any material change to a relationship specified in paragraphs (1) through (10) of Section 6.08(c) of this Indenture;

(3) the character and amount of any advances (and if the Trustee elects so to state, the circumstances surrounding the making thereof) made by the Trustee (as such) which remain unpaid on the date of such report, and for the reimbursement of which it claims or may claim a lien or

charge, prior to that of the Debt Securities of such series, on any property or funds held or collected by it as Trustee, except that the Trustee shall not be required (but may elect) to report such advances if such advances so remaining unpaid aggregate not more than 1/2 of 1% of the principal amount of the Outstanding Debt Securities of such series on the date of such report;

-
50

(4) any change to the amount, interest rate and maturity date of all other indebtedness owing by the Company (or any other obligor on the Debt Securities of such series) to the Trustee in its individual capacity, on the date of such report, with a brief description of any property held as collateral security therefor, except an indebtedness based upon a creditor relationship arising in any manner described in Section 6.13(b)(2),(3), (4) or (6);

(5) any change to the property and funds, if any, physically in the possession of the Trustee as such on the date of such report;

(6) any additional issue of Debt Securities which the Trustee has not previously reported; and

(7) any action taken by the Trustee in the performance of its duties hereunder which it has not previously reported and which in its opinion materially affects the Debt Securities of such series, except action in respect of a default, notice of which has been or is to be withheld by the Trustee in accordance with Section 6.02.

(b) The Trustee shall transmit by mail to all Holders of Debt Securities of any series (whose names and addresses appear in the information preserved at the time by the Trustee in accordance with Section 7.02 (a)) for which it acts as the Trustee, as hereinafter provided, a brief report with respect to the character and amount of any advances (and if the Trustee elects so to state, the circumstances surrounding the making thereof) made by the Trustee (as such) since the date of the last report transmitted pursuant to subsection (a) of this Section (or if no such report has yet been so transmitted, since the date of execution of this instrument) for the reimbursement of which it claims or may claim a lien or charge, prior to that of the Debt Securities of such series, on property or funds held or collected by it as Trustee, and which it has not previously reported pursuant to this subsection, except that the Trustee for each series shall not be required (but may elect) to report such advances if such advances remaining unpaid at any time aggregate 10% or less of the principal amount of the Debt Securities of such series Outstanding at such time, such report to be transmitted within 90 days after such time.

(c) Reports pursuant to this Section 7.03 shall be transmitted by mail:

(1) to all Holders of Registered Securities, as the names and addresses of such Holders of Registered Securities appear in the Security Register; and

(2) except in the cases of reports pursuant to subsection (b) of this Section 7.03, to each Holder of a Debt Security of any series whose name and address appear in the information preserved at the time by the Trustee in accordance with Section 7.02(a).

(d) A copy of each such report shall, at the time of such transmission to Holders, be filed by the Trustee with each stock exchange upon which any Debt Securities of such series are listed, with the Commission and also with the Company. The Company will notify the Trustee when any series of Debt Securities are listed on any stock exchange.

Section 7.04. Reports by Company.

Unless otherwise specified with respect to a particular series of Debt Securities pursuant to Section 3.01, the Company will:

(1) file with the Trustee, within 15 days after the Company is required to file the same with the Commission, copies of the annual reports and of the information, documents and

-
51

other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Company may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended. Notwithstanding that the Company may not be required to remain subject to the reporting requirements of Section 13 or 15(d) of the Securities Exchange Act of 1934, as amended, or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the Commission, the Company shall continue to file with the Commission and provide the Trustee and the Holders of each series of Debt Securities with, without cost to each Holder, (a) within 90 days after the end of each fiscal year, annual reports on Form 10-K (or any successor or comparable form) containing the information required (other than pursuant to Item 9 of such report) to be contained therein (or required in such successor or comparable form); (b) within 45 days after the end of each of the first three fiscal quarters of each fiscal year, reports on Form 10-Q (or any successor or comparable form); and (c) promptly from time to time after the occurrence of an event required to be therein reported, such other reports on Form 8-K (or any successor or comparable form) containing the information required (other than pursuant to Item 9 of such report) to be contained therein (or required in any successor or comparable form); provided, however, that the Company shall not be obligated to file such reports with the Commission if the Commission does not permit such filings. The Company will in all cases, without cost to each recipient, provide copies of such information to the Holders of the Debt Securities of each series and, if they are not permitted to file such reports with the Commission, shall make available information to prospective purchasers and to securities analysts and broker-dealers upon their request;

(2) file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Company with the conditions and covenants of this Indenture as may be required from time to time by such rules and regulations; and

(3) transmit to all Holders of Debt Securities, in the manner and to the extent provided in Section 7.03, within 30 days after the filing thereof with the Trustee, such summaries of any information, documents and reports required to be filed by the Company pursuant to paragraphs (1) and (2) of this Section as may be required by rules and regulations prescribed from time to time by the Commission.

ARTICLE EIGHT
CONCERNING THE HOLDERS

Section 8.01. Acts of Holders.

Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent or proxy duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Company. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Whenever in this Indenture it is provided that the Holders of a specified percentage in aggregate principal amount of the Outstanding Debt Securities of any series may take any Act, the fact that the Holders of such specified percentage have joined therein may be evidenced by the instrument or instruments executed by Holders in person or by agent or proxy appointed in writing.

-
52

Section 8.02. Proof of Ownership; Proof of Execution of Instruments by Holder.

The ownership of Registered Securities of any series shall be proved by the Security Register for such series or by a certificate of the Security Registrar for such series.

Subject to the provisions of Sections 6.01 and 6.03, proof of the execution of any instrument by a Holder or such Holder's agent shall be sufficient if made in accordance with such reasonable rules and regulations as may be prescribed by the Trustee or in such manner as shall be satisfactory to the Trustee.

The Trustee may in any instance require further proof with respect to any of the matters referred to in this Section so long as the request is a reasonable one.

Section 8.03. Persons Deemed Owners.

The Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name any Registered Security is registered as the owner of such Registered Security for the purpose of receiving payment of the principal of (and premium, if any) and (subject to Section 3.07) interest, if any, on such Registered Security and for all other purposes whatsoever, whether or not such Registered Security be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary. All payments made to any Holder, or upon his order, shall be valid, and, to the extent of the sum or sums paid, effectual to satisfy and discharge the liability for moneys payable upon such Debt Security.

Section 8.04. Revocation of Consents; Future Holders Bound.

