TriMas Hosting Investor Meeting and Tour Today at Aerospace Business

BLOOMFIELD HILLS, Mich., Jan. 20, 2016 (GLOBE NEWSWIRE) -- TriMas Corporation (NASDAQ:TRS) - a diversified global manufacturer of engineered and applied products - announced that it is hosting an investor and analyst meeting today regarding its Aerospace segment, at its facility in City of Industry, California.

The presentation will be posted on TriMas' website at www.trimascorp.com, under the "Investors" section, and under "Events & Presentations."

TriMas Aerospace is organized into four brands: Monogram Aerospace Fasteners, Allfast Fastening Systems, Mac Fasteners and Martinic Engineering, and designs, develops and manufactures precision engineered components including blind bolts, fasteners, solid and blind rivets, and hydraulic and pneumatic systems, to serve commercial aircraft companies, suppliers and distributors, and U.S. and allied militaries. TriMas Aerospace provides its customers with industry leading products and services that reflect the Company's commitment to market leadership, innovation and operational excellence.

Notice Regarding Forward-Looking Statements

Any "forward-looking" statements contained herein, including, but not limited to, those relating to the Company's business, financial condition or future results, involve risks and uncertainties, including, but not limited to, risks and uncertainties with respect to: the Company's leverage; liabilities imposed by the Company's debt instruments; market demand; competitive factors; supply constraints; material and energy costs; risks and uncertainties associated with intangible assets, including goodwill or other intangible asset impairment charges; technology factors; litigation; government and regulatory actions; the Company's accounting policies; future trends; general economic and currency conditions; various conditions specific to the Company's business and industry; the Company's ability to integrate Allfast and attain the expected synergies, including that the acquisition is accretive; the Company's ability to attain the Financial Improvement Plan targeted savings and free cash flow amounts; future prospects of the Company; and other risks that are detailed in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2014. These risks and uncertainties may cause actual results to differ materially from those indicated by the forward-looking statements. All forward-looking statements made herein are based on information currently available, and the Company assumes no obligation to update any forward-looking statements.
