TriMas Hosting Investor Day Today at Energy Business

BLOOMFIELD HILLS, Mich.--(BUSINESS WIRE)-- TriMas Corporation (NASDAQ: TRS) — a diversified global manufacturer of engineered and applied products — announced today that it is hosting an investor and analyst day at its Lamons business in Houston, Texas. Lamons designs, manufactures and distributes gaskets, bolts and specialty products for the petroleum refining, petrochemical, oil field and other industrial markets.

The presentation will be posted on TriMas' website at www.trimascorp.com, under the "Investors" section, and under "Events & Presentations."

Cautionary Notice Regarding Forward-looking Statements

Any "forward-looking" statements contained herein, including those relating to market conditions or the Company's financial condition and results, expense reductions, liquidity expectations, business goals and sales growth, involve risks and uncertainties, including, but not limited to, risks and uncertainties with respect to general economic and currency conditions, various conditions specific to the Company's business and industry, the Company's substantial leverage, liabilities imposed by the Company's debt instruments, market demand, competitive factors, supply constraints, material and energy costs, technology factors, litigation, government and regulatory actions, the Company's accounting policies, future trends, and other risks which are detailed in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2011, and in the Company's Quarterly Reports on Form 10-Q. These risks and uncertainties may cause actual results to differ materially from those indicated by the forward-looking statements. All forward-looking statements made herein are based on information currently available, and the Company assumes no obligation to update any forward-looking statements.