At any time prior to (but not after) the evidencing to the Trustee, as provided in Section 8.01, of the taking of any Act by the Holders of the percentage in aggregate principal amount of the Outstanding Debt Securities specified in this Indenture in connection with such Act, any Holder of a Debt Security the number, letter or other distinguishing symbol of which is shown by the evidence to be included in the Debt Securities the Holders of which have consented to such Act may, by filing written notice with the Trustee at the Corporate Trust Office and upon proof of ownership as provided in Section 8.02, revoke such Act so far as it concerns such Debt Security. Except as aforesaid, any such Act taken by the Holder of any Debt Security shall be conclusive and binding upon such Holder and, subject to the provisions of Section 5.08, upon all future Holders of such Debt Security and of any Debt Securities issued on transfer or in lieu thereof or in exchange or substitution therefor, irrespective of whether or not any notation in regard thereto is made upon such Debt Security or such other Debt Securities.

ARTICLE NINE
CONSOLIDATION, MERGER, CONVEYANCE, TRANSFER OR LEASE

Section 9.01. Company May Consolidate, etc., Only on Certain Terms.

The Company shall not consolidate with or merge with or into or wind up into (whether or not the Company is the surviving corporation) or sell, assign, convey, transfer or lease its properties and assets substantially as an entirety to any Person, unless:

(1) the corporation formed by such consolidation or into which the Company is merged or the Person which acquires by conveyance or transfer, or which leases, the properties and assets of the Company substantially as an entirety (the "successor corporation") shall be a

-
53

corporation organized and existing under the laws of the United States or any State or territory thereof or the District of Columbia and shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee, in form satisfactory to the Trustee, the due and punctual payment of the principal of (and premium, if any) and interest on all the Debt Securities and the performance of every covenant of this Indenture on the part of the Company to be performed or observed;

(2) immediately after giving effect to such transaction, no Event of Default, and no event which, after notice or lapse of time, or both, would become an Event of Default, shall have happened and be continuing;

(3) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel each stating that such consolidation, merger, conveyance, transfer or lease and such supplemental indenture comply with this Article and that all conditions precedent herein provided for relating to such transaction have been complied with; and

(4) such other conditions as may be specified under Section 3.01 with respect to any series of Debt Securities.

Section 9.02. Successor Corporation Substituted.

Upon any consolidation with or merger into any other corporation, or any conveyance, transfer or lease of the properties and assets of the Company substantially as an entirety in accordance with Section 9.01, the successor corporation formed by such consolidation or into which the Company is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor corporation had been named as the Company herein.

ARTICLE TEN
SUPPLEMENTAL INDENTURES

Section 10.01. Supplemental Indentures Without Consent of Holders.

Without the consent of any Holders, the Company, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, for any of the following purposes:

- (1) to evidence the succession of another corporation to the rights of the Company and the assumption by such successor of the covenants of the Company contained herein and in the Debt Securities; or
- (2) to add to the covenants of the Company, for the benefit of the Holders of all or any series of Debt Securities (and if such covenants are to be for the benefit of less than all series, stating that such covenants are expressly being included solely for the benefit of such series), or to surrender any right or power herein conferred upon the Company; or
- (3) to add any additional Events of Default (and if such Events of Default are to be applicable to less than all series, stating that such Events of Default are expressly being included solely to be applicable to such series); or

54

(4) to change or eliminate any of the provisions of this Indenture, provided that any such change or elimination shall become effective only when there is no Outstanding Debt Security of any series created prior to the execution of such supplemental indenture which is entitled to the benefit of such provision and as to which such supplemental indenture would apply; or

(5) to secure the Debt Securities or to provide that any of the Company's obligations under any series of the Debt Securities shall be guaranteed and the terms and conditions for the release or substitution of such security or guarantee; or

(6) to supplement any of the provisions of this Indenture to such extent as shall be necessary to permit or facilitate the defeasance and discharge of any series of Debt Securities pursuant to Article Four or Fourteen, provided that any such action shall not adversely affect the interests of the Holders of Debt Securities of such series or any other series of Debt Securities in any material respect; or

(7) to establish the form or terms of Debt Securities of any series as permitted by Sections 2.01 and 3.01; or

(8) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to one or more series of Debt Securities and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 6.11; or

(9) to cure any ambiguity, to correct or supplement any provision herein which may be defective or inconsistent with any other provision herein, to eliminate any conflict between the terms hereof and the Trust Indenture Act or to make any other provisions with respect to matters or questions arising under this Indenture which shall not be inconsistent with any provision of this Indenture; provided such other provisions shall not adversely affect the interests of the Holders of Outstanding Debt Securities of any series created prior to the execution of such supplemental indenture in any material respect.

Section 10.02. Supplemental Indentures With Consent of Holders.

With the written consent of the Holders of not less than a majority in principal amount of the Outstanding Debt Securities of each series affected by such supplemental indenture voting separately, by Act of said Holders delivered to the Company and the Trustee, the Company, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders under this Indenture of such Debt Securities; provided, however, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Debt Security of each such series affected thereby,

(1) conflict with the required provisions of the Trust Indenture Act;

(2) except as specifically provided with respect to any series of Debt Securities pursuant to Section 3.01, (a) change the Stated Maturity of the principal of, or installment of interest, if any, on, any Debt Security, or reduce the principal amount thereof or the interest thereon or any premium payable upon redemption thereof (provided that a requirement to offer to repurchase Debt Securities shall not be deemed a redemption for this purpose), or change the Stated Maturity of, or change the Currency or Currencies in which the principal of (and premium, if any) or

55

interest on such Debt Security is denominated or payable, or reduce the amount of the principal of a Discount Security that would be due and payable upon a declaration of acceleration of the Maturity thereof pursuant to Section 5.02, or reduce the amount of, or postpone the date fixed for,

any payment under any sinking fund or analogous provisions for any Debt Security, or impair the right to institute suit for the enforcement of any payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date), or adversely affect the right to convert any Debt Security into shares of Common Shares of the Company as may be provided pursuant to Section 3.01; or

(3) reduce the percentage in principal amount of the Outstanding Debt Securities of any series, the consent of whose Holders is required for any supplemental indenture, or the consent of whose Holders is required for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences provided for in this Indenture; or

(4) modify any of the provisions of this Section, Section 5.13 or Section 11.06, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Debt Security of each series affected thereby; provided, however, that this clause shall not be deemed to require the consent of any Holder with respect to changes in the references to "the Trustee" and concomitant changes in this Section and Section 11.06, or the deletion of this proviso, in accordance with the requirements of Sections 6.11 and 10.01(6); or

(5) modify any of the provisions of this Indenture relating to the subordination of the Debt Securities in a manner adverse to the Holders.

It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture with respect to one or more particular series of Debt Securities or which modifies the rights of the Holders of Debt Securities of such series with respect to such covenant or other provision shall be deemed not to affect the rights under this Indenture of the Holders of Debt Securities of any other series.

Section 10.03. Execution of Supplemental Indentures.

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Section 6.01) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise in a material way.

Section 10.04. Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Debt Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

-
56

Section 10.05. Conformity with Trust Indenture Act.

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act as then in effect.

Section 10.06. Reference in Debt Securities to Supplemental Indentures.

Debt Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Debt Securities of any series so modified as to conform, in the opinion of the Trustee and the Board of Directors, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Debt Securities of such series.

Section 10.07. Notice of Supplemental Indenture.

Promptly after the execution by the Company and the appropriate Trustee of any supplemental indenture pursuant to Section 10.02, the Company shall transmit, in the manner and to the extent provided in Section 1.05, to all Holders of any series of the Debt Securities affected thereby, a notice setting forth in general terms the substance of such supplemental indenture.

ARTICLE ELEVEN COVENANTS

Section 11.01. Payment of Principal, Premium and Interest.

The Company, for the benefit of each series of Debt Securities, will duly and punctually pay or cause to be paid the principal of, and premium, if any, and interest on, each of the Debt Securities at the place, at the respective times and in the manner provided herein. Each installment of interest on the Debt Securities may at the Company's option be paid by mailing checks for such interest payable to the Person entitled thereto to the address of such Person as it appears on the Security Register.

Section 11.02. Officer's Certificate as to Default.

Unless otherwise specifically provided for with respect to any series of Debt Securities under Section 3.01, the Company will deliver to the Trustee, on or before a date not more than four months after the end of each fiscal year of the Company (which on the date hereof is the calendar year) ending after the date hereof, a certificate of the principal executive officer, principal financial officer or principal accounting officer of the Company stating whether or not to the best knowledge of the signer thereof the Company is in compliance with all covenants and conditions under this Indenture, and, if the Company shall be

in default, specifying all such defaults and the nature thereof of which such signer may have knowledge. For purposes of this Section, such compliance shall be determined without regard to any period of grace or requirement of notice provided under this Indenture.

Section 11.03. Maintenance of Office or Agency.

If Debt Securities of a series are issuable only as Registered Securities, the Company will maintain in each Place of Payment for such series an office or agency where Debt Securities of that series may be presented or surrendered for payment, where Debt Securities of that series may be surrendered for registration of transfer or exchange, where Debt Securities of that series that are convertible may be

-
57

surrendered for conversion, if applicable, and where notices and demands to or upon the Company in respect of the Debt Securities of that series and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent to receive all presentations, surrenders, notices and demands.

The Company may also from time to time designate different or additional offices or agencies to be maintained for such purposes (in or outside of such Place of Payment), and may from time to time rescind any such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligations described in the preceding paragraph. The Company will give prompt written notice to the Trustee of any such additional designation or rescission of designation and any change in the location of any such different or additional office or agency.

Section 11.04. Money for Debt Securities; Payments To Be Held in Trust.

If the Company shall at any time act as its own Paying Agent with respect to any series of Debt Securities, it will, on or before each due date of the principal of (and premium, if any) or interest on any of the Debt Securities of such series, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal (and premium, if any) or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided, and will promptly notify the Trustee of its action or failure so to act.

Whenever the Company shall have one or more Paying Agents with respect to any series of Debt Securities, it will, by or on each due date of the principal (and premium, if any) or interest on any Debt Securities of such series, deposit with any such Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest so becoming due, such sum to be held in trust for the benefit of the Persons entitled thereto, and (unless any such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

The Company will cause each Paying Agent with respect to any series of Debt Securities other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will:

- (1) hold all sums held by it for the payment of the principal of (and premium, if any) or interest on Debt Securities of such series in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;
- (2) give the Trustee notice of any default by the Company (or any other obligor upon the Debt Securities of such series) in the making of any payment of principal (and premium, if any) or interest on the Debt Securities of such series; and
- (3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent;

-
58

and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of (and premium, if any) or interest on any Debt Security of any series and remaining unclaimed for two years after such principal (and premium, if any) or interest has become due and payable shall be paid to the Company upon Company Request, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Debt Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be transmitted in the manner and to the extent provided by Section 1.05, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification, any unclaimed balance of such money then remaining will be repaid to the Company.

Section 11.05. Corporate Existence.

Subject to Article Nine, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence, rights (charter and statutory) and franchises; provided, however, that the Company shall not be required to preserve any such right or franchise if the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company.

Section 11.06. Waiver of Certain Covenants.

The Company may omit in any particular instance to comply with any term, provision or condition set forth in Section 11.05 (and, if so specified pursuant to Section 3.01, any other covenant not set forth herein and specified pursuant to Section 3.01 to be applicable to the Securities of any series, except as otherwise provided pursuant to Section 3.01) with respect to the Debt Securities of any series if before the time for such compliance the Holders of at least a majority in principal amount of the Outstanding Debt Securities of such series shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition, but no such waiver shall extend to or affect such term, provision or condition except to the extent expressly so waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect.

-
ARTICLE TWELVE
REDEMPTION OF DEBT SECURITIES

-
Section 12.01. Applicability of Article.

Debt Securities of any series which are redeemable before their Maturity shall be redeemable in accordance with their terms and (except as otherwise specified pursuant to Section 3.01 for Debt Securities of any series) in accordance with this Article.

-
Section 12.02. Election to Redeem; Notice to Trustee.

The election of the Company to redeem (or, in the case of Discount Securities, to permit the Holders to elect to surrender for redemption) any Debt Securities shall be evidenced by a Board Resolution. In case of any redemption at the election of the Company of less than all of the Debt Securities of

-
59

any series pursuant to Section 12.03, the Company shall, at least 30 days before the Redemption Date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date and of the principal amount of Debt Securities of such series to be redeemed. In the case of any redemption of Debt Securities prior to the expiration of any restriction on such redemption provided in the terms of such Debt Securities or elsewhere in this Indenture, the Company shall furnish the Trustee with an Officers' Certificate evidencing compliance with such restrictions.

-
Section 12.03. Selection by Trustee of Debt Securities to Be Redeemed.

Except in the case of a redemption in whole of the Registered Securities of such series, if less than all the Debt Securities of any series are to be redeemed at the election of the Company, the particular Debt Securities to be redeemed shall be selected not more than 60 days prior to the Redemption Date by the Trustee, from the Outstanding Debt Securities of such series not previously called for redemption, by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of portions (equal to the minimum authorized denomination for Debt Securities of such series or any integral multiple thereof) of the principal amount of Debt Securities of such series in a denomination larger than the minimum authorized denomination for Debt Securities of such series pursuant to Section 3.02 in the Currency in which the Debt Securities of such series are denominated. The portions of the principal amount of Debt Securities so selected for partial redemption shall be equal to the minimum authorized denominations for Debt Securities of such series pursuant to Section 3.02 in the Currency in which the Debt Securities of such series are denominated or any integral multiple thereof, except as otherwise set forth in the applicable form of Debt Securities. In any case when more than one Registered Security of such series is registered in the same name, the Trustee in its discretion may treat the aggregate principal amount so registered as if it were represented by one Registered Security of such series.

The Trustee shall promptly notify the Company in writing of the Debt Securities selected for redemption and, in the case of any Debt Securities selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Debt Securities shall relate, in the case of any Debt Security redeemed or to be redeemed only in part, to the portion of the principal amount of such Debt security which has been or is to be redeemed.

-
Section 12.04. Notice of Redemption.

Notice of redemption shall be given by the Company, or at the Company's request, by the Trustee in the name and at the expense of the Company, not less than 30 days and not more than 60 days prior to the Redemption Date to the Holders of Debt Securities of any series to be redeemed in whole or in part pursuant to this Article Twelve, in the manner provided in Section 1.05. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Holder receives such notice. Failure to give such notice, or any defect in such notice to the Holder of any Debt Security of a series designated for redemption, in whole or in part, shall not affect the sufficiency of any notice of redemption with respect to the Holder of any other Debt Security of such series.

-
All notices of redemption shall state:

-
(1) the Redemption Date,

-
(2) the Redemption Price,

-
60

(3) that Debt Securities of such series are being redeemed by the Company pursuant to provisions contained in this Indenture or the terms of the Debt Securities of such series or a supplemental indenture establishing such series, if such be the case, together with a brief statement of the facts permitting such redemption,

(4) if less than all Outstanding Debt Securities of any series are to be redeemed, the identification (and, in the case of partial redemption, the principal amounts) of the particular Debt Securities to be redeemed,

(5) that on the Redemption Date the Redemption Price will become due and payable upon each such Debt Security to be redeemed, and that interest thereon, if any, shall cease to accrue on and after said date,

(6) the Place or Places of Payment where such Debt Securities are to be surrendered for payment of the Redemption Price, and

(7) that the redemption is for a sinking fund, if such is the case.

Section 12.05. Deposit of Redemption Price.

On or prior to the Redemption Date for any Debt Securities, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 11.04) an amount of money in the Currency or Currencies in which such Debt Securities are denominated (except as provided pursuant to Section 3.01) sufficient to pay the Redemption Price of such Debt Securities or any portions thereof which are to be redeemed on that date.

Section 12.06. Debt Securities Payable on Redemption Date.

Notice of redemption having been given as aforesaid, any Debt Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price in the Currency in which the Debt Securities of such series are payable (except as otherwise specified pursuant to Section 3.01 or 3.10), and from and after such date (unless the Company shall default in the payment of the Redemption Price) such Debt Securities shall cease to bear interest. Upon surrender of any such Debt Security for redemption in accordance with said notice, such Debt Security shall be paid by the Company at the Redemption Price; provided, however, that, unless otherwise specified as contemplated by Section 3.01, installments of interest on Registered Securities which have a Stated Maturity on or prior to the Redemption Date for such Debt Securities shall be payable according to the terms of such Debt Securities and the provisions of Section 3.07.

If any Debt Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Debt Security.

Section 12.07. Debt Securities Redeemed in Part.

Any Debt Security which is to be redeemed only in part shall be surrendered at the Corporate Trust Office or such other office or agency of the Company as is specified pursuant to Section 3.01 with, if the Company, the Security Registrar or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company, the Security Registrar and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing, and the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Debt Security without service charge,

a new Debt Security or Debt Securities of the same series, of like tenor and form, of any authorized denomination as requested by such Holder in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Debt Security so surrendered. In the case of a Debt Security providing appropriate space for such notation, at the option of the Holder thereof, the Trustee, in lieu of delivering a new Debt Security or Debt Securities as aforesaid, may make a notation on such Debt Security of the payment of the redeemed portion thereof.

ARTICLE THIRTEEN
SINKING FUNDS

Section 13.01. Applicability of Article.

The provisions of this Article shall be applicable to any sinking fund for the retirement of Debt Securities of a series except as otherwise specified pursuant to Section 3.01 for Debt Securities of such series.

The minimum amount of any sinking fund payment provided for by the terms of Debt Securities of any series is herein referred to as a "mandatory sinking fund payment," and any payment in excess of such minimum amount provided for by the terms of Debt Securities of any series is herein referred to as an "optional sinking fund payment." If provided for by the terms of Debt Securities of any series, the amount of any cash sinking fund payment may be subject to reduction as provided in Section 13.02. Each sinking fund payment shall be applied to the redemption of Debt Securities of any series as provided for by the terms of Debt Securities of such series.

Section 13.02. Satisfaction of Mandatory Sinking Fund Payments with Debt Securities.

In lieu of making all or any part of a mandatory sinking fund payment with respect to any Debt Securities of a series in cash, the Company may at its option, at any time no more than sixteen months and no less than 45 days prior to the date on which such sinking fund payment is due, deliver to the Trustee Debt Securities of such series theretofore purchased or otherwise acquired by the Company, except Debt Securities of such series which have been redeemed through the application of mandatory sinking fund payments pursuant to the terms of the Debt Securities of such series, accompanied by a Company Order instructing the Trustee to credit such obligations and stating that the Debt Securities of such series were originally issued by the Company by way of bona fide sale or other negotiation for value, provided that such Debt Securities shall not have been previously so credited. Such Debt Securities shall be received and credited for such purpose by the Trustee at the Redemption Price specified in such Debt Securities for redemption through operation of the sinking fund and the amount of such mandatory sinking fund payment shall be reduced accordingly.

Section 13.03. Redemption of Debt Securities for Sinking Fund.

Not less than 60 days prior to each sinking fund payment date for any series of Debt Securities (unless a shorter period shall be satisfactory to the Trustee), the Company will deliver to the Trustee an Officers' Certificate specifying the amount of the next ensuing sinking fund payment for that series pursuant to the terms of that series, the portion thereof, if any, which is to be satisfied by payment of cash in the Currency or Currencies in which the Debt Securities of such series are denominated (except as provided pursuant to Section 3.01) and the portion thereof, if any, which is to be satisfied by delivering

and crediting Debt Securities of such series pursuant to Section 13.02 and whether the Company intends to exercise its rights to make a permitted optional sinking fund payment with respect to such series. Such certificate shall be irrevocable and upon its delivery the Company shall be obligated to make the cash payment or payments therein referred to, if any, on or before the next succeeding sinking fund payment

-
62

date. In the case of the failure of the Company to deliver such certificate, the sinking fund payment due on the next succeeding sinking fund payment date for such series shall be paid entirely in cash and shall be sufficient to redeem the principal amount of the Debt Securities of such series subject to a mandatory sinking fund payment without the right to deliver or credit Debt Securities as provided in Section 13.02 and without the right to make any optional sinking fund payment with respect to such series at such time.

Any sinking fund payment or payments (mandatory or optional) made in cash plus any unused balance of any preceding sinking fund payments made with respect to the Debt Securities of any particular series shall be applied by the Trustee (or by the Company if the Company is acting as its own Paying Agent) on the sinking fund payment date on which such payment is made (or, if such payment is made before a sinking fund payment date, on the sinking fund payment date immediately following the date of such payment) to the redemption of Debt Securities of such series at the Redemption Price specified in such Debt Securities with respect to the sinking fund. Any sinking fund moneys not so applied or allocated by the Trustee (or by the Company if the Company is acting as its own Paying Agent) to the redemption of Debt Securities shall be added to the next sinking fund payment received by the Trustee (or if the Company is acting as its own Paying Agent, segregated and held in trust as provided in Section 11.04) for such series and, together with such payment (or such amount so segregated) shall be applied in accordance with the provisions of this Section. Any and all sinking fund moneys with respect to the Debt Securities of any particular series held by the Trustee (or if the Company is acting as its own Paying Agent, segregated and held in trust as provided in Section 11.04) on the last sinking fund payment date with respect to Debt Securities of such series and not held for the payment or redemption of particular Debt Securities of such series shall be applied by the Trustee (or by the Company if the Company is acting as its own Paying Agent), together with other moneys, if necessary, to be deposited (or segregated) sufficient for the purpose, to the payment of the principal of the Debt Securities of such series at Maturity.

The Trustee shall select or cause to be selected the Debt Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 12.03 and the Company shall cause notice of the redemption thereof to be given in the manner provided in Section 12.04. Such notice having been duly given, the redemption of such Debt Securities shall be made upon the terms and in the manner stated in Section 12.06.

On or before each sinking fund payment date, the Company shall pay to the Trustee (or, if the Company is acting as its own Paying Agent, the Company shall segregate and hold in trust as provided in Section 11.04) in cash a sum, in the Currency or Currencies in which Debt Securities of such series are denominated (except as provided pursuant to Section 3.01 or 3.10), equal to the principal and any interest accrued to the Redemption Date for Debt Securities or portions thereof to be redeemed on such sinking fund payment date pursuant to this Section.

Neither the Trustee nor the Company shall redeem any Debt Securities of a series with sinking fund moneys or mail any notice of redemption of Debt Securities of such series by operation of the sinking fund for such series during the continuance of a default in payment of interest, if any, on any Debt Securities of such series or of any Event of Default (other than an Event of Default occurring as a consequence of this paragraph) with respect to the Debt Securities of such series, except that if the notice of redemption shall have been provided in accordance with the provisions hereof, the Trustee (or the Company, if the Company is then acting as its own Paying Agent) shall redeem such Debt Securities if cash sufficient for that purpose shall be deposited with the Trustee (or segregated by the Company) for that purpose in accordance with the terms of this Article. Except as aforesaid, any moneys in the sinking fund for such series at the time when any such default or Event of Default shall occur and any moneys thereafter paid into such sinking fund shall, during the continuance of such default or Event of Default, be held as security for the payment of the Debt Securities of such series; provided, however, that in case such

-
63

default or Event of Default shall have been cured or waived as provided herein, such moneys shall thereafter be applied on or prior to the next sinking fund payment date for the Debt Securities of such series on which such moneys may be applied pursuant to the provisions of this Section.

ARTICLE FOURTEEN DEFEASANCE

Section 14.01. Applicability of Article.

If, pursuant to Section 3.01, provision is made for the defeasance of Debt Securities of a series, and if the Debt Securities of such series are Registered Securities and denominated and payable only in Dollars (except as provided pursuant to Section 3.01) then the provisions of this Article shall be applicable except as otherwise specified pursuant to Section 3.01 for Debt Securities of such series. Defeasance provisions, if any, for Debt Securities denominated in a Foreign Currency or Currencies may be specified pursuant to Section 3.01.

Section 14.02. Defeasance Upon Deposit of Moneys or U.S. Government Obligations.

At the Company's option, either (a) the Company shall be deemed to have been Discharged (as defined below) from its obligations with respect to Debt Securities of any series ("legal defeasance option") or (b) the Company shall cease to be under any obligation to comply with any term, provision or condition set forth in Section 9.01 with respect to Debt Securities of any series (and, if so specified pursuant to Section 3.01, any other obligation of the Company or restrictive covenant added for the benefit of such series pursuant to Section 3.01) ("covenant defeasance option") at any time after the applicable conditions set forth below have been satisfied:

(1) the Company shall have deposited or caused to be deposited irrevocably with the Trustee as trust funds in trust, specifically pledged as security for, and dedicated solely to, the benefit of the Holders of the Debt Securities of such series (i) money in an amount, or (ii) U.S. Government Obligations (as defined below) which through the payment of interest and principal in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, money in an amount, or (iii) a combination of (i) and (ii), sufficient, in the opinion (with respect to (i) and (ii)) of a nationally recognized firm of independent public accountants expressed in a written certification thereof

delivered to the Trustee, to pay and discharge each installment of principal (including any mandatory sinking fund payments) of and premium, if any, and interest on, the Outstanding Debt Securities of such series on the dates such installments of interest or principal and premium are due;

(2) such deposit shall not cause the Trustee with respect to the Debt Securities of that series to have a conflicting interest as defined in Section 6.08 and for purposes of the Trust Indenture Act with respect to the Debt Securities of any series;

(3) such deposit will not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which the Company is a party or by which it is bound;

(4) if the Debt Securities of such series are then listed on any national securities exchange, the Company shall have delivered to the Trustee an Opinion of Counsel or a letter or other document from such exchange to the effect that the Company's exercise of its option under this Section would not cause such Debt Securities to be delisted;

-
64

(5) no Event of Default or event (including such deposit) which, with notice or lapse of time or both, would become an Event of Default with respect to the Debt Securities of such series shall have occurred and be continuing on the date of such deposit and, with respect to the legal defeasance option only, no Event of Default under Section 5.01(7) or event which with the giving of notice or lapse of time, or both, would become an Event of Default under Section 5.01(7) shall have occurred and be continuing on the 91st day after such date; and

(6) the Company shall have delivered to the Trustee an Opinion of Counsel or a ruling from the Internal Revenue Service to the effect that the Holders of the Debt Securities of such series will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit, defeasance or Discharge.

Notwithstanding the foregoing, if the Company exercises its covenant defeasance option and an Event of Default under Section 5.01(7) or event which with the giving of notice or lapse of time, or both, would become an Event of Default under Section 5.01(7) shall have occurred and be continuing on the 91st day after the date of such deposit, the obligations of the Company referred to under the definition of covenant defeasance option with respect to such Debt Securities shall be reinstated. Money and securities held in trust pursuant to a legal defeasance shall not be subject to Article Fifteen.

"Discharged" means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by, and obligations under, the Debt Securities of such series and to have satisfied all the obligations under this Indenture relating to the Debt Securities of such series (and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging the same), except (A) the rights of Holders of Debt Securities of such series to receive, from the trust fund described in clause (1) above, payment of the principal of (and premium, if any) and interest on such Debt Securities when such payments are due, (B) the Company's obligations with respect to the Debt Securities of such series under Sections 3.04, 3.05, 3.06, 11.03 and 14.03 and (C) the rights, powers, trusts, duties and immunities of the Trustee hereunder.

"U.S. Government Obligations" means securities that are (i) direct obligations of the United States for the payment of which its full faith and credit is pledged, or (ii) obligations of a Person controlled or supervised by and acting as an agency or instrumentality of the United States the payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States, which, in either case under clause (i) or (ii), are not callable or redeemable at the option of the issuer thereof, and shall also include a depository receipt issued by a bank or trust company as custodian with respect to any such U.S. Government Obligation or a specific payment of interest on or principal of any such U.S. Government Obligation held by such custodian for the account of the holder of a depository receipt; provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of interest on or principal of the U.S. Government Obligation evidenced by such depository receipt.

Section 14.03. Deposited Moneys and U.S. Government Obligations to Be Held in Trust.

All moneys and U.S. Government Obligations deposited with the Trustee pursuant to Section 14.02 in respect of Debt Securities of a series shall be held in trust and applied by it, in accordance with the provisions of such Debt Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Holders of such Debt Securities, of all sums due and to become due thereon for principal (and premium, if any) and interest, if any, but such money need not be segregated from other funds except to the extent required by law.

-
65

Section 14.04. Repayment to Company.

The Trustee and any Paying Agent shall promptly pay or return to the Company upon Company Request any moneys or U.S. Government Obligations held by them at any time that are not required for the payment of the principal of (and premium, if any) and interest on the Debt Securities of any series for which money or U.S. Government Obligations have been deposited pursuant to Section 14.02.

The provisions of the last paragraph of Section 11.04 shall apply to any money held by the Trustee or any Paying Agent under this Article that remains unclaimed for two years after the Maturity of any series of Debt Securities for which money or U.S. Government Obligations have been deposited pursuant to Section 14.02.

-
ARTICLE FIFTEEN
SUBORDINATION

Section 15.01. Agreement to Subordinate.

The Company, for itself, its successors and assigns, covenants and agrees, and each Holder of Debt Securities by his acceptance thereof, likewise covenants and agrees, that the payment of the principal of (and premium, if any) and interest on each and all of the Debt Securities is hereby expressly

subordinated, to the extent and in the manner hereinafter set forth, in right of payment to the prior payment in full of all Senior Indebtedness.

Section 15.02. Distribution on Dissolution, Liquidation and Reorganization; Subrogation of Debt Securities.

Upon any distribution of assets of the Company upon any dissolution, winding up, liquidation or reorganization of the Company, whether in bankruptcy, insolvency, reorganization or receivership proceedings or upon an assignment for the benefit of creditors or any other marshalling of the assets and liabilities of the Company or otherwise (subject to the power of a court of competent jurisdiction to make other equitable provision reflecting the rights conferred in this Indenture upon the Senior Indebtedness and the holders thereof with respect to the Debt Securities and the Holders thereof by a plan of reorganization under applicable bankruptcy law):

(a) the holders of all Senior Indebtedness shall be entitled to receive payment in full of the principal thereof (and premium, if any) and interest due thereon before the Holders of the Debt Securities are entitled to receive any payment upon the principal (and premium, if any) or interest on indebtedness evidenced by the Debt Securities;

(b) any payment or distribution of the Company of any kind or character, whether in cash, property or securities, to which the Holders of the Debt Securities or the Trustee would be entitled except for the provisions of this Article Fifteen shall be paid by the liquidating trustee or agent or other person making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or otherwise, directly to the holders of Senior Indebtedness or their representative or representatives or to the trustee or trustees under any indenture under which any instruments evidencing any of such Senior Indebtedness may have been issued, ratably according to the aggregate amounts remaining unpaid on account of the principal of (and premium, if any) and interest on the Senior Indebtedness held or represented by each, to the extent necessary to make payment in full of all Senior Indebtedness remaining unpaid, after giving effect to any concurrent payment or distribution to the holders of such Senior Indebtedness; and

66

(c) in the event that, notwithstanding the foregoing, any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, shall be received by the Trustee or the Holders of the Debt Securities before all Senior Indebtedness is paid in full, such payment or distribution shall be paid over, upon written notice to the Trustee, to the holder of such Senior Indebtedness or their representative or representatives or to the trustee or trustees under any indenture under which instrument evidencing any of such Senior Indebtedness may have been issued, ratably as aforesaid, for application to payment of all Senior Indebtedness remaining unpaid until all such Senior Indebtedness shall have been paid in full, after giving effect to any concurrent payment or distribution to the holders of such Senior Indebtedness.

Subject to the payment in full of all Senior Indebtedness, the Holders of the Debt Securities shall be subrogated to the rights of the holders of Senior Indebtedness to receive payments or distributions of cash, property or securities of the Company applicable to Senior Indebtedness until the principal of (and premium, if any) and interest on the Debt Securities shall be paid in full and no such payments or distributions to the Holders of the Debt Securities of cash, property, or securities otherwise distributable to the holders of Senior Indebtedness shall, as between the Company, its creditors other than the holders of Senior Indebtedness, and the Holders of the Debt Securities be deemed to be a payment by the Company to or on account of the Debt Securities. It is understood that the provisions of this Article Fifteen are and are intended solely for the purpose of defining the relative rights of the Holders of the Debt Securities, on the one hand, and the holders of the Senior Indebtedness, on the other hand. Nothing contained in this Article Fifteen or elsewhere in this Indenture or in the Debt Securities is intended to or shall impair, as between the Company, its creditors other than the holders of Senior Indebtedness, and the Holders of the Debt Securities, the obligation of the Company, which is unconditional and absolute, to pay to the Holders of the Debt Securities the principal of (and premium, if any) and interest on the Debt Securities as and when the same shall become due and payable in accordance with their terms, or to affect the relative rights of the Holders of the Debt Securities and creditors of the Company other than the holders of Senior Indebtedness, nor shall anything herein or in the Debt Securities prevent the Trustee or the Holder of any Debt Security from exercising all remedies otherwise permitted by applicable law upon default under this Indenture, subject to the rights, if any, under this Article Fifteen of the holders of Senior Indebtedness in respect of cash, property or securities of the Company received upon the exercise of any such remedy. Upon any payment or distribution of assets of the Company referred to in this Article Fifteen, the Trustee, subject to the provisions of Sections 6.01 and 6.03, shall be entitled to rely upon a certificate of the liquidating trustee or agent or other person making any distribution to the Trustee for the purpose of ascertaining the Persons entitled to participate in such distribution, the holders of Senior Indebtedness and other indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent to this Article Fifteen.

The Trustee, however, shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness. The Trustee shall not be liable to any such holder if it shall pay or distribute to or on behalf of Holders of Debt Securities or the Company moneys or assets to which any holder of Senior Indebtedness shall be entitled by virtue of this Article Fifteen.

If the Trustee or any Holder of Debt Securities does not file a proper claim or proof of debt in the form required in any proceeding referred to above prior to 30 days before the expiration of the time to file such claim in such proceeding, then the holder of any Senior Indebtedness is hereby authorized, and has the right, to file an appropriate claim or claims for or on behalf of such Holder of Debt Securities.

67

Section 15.03. No Payment on Debt Securities in Event of Default on Senior Indebtedness.

No payment by the Company on account of principal (or premium, if any), sinking funds or interest on the Debt Securities shall be made unless full payment of amounts then due for principal, premium, if any, sinking funds, and interest on Senior Indebtedness has been made or duly provided for.

Section 15.04. Payments on Debt Securities Permitted.

Nothing contained in this Indenture or in any of the Debt Securities shall (a) affect the obligation of the Company to make, or prevent the Company from making, at any time except as provided in Sections 15.02 and 15.03, payments of principal (and premium, if any) or interest of the Debt Securities or (b) prevent the application by the Trustee of any moneys deposited with it hereunder to the payment of or on account of the principal of (and premium, if any).

or interest on the Debt Securities, unless the Trustee shall have received at its Corporate Trust Office written notice of any event prohibiting the making of such payment more than two Business Days prior to the date fixed for such payment.

Section 15.05. Trustee to Effectuate Subordination.

Each Holder of Debt Securities by his acceptance thereof authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to effectuate the subordination as provided in this Article Fifteen and appoints the Trustee his attorney-in-fact for any and all such purposes.

Section 15.06. Notices to Trustee.

The Company shall give prompt written notice to the Trustee of any fact known to the Company which would prohibit the making of any payment to or by the Trustee in respect of the Debt Securities. Failure to give such notice shall not affect the subordination of the Debt Securities to Senior Indebtedness. Notwithstanding the provisions of this Article or any other provisions of this Indenture, neither the Trustee nor any Paying Agent (other than the Company) shall be charged with knowledge of the existence of any Senior Indebtedness or of any event which would prohibit the making of any payment of moneys to or by the Trustee or such Paying Agent, unless and until the Trustee or such Paying Agent shall have received (in the case of the Trustee, at its Corporate Trust Office) written notice thereof from the Company or from the holder of any Senior Indebtedness or from the trustee for any such holder, together with proof satisfactory to the Trustee of such holding of Senior Indebtedness or of the authority of such trustee; provided, however, that if at least two Business Days prior to the date upon which by the terms hereof any such moneys may become payable for any purpose (including, without limitation, the payment of either the principal (and premium, if any) or interest on any Debt Security) the Trustee shall not have received with respect to such moneys the notice provided for in this Section 15.06, then, anything herein contained to the contrary notwithstanding, the Trustee shall have full power and authority to receive such moneys and to apply the same to the purpose for which they were received, and shall not be affected by any notice to the contrary, which may be received by it within two Business Days prior to such date. The Trustee shall be entitled to rely on the delivery to it of a written notice by a Person representing himself to be a holder of Senior Indebtedness (or a trustee on behalf of such holder) to establish that such a notice has been given by a holder of Senior Indebtedness or a trustee on behalf of any such holder. In the event that the Trustee determines in good faith that further evidence is required with respect to the right of any Person as a holder of Senior Indebtedness to participate in any payment or distribution pursuant to this Article Fifteen, the Trustee may request such person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Indebtedness held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and any other facts pertinent to the rights of such Person under this Article Fifteen and, if such evidence is not furnished, the Trustee may defer any payment to such person pending judicial determination as to the right of such person to receive such payment.

-
68

Section 15.07. Trustee as Holder of Senior Indebtedness.

The Trustee in its individual capacity shall be entitled to all the rights set forth in this Article Fifteen in respect of any Senior Indebtedness at any time held by it to the same extent as any other holder of Senior Indebtedness and nothing in this Indenture shall be construed to deprive the Trustee of any of its rights as such holder.

Nothing in this Article shall apply to claims, of, or payments to, the Trustee under or pursuant to Section 6.07.

Section 15.08. Modification of Terms of Senior Indebtedness.

Any renewal or extension of the time of payment of any Senior Indebtedness or the exercise by the holders of Senior Indebtedness of any of their rights under any instrument creating or evidencing Senior Indebtedness, including, without limitation, the waiver of default thereunder, may be made or done all without notice to or assent from the Holders of the Debt Securities or the Trustee.

No compromise, alteration, amendment, modification, extension, renewal or other change of, or waiver, consent or other action in respect of, any liability or obligation under or in respect of, or of any of the terms, covenants or conditions of any indenture or other instrument under which any Senior Indebtedness is outstanding or of such Senior Indebtedness, whether or not such release is in accordance with the provisions of any applicable document, shall in any way alter or affect any of the provisions of this Article Fifteen or of the Debt Securities relating to the subordination thereof.

Section 15.09. Reliance on Judicial Order or Certificate of Liquidation Agent.

Upon any payment or distribution of assets of the Company referred to in this Article Fifteen, the Trustee and the Holders of the Debt Securities shall be entitled to rely upon any order or decree entered by any court of competent jurisdiction in which each insolvency, bankruptcy, receivership, liquidation, reorganization, dissolution, winding up or similar case or proceeding is pending, or a certificate of the trustee in bankruptcy, liquidating trustee, custodian, receiver, assignee for the benefit of creditors, agent or other person making such payment or distribution, delivered to the Trustee or to the Holders of Debt Securities, for the purpose of ascertaining the persons entitled to participate in such payment or distribution, the holders of Senior Indebtedness and other indebtedness of the Company, the amount thereof or payable therein, the amount or amounts paid or distributed there on and all other facts pertinent thereto or to this Article Fifteen.

The Company, for itself, its successors and assigns, covenants and agrees, and each Holder of Debt Securities by his acceptance thereof, likewise covenants and agrees, that the payment of the principal of (and premium, if any) and interest on each and all of the Debt Securities is hereby expressly subordinated, to the extent and in the manner hereinafter set forth, in right of payment to the prior payment in full of all Senior Indebtedness.

Re: TriMas Corporation
Registration Statement on Form S-3
File No. 333-

Ladies and Gentlemen:

We have acted as counsel for TriMas Corporation, a Delaware corporation (the "Company") in connection with the preparation and filing of a registration statement on Form S-3 (the "Registration Statement") relating to the registration under the Securities Act of 1933, as amended (the "Act"), of:

(A) up to 11,904,972 shares of common stock, \$0.01 par value, plus an indeterminate number of shares of common stock that may be issued upon stock splits, stock dividends or similar transactions in accordance with Rule 416 of the Act, of the Company (collectively, the "Common Stock"), which may be offered and sold from time to time by the selling stockholder named therein (the "Selling Stockholder Shares"); and

(B) up to \$250,000,000 in aggregate initial public offering price of securities that may be offered and sold from time to time by the Company (collectively, the "Company Offered Securities", and together with the Selling Stockholder Shares, the "Offered Securities"), including (i) shares of Common Stock (the "Company Common Shares") and (ii) secured or unsecured debt securities, in one or more series, which may be either senior or subordinated debt securities (the "Debt Securities").

This opinion is being furnished in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Act.

In rendering the opinion set forth herein, we have examined originals, photocopies or conformed copies certified to our satisfaction of all such corporate records, agreements, instruments and documents of the Company, certificates of public officials and other certificates and opinions, and we have made such other investigations, as we have deemed necessary in connection with the opinions set forth herein. In our examinations, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity to originals of all documents submitted to us as photocopies or conformed copies.

In connection with each of the opinions expressed below, we have assumed that at or prior to the time of delivery of any Security:

- (i) the Registration Statement, as finally amended (including all necessary post-effective amendments), has become effective under the Act;
- (ii) an appropriate prospectus supplement or term sheet with respect to the Offered Securities has been prepared, delivered and filed in compliance with the Act and the applicable rules and regulations promulgated thereunder;
- (iii) an underwriting agreement with respect to the Company Offered Securities has been duly authorized, executed and delivered by the Company and the other parties thereto;
- (iv) the certificates evidencing the Company Common Shares are duly executed and delivered;
- (v) the Debt Securities will be issued under one more or more indentures, the forms of which are attached as exhibits to the Registration Statement, which may be amended or supplemented from time to time (each an "Indenture"), and each Indenture has been duly executed and delivered by the Company and one or more trustees, and any such Debt Security issued thereunder has been duly established in accordance with such Indenture and applicable law, authenticated by such trustee and duly executed and delivered on behalf of the Company against payment thereof in accordance with the terms of such Indenture;
- (vi) the Company's Board of Directors, including any appropriate committee appointed thereby, and appropriate officers of the Company have taken all necessary corporate action to approve the issuance of the Offered Securities and related matters; and
- (vii) the terms of the issuance and sale of the Offered Securities have been duly established in conformity with the Certificate of Incorporation and the By-laws of the Company so as not to violate any applicable law, the Certificate of Incorporation or the By-laws of the Company or result in default under or breach of any agreement or instrument binding upon the Company and so as to comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company.

Subject to the qualifications and limitations set forth in this opinion, we are of the opinion that:

- (1) The Selling Stockholder Shares are validly issued, fully paid and nonassessable shares of the Company's Common Stock.
- (2) The Company Common Shares, when issued and sold in the manner contemplated by the Registration Statement and in accordance with the applicable underwriting or purchase agreement or any other duly authorized, executed and delivered valid and binding purchase or agency agreement, will be duly authorized, validly issued, fully paid and nonassessable.
- (3) With respect to any series of Debt Securities offered under the Registration Statement, when (i) the specific terms of the particular Debt Security have been duly established in accordance with the applicable Indenture and a trustee has been selected and qualified under the Trust Indenture Act of 1939, as amended, (ii) the applicable Indenture and any supplemental indenture to be entered into in connection with the issuance of any Debt Security has

been authorized, executed, issued and delivered by the trustee and the Company and (iii) the Debt Securities have been duly authorized, authenticated, executed, issued and delivered in accordance with the terms of the applicable Indenture and the applicable underwriting or other agreement against payment therefor, such Debt Security will be a valid and binding obligation of the Company enforceable against the Company in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and similar laws affecting creditors' rights and remedies generally and subject to general principles of equity, including principles of commercial reasonableness, good faith and fair dealing (regardless of whether enforcement is sought in a proceeding at law or in equity).

In rendering this opinion we express no opinion as to the laws of any jurisdiction other than the laws of the State of New York, the Delaware General Corporation Law (including the statutory provisions, all applicable provisions of the Delaware Constitution and reported judicial decisions interpreting the foregoing).

We hereby consent to the use of our name under the caption "Legal Matters" in the prospectus included in the Registration Statement and to the filing of a copy of this opinion with the Securities and Exchange Commission as an exhibit to the Registration Statement. In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the Securities and Exchange Commission thereunder.

Very truly yours,
